

Volunteers Needed

On Wednesday, June 13, you may witness emergency scenarios around campus. Fortunately, none of it will be real. It will all be part of a training exercise that helps BCIT prepare in case of any actual disasters.

Volunteer Victims and Evacuees are integral for our Emergency Response Team Members to practice their training. There are a wide variety of volunteer positions that are suitable for everyone.

Contact Samantha Garofalo, sgarofalo@bcit.ca
or 604-456-1004 to see how you can participate.
