

Greetings fellow BCIT students,

I am running for a seat on the BCIT Education Council and the BCIT Board of Governors for the 2024-25 school year.

For Education Council, I seek a third term on EdCo to ensure full student representation, further engage in this governing body plus committees, and continue working for fellow students. I am running on my record of tenure and community involvement; having previously served on the BCITSA council and board, served and volunteered for clubs, and worked as a student life ambassador to name a few.

Please visit my website [votebobby.ca](https://votebobby.ca) for more details on my campaign. More details will be posted by end of day March 20th at the latest, prior to the start of the voting period.

Contact information, so you can reach me directly for any questions and suggestions for how I can best serve you as a current and potentially future student rep:
