

I am Judy Phipps and work as the Administrative Assistant to the Associate Dean of Broadcast and Media Communications. I've been a BCIT Employee since November of 1999, and have worked in a variety of roles, both for BCIT and for the BCGEU.

In June of 2021 I was elected as an EVP of the BCGEU, the first black woman to be elected in the history of the BCGEU. I sat on numerous committees – to name a few; Living Wage for Families, Equity and Human Rights, Workers of Colour, Decolonization of Indigenous Agreements, Education and Scholarship, National Committee on Women's Issues, National Committee for Equity & Human rights, as well as our own Provincial Executive.

I believe BCGEU representation is important to the Education Council and I would like to offer my experience and insights by obtaining this seat.

I look forward to the opportunity.

Sincerely

July Phipps
