

IMPORTANT CHANGE TO THE FULL-TIME STUDENT LOAN APPLICATION PROCESS

All new, full-time students (and full-time students returning after a break of two years or more) are required to use their BC Services Card for identity verification before they can apply for a full-time student loan.

- 1) Go to studentaidbc.ca
 - Click on the green “Login/Register to apply” button
 - Log-in to your dashboard or register for a StudentAidBC dashboard account
 - Click on the “Apply for a student loan” button.
 - A pop-up - “Account Verification Required” - provides instructions on how to have your identity verified using your [BC Services Card](#).
 - Choose one of three options to log-in with your BC Services Card -
 - a. [Mobile card](#) (downloadable from GooglePlay or AppStore)
 - b. Card Reader
 - [Card reader for Android](#) (Downloadable from GooglePlay)
 - [USB card reader](#)

- and follow the set-up instructions provided for the option you choose.

An in-person visit to a [designated Service BC](#) counter is required to complete the verification process. You will be issued a passcode, card reader or both, or, have your BC Service Card verified on your mobile device.

- 2) When you complete the identity verification process, go back to the Studentaidbc.ca log-in page and click on “[Login/Register with BC Services Card](#)”
- 3) Once logged-in with your BC Services Card, proceed with your application* for a student loan.

If you need assistance with your student loan application, call or visit
