

Our Vision

BCIT: Integral to the economic, social and environmental prosperity of British Columbia.

With over 47,000 students enrolled annually, BCIT is one of British Columbia's largest post-secondary institutes. **Our approach to education is like no other** post-secondary institute, making us integral to the economic, social and environmental prosperity of British Columbia.

Founded in 1964, BCIT has established itself as one of the leading educational institutes in engineering; health sciences; business; computing; trades, apprenticeship and technician programs; and applied sciences.

Renowned for offering hands-on, practical learning, our graduates are more than ready to succeed in their careers from day one. BCIT's curriculum and applied research are industry connected, and help ensure, year-after-year, that **BCIT is advancing the state of practice.**
