2. To the best of my knowledge, this application is **complete** AND **complies** with the ethics requirements described in TCPS2: (type your name to indicate you agree)

TYPE YOUR NAME HERE:

3. Evidence of pre-review - provisos (written by instructor and/or other students in peer-review process) and student compliance report (mentioning how provisos were addressed) **are attached** to this application:

**Please write a brief executive summary of the project in the box (one or two short paragraphs should suffice because there's supporting evidence)**

**What were the core ethical issues, how were they addressed and why should this study be approved for *expedited* REB review (quick approval by the chair not needing a standard delegated review)?**

Typical issues relate to problems with the consent form, ensuring the project is minimal risk and so does not need full board review, and how privacy is handled (e.g. data storage).
