Vancouver Community College – Denturist / Dental Technician Programs Evaluation Requirements

The **Vancouver Community College – Denturist / Dental Technician Programs** require the following for all evaluations completed by the International Credential Evaluation Service (ICES).

1. Evaluation Report Required

The **Vancouver Community College – Denturist / Dental Technician Programs** require a **Comprehensive Evaluation Report** for all foreign trained applicants requesting evaluations conducted by ICES. This can be ordered by completing the Credential Order Form section of the ICES Application Form. The cost of a Comprehensive Report is **\$225.00** per credential. Detailed information about ICES fees, reports, and documents required as well as a copy of the ICES Application Package can be found at <http://www.bcit.ca/ices>.

3. Documents Required by ICES

a) **Original Documents:** ICES will need a complete set of *Original* documents for each credential that you are paying to be evaluated. A complete set of documents normally contains at least two parts:

- (1) The document awarded upon completion of the credential (may be called a diploma, diplom, degree certificate, certificate, or other names depending on the country from which it is issued). In many countries, people hang this document on their wall.
- (2) The academic record, showing the courses or subjects studied, the grades earned, and the hours of study or number of credits for each course (may be called a transcript, detailed marks card, relevé de notes, examination report, extract, student's book, index, or other names depending on the country from which it is issued).

If you do not have these documents, you will need to request them from the institutions you attended.

b) **Translations:** All required documents written in a language other than French or English must be accompanied by an English translation completed by a certified translator. All translated documents must also be submitted with the original in the original language.

Affiliated Colleges: ICES only accepts educational documents from the institution that awards the credential. For that reason, ICES does not accept documents from affiliated colleges or institutes. ICES must see documents issued from the awarding institution.

(Continued on page 2)

3. Number of Credentials

When you apply for a Comprehensive Report, you must indicate the number of credentials you wish to have evaluated. A “credential” is one partially or fully completed educational program taken at one institution or school leading to a certificate, diploma or degree. Any coursework completed at two or more institutions and applied (or transferred) toward a credential is considered a separate credential. If you wish to have more than one credential evaluated, please include the additional fee with your ICES Application Form and make arrangements to have each institution send the necessary documents.

4. Additional Copy of Report

Two copies of the completed report are generated. The first copy is always sent to you; the second copy of your report will be sent directly to the **Vancouver Community College – Admissions Office** as long as this is indicated in **Section D** of the ICES Application Form. If you do not indicate **VCC** in **Section D**, both copies will be automatically sent to you. If you require more than two copies of your report, the fee is **\$10.00** per copy.

5. Contact Information

If you have not already done so, please contact the **Vancouver Community College – Counselling & Advising Services** to see if they require any additional information from you. They can be reached at:

Vancouver Community College (VCC)

City Centre Campus
Counselling & Advising Services
250 West Pender Street
Vancouver, BC
V6B 1S9
Telephone: (604) 443-8453
Fax: (604) 443-8588
