bcit.ca/isep | isepinfo@bcit.ca

The International Student Entry Program (ISEP) is an academic English language program that prepares students for success at BCIT, and helps them to meet the English requirements of a full-time BCIT Program.

To succeed at ISEP, students should have some previous experience studying English. The recommended minimum level for entry is CEFR A2 (Low).

## HOW TO APPLY

\*Students can also submit a valid IELTS Test Report Form (TRF) for placement.

## STUDYING AT ISEP

ISEP has seven levels: Foundations 1 and 2, and Technical Academic English (TAE) 1-5. Each level takes one term (7 weeks) to complete. If a student starts at the lowest level, it will take them at least 14 months to finish ISEP.

There are two classes in each level: Listening/Speaking and Reading/Writing. Students are in class 20 hours per week.

## STUDY PERMIT

International students require a valid study permit to begin ISEP classes.
