Computing and Academic Studies

SW1

Full-time Programs

Bachelor of Technology—Computer Systems
Computer Information Technology (CIT) Diploma
Computer Systems Technology (CST) Diploma
Full-Stack Web Development (FSWD)

Fast-track Programs

Technology Professional Programs (TPP)
- Office Administrator with Technology (OAT)
- Software Systems Developer (SSD)
- Technical Web Designer (TWD)
- Technology Support Professional (TSP)

Part-time Studies

Advanced Web Technologies
- Web Development Fundamentals
- Applied Web Development (AWD)

Data Analytics and Business Intelligence
- Applied Computer Information Systems (ACIS)
- Applied Database Administration
and Design (ADAD)
- Applied Data Analytics (ADAC)

Microsoft Office and Application Training
- One Day Workshops
- Applied Computer Applications (ACA)

Networking
- Applied Network Administration and Design
(ANAD)

Software Development:
- Computer Systems Certificate (CSC)
- Computer Systems Diploma (CST/PTS)
  - Web and Mobile Application Development
(WMA)Applied Software Development (ASD)
  - Advanced .NET Development (.NET)
  - Advanced Java Development (AJD)
  - Agile Development
