

APPLICANT ACKNOWLEDGEMENT OF REQUIREMENTS MAGNETIC RESONANCE IMAGING (MRI1)

Admissions

3700 Willingdon Avenue, Burnaby, BC, Canada V5G 3H2

Instructions: 1) Save this PDF to your desktop, 2) Open with Adobe Reader or Adobe Acrobat, 3) Complete all required fields, 4) Save, 5) Close PDF then re-open to ensure the content you filled in has saved, 6) Print, sign and submit with your application.

PROGRAM REQUIREMENTS

The BCIT Magnetic Resonance Imaging program includes face-to-face lectures, online courses, laboratory and clinical experiences that provide necessary knowledge and skills for practice in the field of magnetic resonance. Training incorporates laboratory clinical simulations, which are comprised of positioning and patient care skills including venipuncture exercises.

I understand these exercises will:

- Be explained or demonstrated by a BCIT staff member or other assigned qualified personnel
- Involve myself, students, staff members, clinical personnel, or consenting volunteers as subjects
- Be conducted in an environment appropriate for learning
- Be supervised
- Require that I be prepared and employ due care and attention in their completion

PHYSICAL REQUIREMENTS

Magnetic Resonance Imaging is a physically and emotionally demanding profession. It requires a high level of manual dexterity and the ability to work in a busy and sometimes stressful environment.

Magnetic Resonance practitioners must have:

- Fine motor control
- Physical strength to lift and move incapacitated patients or heavy equipment
- Demonstrate good visual depth perception and discernment of grey colour scale
- Demonstrate strong critical thinking skills
- Have good communication skills (hearing and speaking)

CLINICAL PLACEMENTS

Clinical placements for the BCIT Magnetic Resonance Imaging program are located at accredited clinical sites within the BC Lower Mainland, Interior, Kootenays and Vancouver Island. Students participate in a year long clinical experience at various clinical sites. Students must be prepared to attend their assigned placement located at any of the clinical sites in the province. Clinical shift times include weekdays, evenings, weekends and nights. Students must have personal transportation, as not all clinical facilities are easily accessible by public transportation. Students are responsible for travel and accommodation arrangements for the clinical experiences and are required to comply with all confidentiality, clinical site, BCIT and program policies while attending clinical.

DECLARATION

- I am aware of the program requirements as described above and agree to participate in classroom, laboratory, online and clinical experiences that impart necessary knowledge and skills for practice in the field.
- I am aware of the physical requirements for the Magnetic Resonance Imaging program as described above. I confirm that I possess the physical and mental strength and attributes to perform the functions required.
- I understand that if I am provisionally accepted and to be fully accepted into the program, I will be required to submit proof of current CPR Level C, a satisfactory criminal record search and complete an immunization form. All of these forms are available on the BCIT Magnetic Resonance Imaging website.
- I have read and understood the above conditions applying to clinical practicum rotations while in the BCIT Magnetic Resonance Imaging Program. I agree to comply with these terms while completing the requirements of the program.
