Students who are currently enrolled in, or have completed, any of the following programs may be eligible for admission into the BBA provided they meet the minimum 70% in their diploma, and complete all outstanding core courses, plus any applicable bridging courses.

Students must complete their core courses with a combined 70% average, with no mark below 65%. Equivalent core courses for programs are found below.

Any additional bridging courses must be completed with a minimum 70% in each.

Students who may have completed outstanding core or bridging courses outside of BCIT can contact the department at bba@bcit.ca to determine their eligibility for admission into the program.

Core course and bridging requirements are subject to change based on updates to eligible diploma programs.
