

Omega Drilling is proud to be an Industry Supporter for the Environmental Engineering Program!

We are an environmental and geotechnical drilling contractor based out of the Vancouver Lower mainland.

We support our future Engineers by:

1. Hosting our Annual Drilling Demo [Drilling Demo, Engineer in Training area, & BEST Conference Whistler 2023 - Omega Environmental Drilling Ltd.](#).
2. Designating a portion of our premises as our Engineer in Training Area [Omega Announces the Opening of Our New Engineer Training Area - Omega Environmental Drilling Ltd.](#)
3. Supporting our Industry Nights for open communication and networking opportunities
4. Sponsoring the BCIT Environmental Engineering Program
