IMPORTANT CHANGE TO THE
FULL-TIME STUDENT LOAN APPLICATION PROCESS

All new, full-time students (and full-time students returning after a break of two years or more) are required to use their BC Services Card for identity verification before they can apply for a full-time student loan.

1) Go to studentaidbc.ca
   - Click on the green "Login/Register to apply" button
   - Click on the blue "Login with BC Services card" button
   - Click on the blue "Get set up" button
   - Follow the set-up instructions to create your BC Services Card Account.
     - An in-person visit to a designated Service BC counter or a virtual verification by video is required to complete the verification process.

2) When you complete the identity verification process, go back to the Studentaidbc.ca log-in page and click on "Login with BC Services Card"

3) Once logged-in with your BC Services Card, proceed with your application* for a student loan.

If you need assistance with your student loan application, call or visit

Student Financial Aid and Awards
