

PRINCIPLES OF HEALTH & SAFETY MANAGEMENT (PHSM) ONLINE COURSE

REGISTRATION FORM

The Principles of Health and Safety Management online course provides you with guidelines and samples to help you prepare your own Company Health and Safety Manual. This course reviews, in detail, the elements of a safety program as it pertains to the Construction COR audit.

This online course will provide you with links to sample policies, forms and checklists that can be tailored and compiled into a comprehensive document.

This course is a co-requisite for anyone seeking Small Business COR Auditor Certification.
