Frequently Asked Questions

When should I apply?

It is recommended that students apply when they have met all of the entrance requirements. If you are currently registered in a course(s), please indicate this on the self-assessment form.

When will I be accepted?

Once your application has been assessed and has been approved for direct entry, a seat must become available in the program you have selected. The Admissions department must wait until the current students in most programs write their exams in either December or May to determine how many seats will become available for direct entry applicants.

Can I take courses ahead of time to help reduce my course load?

In order to maintain a competitive application, it is recommended that you take no more than two courses per term ahead of time. **A maximum of two courses per level are eligible for credit.** Tuition for full-time programs may not be reduced.

When will I get my timetable?

Print your timetable one day prior to class start by logging into my.bcit.ca and going to Student Self-Service. You must be registered in your courses in order to access this feature. If you know the set to which you have been assigned, you can also find your timetable at timetables.bcitbusiness.ca.

When can I buy my books?

It is recommended that students wait until the first week of classes before buying textbooks. Your instructors will tell you which books to buy.
