# Welcome

## Letter from the President

Welcome to Careers Fair 2016. For many years, this event has been a catalyst for connection between students, alumni, and employers. Careers are started – and made – here each and every year. As a BCIT student or grad, you have so much to offer. Throughout the day we hope you will network, ask questions, broaden your knowledge of the marketplace, and let employers know what you are capable of. You're more than ready to take on the challenges and opportunities ahead.

To our sponsors and exhibitors, I extend sincere appreciation for your continued support of and engagement with BCIT.

Kathy Kinloch, President

## Welcome from Student Employment Services

BCIT Student Employment Services is excited to welcome you to BCIT's annual Careers Fair. With 69 exhibitors participating the day of the fair, it promises to be a fantastic opportunity for you, our students and alumni, to network with potential employers, check out opportunities in your industries, and plan for your future in general.

Your BCIT instructors and program content have prepared you with the knowledge and skills to take you to the next step – finding a challenging, fulfilling career. Employers know that you are ready, and they have come to Careers Fair to meet you.

Take the time to organize yourself and use this handbook to help you prepare.

Inside you will find answers to the following questions:

- Which companies are here to recruit for my program area?
- Where are specific employers located?

We hope that you'll find the BCIT Careers Fair 2016 stimulating, interesting, and rewarding.

*The BCIT Student Employment Team*

*Susan Ames, Gail Beaupré, and Carol Penstock*
