

Students who are currently enrolled in, or have completed, any of the following programs may be eligible for admission into the BBA. Students are required to contact the [BBA Department](#) directly for a pre-entry assessment to determine if they need to complete the following bridging courses. Unofficial transcripts of prior post-secondary education may be submitted to determine if any bridging courses have already been completed outside of BCIT.

**Please note that all bridging courses must be completed with a minimum 70% in each.**

**\*Changes to bridging requirements for January 2023\***

If you submit your application for admission on or after January 2, 2023, the following changes will apply:

- You will be required to achieve a minimum 65% in each bridging course as well a minimum 70% average across all bridging courses.
- Microeconomics will be required in place of Macroeconomics.
