General Education Electives

6.0 credits of General Education Electives are required.

All courses taken outside BCIT for possible transfer credit to BCIT as General Education Electives must be first-year university courses or higher. The course must be academic in nature and belong to one of the four following categories:

- Economics
- Humanities
- Language & Linguistics
- Mass Communication

Topics in Humanities may include:

- Art History
- Classical Studies
- Cultural Studies
- History
- Music History
- Philosophy
- Psychology
- Religious Studies
- Theatre Studies

Non-BCIT courses eligible to receive credit as General Education Electives for this program must be:

- In one of the identified subject areas above
- Transferable into a recognized Canadian University degree program
- Taken at a recognized public post-secondary educational institution in Canada
- Assessed to determine transferability into a recognized Canadian University degree program, if the course has been completed at a college or technical school outside BC or a university outside Canada.

The Computer Systems Bachelor of Technology (CST BTech) program reserves the right to make the final decision in cases where ambiguity exists over:

- The category and/or level of the course
- The number of transferable credits available for the course

Other BCIT courses not listed below may be eligible in consultation with the Program Head. Courses with S and U grading are not eligible for General Education. No vocational or technical studies courses will be considered for General Education.

Pre-Approved General Education Electives

Course Number	Course Name	Credits

GENERAL EDUCATION PRE-APPROVAL FORM

Computer Systems Bachelor of Technology – School of Computing and Academic Studies

3700 Willingdon Avenue, Burnaby, BC, Canada V5G 3H2

E cstbtech@bcit.ca

DATE		
Month	Day	Year

Instructions: 1) Save this PDF to your desktop, 2) Open with Adobe Reader or Adobe Acrobat, 3) Complete all required fields, 4) Save, 5) Close PDF then re-open to ensure the content you filled in has saved, 6) Submit to CST BTech Department.

IMPORTANT

It is strongly recommended to have read the General Education Elective Courses requirements thoroughly. It is the student's responsibility to have courses pre-approved by the Computer Systems Bachelor of Technology (CST BTech) Program Head prior to registration. Students who proceed without approval may find that a particular course does not meet the General Education Elective Courses criteria and transfer credit may not be granted.

If you have already taken a course outside of BCIT and wish to use it towards your General Education requirement, please fill out the Course Credit/Exemption Form instead.
