

Meet Your BBA Electives via the Sustainable Business Leadership Program

Now more than ever, businesses must consider not only the economic, but also the social and environmental value they create. You can meet all of your BBA elective requirements by taking courses in the [Sustainable Business Leadership](#) (SBL) program:

3.0 credits English Lit. or Composition (ENGL)
3.0 credits Natural Science (NSCI)
6.0 credits Social Science or Humanities (SSCI)

6.0 credits of Arts or Science (ASCI)
9.0 credits Unspecified credits (UNSP)

Note: *If you are interested getting an Advanced Diploma in Sustainable Business Leadership while meeting your BBA elective requirements, you can enrol part-time in the SBL program, and you have four years to complete all of the below courses. You are able to use the below courses both to meet your elective requirements and to earn the SBL Advanced Diploma.*
