PCAS WORKSHOPS FOR SERVICE PROVIDERS

YOUR POST-SECONDARY DISABILITY SERVICES OFFICE

The Disability Services Coordinator in your institution is your first line resource for information specific to students you work with.

PCAS Workshops

PCAS offers variety of workshops of interest to interpreters and transcribers who support students with hearing loss.

PCAS offers workshops and advice on:

- Skill building for interpreters, captioners and transcribers
- Preparation for the Post-Secondary screen
- Oral interpreting
- Technical signs for specialized subjects
- Using the TypeWell match based program
- Classifier use
- Or? Your choice! Let us know what workshop topics you are interested in: Contact us at pcas@bcit.ca

Service Providers Professional Organizations

[Westcoast Association of Visual Language Interpreters \(WAVLI\)](#) is a non-profit organization of professional interpreters and interpreter educators, promoting quality interpreting services and professional development to its members.

[The Association of Visual Language Interpreters of Canada \(AVLIC\)](#) is a national professional association, which represents interpreters whose working language are English and American Sign Language (ASL). AVLIC represents its membership and advances the profession by promoting high standards within the profession of interpreting.
