

PMP CERTIFICATION EXAM PREPARATION WORKSHOP

For project managers that want to write the Project Management Professional (PMP) certification exam. Also provides 35 hours of PMI approved educational training required for new PMP applications.

Duration: 5 Day Workshop
Dates:
PDU: 35 PDU
Workshop Code: OPMT 0405

What the Workshop Provides

PMP® Certification from the Project Management Institute is the industry standard for demonstrating competence and a solid foundation of project management skills. This workshop prepares participants to write the PMI Project Management Professional (PMP) certification exam and provides the 35 hour educational credits required for new PMP Certification applications.

Program Features

All official exam topics are covered using the PMI framework. The program features:

- Comprehensive review of all PMBOK subject matter
- Review of all PMI Knowledge Areas.
- Reference Binder covering all PMP exam topics organized by subject, knowledge area, and PMP Exam review questions with answers for each topic
- Exam Simulation gauge your readiness to take the exam.

Participants evaluate their existing knowledge, determine what knowledge is missing, and create a study plan to fill the gaps.

Workshop Format

This hands-on workshop includes instruction and exercises that reinforce the learning of the tools and techniques presented in the workshop.

Every participant receives:

- Five full days of instruction
- Comprehensive PM reference binder
- Certificate of completion
