

## 2019/20 Work-Able Graduate Internship Program

Reminding you that the educational requirements for the 2019/20 Work-Able Graduate Internship Program has expanded. Applicants who have a two year Diploma or an Associate's degree are now eligible to apply. Work-Able still accepts applicants with a Bachelor's, Master's or Doctorate degree.

This year, Work-Able is pleased to offer an increase of internships from 15 to 21.

The expanded eligibility criteria and the 6 additional internships will allow more applicants who meet the eligibility criteria to:

- Attend an information session on how to successfully apply for internships
- Practice competency based interviewing
- Receive coaching and feedback throughout the recruitment process
- Secure an internship

Please note: Not everybody that applies will secure an internship, however it is a unique chance to increase knowledge and develop skills on how to be successful in any government hiring competition.

Please share this exciting opportunity with your networks: [Work-Able Job Posting](#)

The posting is open till April 30<sup>th</sup>.
