

Building Inspector Courses

Overview

BCIT offers various building code courses for those individuals who are contemplating a career as a building inspector. These courses are offered in conjunction with the [Building Officials' Association of B.C.](#) (BOABC)

Individuals who wish to receive certification as a building inspector I, II or III as recognized by the BOABC should visit the [BOABC Examination Information](#) web page. It is the individuals' responsibility to contact the BOABC to determine which BCIT code courses meets the level I, II and III examination requirements.

Below are a list of building code courses currently being offered at BCIT.

- [BLDC 1500](#) – BC Building Code Part 9 (SFD)
- [BLDG 1825](#) – BC Building Code – Multi Unit and Small Buildings
- [BLDG 1830](#) – BC Building Code: Part 3
- [BLDG 1835](#) – BC Building Code: Part 3 Advanced
