

Important Information Concerning Student Loans And Interest Free Forms For The 2009/2010 School Year

Beginning August 1, 2009 BCIT has changed the application process to single term applications. This has been done to assist with the bursary process and budgeting. If you have any questions, please contact Student Financial Aid and Awards.

Note: Students can apply for all academic study periods at one time. You do not need to wait until the second term starts to do your second application. The online application system will open in early June.

For example: A student in Chemical Sciences, Year 1 (Sept 2009- May 2010) Complete application #1 September to December and submit the application, immediately go back into the system and complete application #2 January to May and submit the application.
