BCIT Leadership Course Winter 2018

Winter 2018 Course

How to become an indispensable leader in the modern workplace

Discover the proven principles, plans, and insights to allow you to be an unstoppable, captivating, and revered leader.

This impactful and engaging BCIT course will provide emerging leaders with timely and applicable skills to improve team performance, effective collaboration with others, and change management in the workplace. Students will thrive in the interactive class environment consisting of lectures, group breakouts, practice sessions, and online assignments.

Career Leadership

- Identifying emerging trends to excel in today's competitive marketplace.
- Learn keys to effective interaction and negotiation to build credibility in your field.

Personal Leadership

- Conduct a values assessment and demonstrate assertive leadership through team case studies.
- Learn to build emotional intelligence, listen effectively, and improve presentation skills.

Team Leadership

- Discuss the stages of team development and how to build dynamic, successful teams.
- Learn to embrace diversity and address conflict in the workplace.

Performance Leadership

- Foster innovation and practice providing constructive feedback.
- Learn the nuances of performance leadership and assign accountability to meet objectives.

About the Instructor

*Ms. Olivia McIvor is a best-selling author, social researcher, and an Organizational Development consultant with over 30 years of Human Resources and leadership expertise. Her approach to people management is as innovative as it is creative. Combine that with her philosophical mind and her vast library of experiences and you have a unique blend inspiring expertise. Nominated **Female Entrepreneur of the Year** by **Working Women Magazine**, she has trained, consulted and spoken to 1000's of individual and hundreds of associations, organizations and conferences across the world.*
