4. Program area will contact you regarding the results.

WITHDRAWAL POLICY

Withdrawal will be allowed until two-thirds of the way through the course (excluding continual entry and courses less than 1 week long) and will result in a "W" on the transcript. If withdrawing after this deadline, and the withdrawal is approved, the transcript will show "LW" for the dropped course.

According to policy **5103-PR1 – Grading**:

Students may not withdraw after the withdrawal deadline date unless the circumstances are unusual and/or warranted. Late withdrawal requests designed to avoid failing or low grades are not acceptable.

In the case of courses in flexible learning (part-time studies), the course's program coordinator or program head/chief instructor (or their delegate) must approve the request. Approval by these authorities is required for the request to be processed. If approved, the grade standing assigned is LW. If the late withdrawal request is denied, the student remains registered in the course and will receive a final grade, calculated in the normal fashion (percentage or S/U, depending on the course's grading method).

Neither the W nor the LW calculates in the GPA (grade point average).

VANISHED (V)

The V grade is assigned when a student ceases to attend a course(s) without explanation.

The V grade is assigned when a student's attendance has ceased before the withdrawal deadline. It is not used for students who stop attending after the withdrawal deadline. If a student ceases to attend a course after the withdrawal deadline, then the student is deemed to be registered in the course and should be graded on course work completed. Any missed coursework or examinations should be marked as 0 (zero) and calculated into the final grade for the course.

The V grade is calculated into the GPA as a zero.
