Physical Geography			
Physics			
Zoology			

Courses eligible to receive credit as general education electives for this program must be:

- Academic in nature
- In one of the identified disciplines listed above
- Transferable into a recognized Canadian post-secondary degree program
- Taken at a recognized public post-secondary educational institution in Canada
- Assessed to determine transferability into a recognized Canadian post-secondary degree program, if the course has been completed at a college or technical school outside BC or a university outside Canada

All BCIT courses listed below qualify as general education electives under the categories identified for each course. Other BCIT courses not listed below may be eligible in consultation with the Program Area and the Registrar's Office. Courses with S and U grading are not eligible for general education. No vocational or technical studies courses will be considered for general education.

The Degree Program Head reserves the right to make the final decision in cases where ambiguity exists over:

- The level of the course
- The number of transferable credits available for the course

Course Name & No	Credits	Category
ASTR 3600: Astronomy: From our Backyard to the Edge of the Universe	3.0	Social Sciences/Humanities, Arts/Sciences or Unspecified
BCST 1170: Introduction to Journalism	3.0	Social Sciences/Humanities, Arts/Sciences or Unspecified
BCST 5010: Visual Communication and Culture	3.0	Social Sciences/Humanities, Arts/Sciences or Unspecified
