

2025 CELEBRATION OF IMPACT

BCIT

MESSAGE FROM THE PRESIDENT OF BCIT

It is my great pleasure to congratulate the 2025 BCIT student award recipients. You exemplify the very best of our Institute through your academic excellence, leadership, and meaningful contributions to your communities.

The recognition represented by these honours is a testament to your dedication, perseverance, and passion for learning. We know that BCIT students juggle a great deal, balancing demanding programs with family, work, and other responsibilities. Many also face financial pressures that can create barriers to their education. In the face of these challenges, your achievements stand as proof of your determination to succeed.

Many of you have shared that these awards provide not only financial relief, but also a renewed sense of motivation. They inspire you to keep striving for excellence, to persist through challenges, and to continue building a brighter future for yourselves and your communities.

I also want to extend my heartfelt thanks to our donors, whose generosity makes these awards possible. Your contributions have an incredible and lasting impact on the lives of our students. You are investing in potential, empowering the next generation of innovators and leaders, and strengthening the industries and communities that BCIT serves. We look forward to your continued partnership in supporting student success.

To all our award recipients, congratulations once again on this well-deserved honour. You make us proud, and you remind us why BCIT's vision to empower people, shape BC, and inspire global progress matters more than ever.

A stylized, handwritten signature in black ink, appearing to read 'Jeff Zabudsky'.

Dr. Jeff Zabudsky

President

British Columbia Institute of Technology

MESSAGE FROM THE VICE PRESIDENT, EXTERNAL OF BCIT

On behalf of the entire BCIT community, congratulations to this year's outstanding student award recipients. We celebrate not only your academic excellence, but also your leadership, innovation, and perseverance. These awards reflect the drive and determination that define BCIT graduates.

To our generous donors, thank you for your vision and commitment. Your support empowers students to focus on their studies, explore their passions, and pursue their dreams with confidence. You are helping to build the next generation of skilled professionals and community leaders, and we are deeply grateful.

To our students and award recipients, as you continue your journey—whether in further studies or your careers—remember that BCIT will always be here to support you through mentorship, professional networks, and lifelong learning opportunities.

Becoming an alumnus of BCIT means joining a network of more than 210,000 leaders and innovators across every sector of BC's economy. Stay connected, engage with the Alumni Association, and continue to build on the strong foundation you've created here.

Congratulations once again. We are proud of all you have achieved and excited to see the impact you will make in your careers, your communities, and beyond.

A handwritten signature in black ink, reading "Cynthia Petrie". The signature is fluid and cursive, with a horizontal line extending from the end.

Cynthia Petrie

Vice President, External
British Columbia Institute of Technology

ENTRANCE AWARDS

SCHOOL OF COMPUTING & ACADEMIC STUDIES

BCIT Computer Systems Technology Industry Sponsored Entrance Award

An annual award established by BCIT for a student in Computer Systems Technology program.

Huy Khai Phan, *Computer Systems*

Debbe Gervin Memorial Entrance Award

An endowed award established in 2001 by family, friends and Society for Canadian Women in Science & Technology (SCWIST) in loving memory of Debbe Gervin, a BCIT faculty member in School of Computing from 1986 to 1999. Debbe was known for her spontaneity, sense of fun, her ability to instill enthusiasm in her students and for her strong support of women pursuing non-traditional, scientific and technical careers. Her untimely death from cancer in 1999 was a loss not only for family and friends, but also for BCIT faculty and students.

Vanessa Bravo, *Office Administrator with Technology*

Mastercard Computing Technology Award

An annual award established by Mastercard for a students in Computing, Technology, and Cyber-related programs.

Anna Jang, *Computer Systems*

Scotiabank Entrance Award

An annual award established by Scotiabank for a student in Finance or Financial Planning program.

Soyun Park, *ForensicInv-Digital/Cybersecurity*
Gautam Vadhera, *ForensicInv-Digital/Cybersecurity*

BCIT President's Entrance Award

An annual award established by BCIT for a student in any eligible program.

Lincoln Cheng, *Computer Information Technology*
Kiara Cherry, *Computer Systems*
Giorgio Donatelli, *Computer Systems*
Jonathan Twist, *Computer Systems*

TD Bank Entrance Award

An annual award established by TD Bank for a student in Finance or Financial Planning program.

Caroline Bastiaanssen, *Computer Systems*
Evan Biwer, *Technology Support Professional*
Darion Delorme, *Computer Systems*

SCHOOL OF BUSINESS + MEDIA

Great Little Box Company/Ideon Packaging Entrance Award

An annual award established in 2017 to a student who has displayed a passion for delivering WOW experiences for others in their school and community. This student embodies leadership, citizenship, and an ability to overcome adversity.

Alyssa Huang, *Graphic Communications*
Carissa Stephens, *Graphic Communications*

BCIT Alumni Association Entrance Award

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Bohye Lee, *Digital Design and Development*

BCIT Board of Governors Entrance Awards for Baccalaureate Degrees

An annual award established in 1997 by BCIT for students entering a bachelor's degree program.

Stefanie LeBlanc, *Business Administration*

BCIT President's Entrance Award

An annual award established by BCIT for a student in any eligible program.

Olivia Liu, *Accounting*
Emily Misola, *Digital Design and Development*
Carissa Stephens, *Graphic Communications*
Caitlin Velez, *Graphic Design*
Sahrish Waraich, *Accounting*
Danika Wilkes, *Business Operations Management*

BCIT Student Association's Sharing Costs or Recognizing Excellence (S.C.O.R.E.) Entrance Award

An endowed award established in 2009 by BCIT Student Association for students entering any eligible program.

Emma Jennings, *Digital Design and Development*

CTV Inc., a Division of Bell Media Entrance Award

An endowed award established in 2001 for a student in New Media and Web Development program.

David Chabot, *New Media Design and Web Development*
Soojin Yu, *New Media Design and Web Development*

Earl and Victoria Blatherwick Entrance Award

An endowed award established in 2017 for students in Business and Computing programs. Earl and Victoria Blatherwick lived in Burnaby for 47 years. Earl, after retiring from RCAF as a Chief Warrant Officer, was a commissionaire at BCIT and later worked for BCBC in BCIT parking department. Their son John Blatherwick chaired Environmental Health Committee for many years at BCIT and taught in program on occasion. Their son Ken Blatherwick completed Business program at BCIT. Their grandsons, Doug Blatherwick and Matthew Hoffman, and their son-in-law Ed Hoffman completed Computer Systems program at BCIT.

Jisoo Jang, *Digital Design and Development*

Lauren Sewell Memorial Entrance Award

An endowed award was established in 2013 by Greg and Fran Sewell in memory of their daughter Lauren, who had just completed first year of BCIT's Human Resource Management diploma program when she was tragically killed in a small plane crash near Peachland, B.C. on August 13, 2012 at age of 24. Lauren was a loving, dedicated and caring person who enjoyed helping her fellow classmates and others. This award was created by her parents as a perpetual legacy in her memory, for aspiring students entering full-time Human Resources Management diploma program who are coming to BCIT after a minimum of 1-2 years of full-time employment in workforce following graduation from high school, and who demonstrate caring traits exemplified by Lauren Sewell during her short life.

Ishdeep Grewal, *Human Resource Management [Advanced Placement Degree/Diploma Entry]*

Oracle Corporation Vancouver Entrance Award

An endowed award established in 2005 for a student entering Business Information Technology Management program.

Seong Eun Jeon, *Business Information Technology Management*

RGF Integrated Wealth Management Entrance Award

An annual entrance award established in 2020 by RGF Integrated Wealth Management. We are committed to helping students reach their full potential and believe that supporting individuals pursue a career path as a professional financial planner is key to advancement of our industry. This scholarship is awarded based on academic standing in high-school or post-secondary studies, as well as a personal statement, transcript and recommendations.

Kobe Neilson, *Financial Planning*

Sony Global Social Justice Award

An endowed award established in 2023 by Sony Canada for students entering Television and Video Production program.

Madeleine Rogers, *Television and Video Production*

SCHOOL OF CONSTRUCTION AND THE ENVIRONMENT

Britch Class of '68 Award

An annual award was established in 2020 by Clifford Britch, a BCIT Mining Technology Graduate, to provide financial support to two applicants to any of two year Engineering or Natural Resources programs.

Brayden Heal, *Forest and Natural Areas Management*

Tatanya Korecki, *Forest and Natural Areas Management*

Allan G. Goodbrand Memorial Entrance Awards

An endowed award established in 1996 by family, friends and colleagues of Allan Goodbrand, a well-known, respected and charismatic businessman in construction and land development industries.

Amanat Brar, *Civil Engineering*

BC Housing Entrance Award

An endowed award established in 2009 by BC Housing, provincial agency that develops, manages, and administers a wide range of subsidized housing options across province.

James Hardman, *Architectural and Building Technology*

BCIT Alumni Association Entrance Award

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Paul Heron, *Forest and Natural Areas Management*

Madeline Hoenisch-Matthes, *Forest and Natural Areas Management*

BCIT Board of Governors Entrance Awards for Baccalaureate Degrees

An annual award established in 1997 by BCIT for students entering a bachelor's degree program.

Abbie Charlton, *Architectural Science*

BCIT President's Entrance Award

An annual award established by BCIT for a student in any eligible program.

Nathan Breukelman, *Architectural and Building Technology*

Mattias Callingham, *Geomatics Engineering Tech*

Tarnpreet Dosanjh, *Architectural and Building Technology*

Mya Hanson, *Interior Design Fundamentals*

Noah Lee, *Architectural and Building Technology*

Kai-ann Makara, *Architectural and Structural CADD and Graphics Technician (Architectural Option)*

Alanna Tanner, *Architectural and Building Technology*

Ruby Vie, *Fish, Wildlife and Recreation*

Benjamin Weckstrom, *Civil Engineering*

Ezra Zietsma, *Civil Engineering*

BCIT Staff - High Tech, High Promise Capital Campaign Entrance Award

An endowed award established in 1991 by BCIT staff during BCIT's capital campaign to support students through bursaries, achievement awards and entrance awards.

Jesse Switzer, *Cabinetmaker [Joiner] Foundation*

Canfor Trades & Technology Entrance Awards

Annual awards established in 2012 for students entering Sustainable Resource Management, or Electrical, Millwright, or Heavy Mechanical Trades Foundation programs. Canfor Corp. is an integrated forest products company based in Vancouver.

Adam Bisailon-White, *Electrical Foundation*

Camille Dugal, *Forest and Natural Areas Management*

Nathan Kusch, *Electrical Foundation*

Construction Industry Training Organization of BC Award

An endowed award established in 2016 by the Construction Industry Training Organization of BC for students entering Construction Trades programs.

Tarek Chellouf, *Electrical Foundation*

Currey Family Entrance Award

An annual award established by the Currey Family for students entering Trades programs.

Chang Li, *Electrical Foundation*

Jessica Pantella, *Metal Fabricator Foundation*

David Lloyd Entrance Awards

An endowed award established in 1993 by late Mr. Al Lloyd in honour of his son David. Mr. Lloyd was a long-time Pender Harbour resident who passed away in June 1999. He was actively involved in a number of school programs, a school trustee and an active supporter of students. His goal to provide opportunities for students from Sunshine Coast has been achieved through this endowed award and is a legacy to his commitment to students.

Mika Schutz, *Architectural and Building Technology*

Jack and Darlene Poole Foundation Women in Engineering Award

An annual award established by Jack and Darlene Poole Foundation for women in Engineering programs.

Krishna Galang, *Civil Engineering*

Alison Timmer, *Geomatics Engineering Tech*

Ken Bell Memorial Entrance Award Sponsored by Onni Group

An endowed award established in 2013 in memory of Mr. Ken Bell by Onni Corporation and his family and friends. Mr. Bell worked with Onni Corporation for many years and this fund is a tribute to his legacy of hard work, kindness and mentorship. Over years Ken hired dozens of graduates from BCIT Architectural and Building Engineering Technology program and, as a manager, gave much of his time to help turn those hires into first rate professionals. Throughout his life, he helped guide those who followed his footsteps, just as others helped him. This award echoes that spirit and honors generosity of a man who never forgot where he came from.

Rivini Madawanarachchi, *Architectural and Building Technology*

Mark Angelo Entrance Award

An endowed award established in 2013 funded principally by Real Estate Foundation of BC, alumni, and friends and colleagues of Mark Angelo in his honour. Mark was a long standing employee of British Columbia Institute of Technology, who retired in 2011 after 37 years of service. The purpose of the fund is to provide financial support to students who embody ideals that define Mark Angelo-integrity, ethics, good citizenship, concern for our environment and friends and family. In 2025, BCIT conferred Mark Angelo with the Honorary Doctorate of Technology.

Kathryn Kennedy, *Ecological Restoration*

Pacific Foundation of Applied Technology, Otto A. Kloss Entrance Awards

An endowed award established in 1990 in honor of Otto Kloss, a contractor who left significant funds in his will to Pacific Foundation of Applied Technology. His instructions were to disburse earned income to students in training.

Joshua Kay, *Carp Frame & Form Foundation*

Pam and Jerry Bastien Entrance Award

An endowed award established in 1991 by Pam and Jerry Bastien for students entering eligible programs, with a preference for Trades.

Dominic Urrea, *Electrical Foundation*

Ramsay MacDonald Memorial Entrance Award

An endowed award established in 2003 by family of Ramsay MacDonald for students in any eligible Trades Training program, with preference given to students from School District #35 (Langley).

Ethan Mah, *Ironworker Foundation*

Simons Foundation Entrance Awards for Women

An endowed award established in 1990 by Simons Foundation to provide entrance awards for female students entering specific BCIT programs. Simons is actively engaged in promoting positive change through education in peace, disarmament, international law, and human security, and also supports local arts and cultural community in Vancouver.

Anson Pao, *Architectural and Building Technology*

Sunshine Coast Trade & Technology Entrance Award

An endowed award established in 2007 by Mr. Michael Bakst, a professional civil engineer, who has a deep interest in supporting and advancing education in engineer-related fields to those from Sunshine Coast and outside Greater Vancouver Regional district. He raised funds from individuals and organizations who shared his goal to provide funding for individuals entering BCIT in an engineering-related technology or trade program.

Mika Schutz, *Architectural and Building Technology*

West Fraser Award for Trades

An annual award established by West Fraser Mills Ltd. for students in eligible Trades program.

Zarlish Aneela, *Cabinetmaker [Joiner] Foundation*

Y.P. Heung Foundation Entrance Awards

An annual award established by Y.P. Heung Foundation in support of students entering Bachelor of Science and Bachelor of Technology programs.

Caitlin Gilchrist, *Ecological Restoration*

Receiving this award alleviated a great deal of stress when I was still unsure if returning to school was the right choice for me.

- William Arlo Spring

SCHOOL OF ENERGY

BCIT December 6 Memorial Entrance Award for Women in Engineering

An endowed award established in 1993 with lead gifts from Simons Foundation, Terasen Pipelines, Teck Cominco, plus contributions from BCIT Board of Governors members and others, to honour memories of Genevieve Bergeron, Helene Colgan, Nathalie Croteau, Barbara Daigneault, Anne-Marie Edward, Maud Haviernick, Maryse Laganier, Maryse Leclair, Anne-Marie Lemay, Sonia Pelletier, Michele Richard, Annie St.-Arneault, Annie Turcotte, and Barbara Klucznik Widajewicz.

Kassia Ferguson, *Mechatronics and Robotics*

Buu and Helen Lam Entrance Award

An annual award established in 2019 by Buu and Helen Lam. Buu is a BCIT Alumni who greatly benefitted from his education at BCIT, first in computing and later in business. Buu believes in a future of increasing technology careers where women must have equal opportunity to thrive. This scholarship is awarded a woman pursuing the Computer Information Systems Administration program.

Annette Beston, *Computer Information Systems Administration*

Elsie Boone/North Shore Lions Club Entrance Award

An endowment established in 1992 by the North Shore Lions Club through a bequest from the late Elsie Boone, a long-time teacher in North Vancouver who passed away in 1990. The award is designated to students registered with the BCIT Accessibility Services who are residents of Greater Vancouver, or the Howe Sound corridor with preference to students on the North Shore.

David Menary, *Computer Information Systems Administration*

FortisBC Entrance Awards

An annual award established in 2023 by FortisBC for students in the Chemical and Environmental Technology, Computer Information Systems Administration, Electrical Engineering, Industrial Instrumentation & Process Controls Technician, Industrial Network Cybersecurity, Mechanical Engineering, Metal Fabricator Foundation, Millwright Foundation, Piping Foundation, Power Engineering or Welder Foundation programs.

Katrina Meister, *Chemical and Environmental Technology*

Madeline Robinson, *Mechanical Engineering Technology*

Gene Haas Scholarships

An annual award established in 2014. This award is funded by the Gene Haas Foundation and will provide multiple awards and bursaries for students in the CNC Machinist, Machinist Foundation, Mechanical Engineering and Technology Teacher programs.

Daphne Chong, *Machinist Foundation*

Harrison Davidson-Brown, *CNC Machinist Technician*

Nadia Mahamoor, *CNC Machinist Technician*

Jiro Hamaguchi Memorial Entrance Award

An endowment established in 1999 by the family in memory of Jiro Hamaguchi, a 1970 graduate of BCIT's Electronic Engineering Technology program.

Anita Huang, *Electrical and Computer Engineering Technology*

Kaiser Foundation for Higher Education Entrance Award

An endowment established in 1999 for students entering one of the following programs: Computer Information Systems Technician; Electrical and Computer Engineering Technology; Electrical Foundation; Electronics Technician Common Core; Industrial Instrumentation and Controls Technician; Security Systems Technician; Telecommunications Technician; or Wireless Communications Technician.

William Spring, *Electrical and Computer Engineering Technology*

Rick Sawatzky Memorial Entrance Award

An endowment established in 2003 by the friends of Rick Sawatzky. The entrance award is for a student in any eligible Trades training program, with preference given to students from School District #35 [Langley].

Elijah Rogerson, Computer Information Systems Administration

BCIT President's Entrance Award

An annual award established by BCIT for a student in any eligible program.

Marek Dick, Mechanical Engineering Technology

Matthew Gray, Electrical and Computer Engineering Technology,

Aidan Thomson, Mechanical Engineering Technology

Jack and Darlene Poole Foundation Women in Engineering Award

An annual award established by Jack and Darlene Poole Foundation for women in Engineering programs.

Anita Huang, Electrical and Computer Engineering Technology

Jack and Darlene Poole Foundation Women in Engineering Bursary

An annual award established by Jack and Darlene Poole Foundation for women in Engineering programs.

Maansi Lamba, Electrical and Computer Engineering Technology

Samantha Stanley, Mechanical Engineering Technology

This award has strengthened my belief in the importance of leadership and has encouraged me to seek opportunities to make a significant difference in my community.

- Ogechukwu Edoka

SCHOOL OF HEALTH SCIENCES

BC Radiological Society Entrance Award in Diagnostic Medical Sonography

An annual award established in 2001. The British Columbia Radiological Society [BCRS] is a non-profit organization that represents the Radiologists who practice in the province of BC in pursuit of delivering the highest quality of patient care through the provision of world class diagnostic imaging services.

Alhan Zarei, Diagnostic Medical Sonography - General & Cardiac Sonography Option

BC Radiological Society Entrance Award in Medical Radiography

An annual award established in 2001. The British Columbia Radiological Society [BCRS] is a non-profit organization that represents the Radiologists who practice in the province of BC in pursuit of delivering the highest quality of patient care through the provision of world class diagnostic imaging services.

Ona Murray Price, Medical Radiography

BCIT Alumni Association Entrance Award

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Daniel Ship, Medical Radiography

Amy Rawlings, Clinical Genetics Technology

Hannah Smith, Diagnostic Medical Sonography - General & Cardiac Sonography Option

BCIT Board of Governors Entrance Awards for Baccalaureate Degrees

An annual award established in 1997 by BCIT for students entering a bachelor's degree program.

Tandeep Brar, Radiation Therapy

Taylor Evans, Radiation Therapy

Harleen Johal, Radiation Therapy

BTY's Indigenous Student Award

An annual award established by BTY Consultancy Group Inc. for students entering the Diagnostic Medical Sonography program.

Rachael Unruh, Diagnostic Medical Sonography - General & Cardiac Sonography Option

Currey Family Entrance Award

An annual award established by the Currey Family for students entering Trades programs.

Ogechukwu Edoka, Nursing

Polina Timofeeva, Nursing

Dr. John Blatherwick Entrance Award

An endowment established in 2007 with funds raised by friends and colleagues of Dr. John Blatherwick in honour of his retirement in 2007 as Chief Medical Officer for the Vancouver Coastal Health Authority. Dr. Blatherwick has been an inspirational and important leader in the development of public health in British Columbia and a long-standing supporter of Public Health Inspectors and the Environmental Health program at BCIT.

Harshal Patil, Environmental Public Health

An endowed award established in 2024 by C. Russell Cmolik and the Cmolik Foundation in honour of former BCIT President Kathy Kinloch for students in the Bachelor of Science in Nursing program.

Sarah Godfrey, Nursing

Shucong Wang, Nursing

Ogechukwu Edoka, Nursing

Polina Timofeeva, Nursing

Y.P. Heung Foundation Entrance Awards

An annual award established by Y.P. Heung Foundation in support of students entering Bachelor of Science and Bachelor of Technology programs.

Shirin Anjarwalla, Nursing

Ravneet Kaur, Environmental Public Health

Eli Wang, Radiation Therapy

BCIT President's Entrance Award

An annual award established by BCIT for a student in any eligible program.

Munsimran Samra, Medical Radiography

SCHOOL OF TRANSPORTATION

Avcorp Industries Inc. Entrance Award

An endowment established in 2006. Avcorp designs and builds major airframe structures. They have a proven track record for applying the latest lean manufacturing principles and engineering design solutions to provide the highest quality, reliable delivery and target cost for their customers.

Michelle Abbott, Aircraft Maintenance Engineer Category 'E' [Electronics]

Canadian Airlines Employees' Entrance Award

An endowment established in 2009 for students entering an eligible, full-time Aerospace program, who are either a former Canadian Airlines [or Regional Airlines] employee or their descendants.

Marc Manlulu, *Aviation Management and Operations*

Canadian Museum of Flight Association, Stan Vivian Memorial Entrance Award

An endowment established in 2000 for students entering the Aircraft Maintenance Engineer program. The award was established by the Canadian Museum of Flight Association and his widow, Nancy Vivian, to honour the memory of Stan Vivian, a member of the association and long-time employee of Canadian Pacific Airlines. Mr. Vivian perished in an airplane collision in 1999.

Arwyn Carswell, *Aircraft Maintenance Engineering Category M [Maintenance]*

CIBC Aerospace Entrance Award

An endowment established in 2004. The Canadian Bank of Commerce [established 1867] and the Imperial Bank of Canada [established 1875] merged to form the Canadian Imperial Bank of Commerce [CIBC]. CIBC is a leading North American financial institution with personal banking and business clients, with branches and offices across Canada, in the United States and around the world.

Chloe Kei, *Aviation Management and Operations*

David Lloyd Entrance Awards

An endowment established in 1993 by the late Mr. Al Lloyd in honour of his son David. Mr. Lloyd was a long-time Pender Harbour resident who passed away in June 1999. He was actively involved in a number of school programs, a school trustee and an active supporter of students. His goal to provide opportunities for students from the Sunshine Coast has been achieved through this endowment and is a legacy to his commitment to students.

Dominik Nikodem, *Bridge Watch Rating*

Drew Malmberg Memorial Entrance Award

An endowment established in 1999 by family and friends in loving memory of Drew Malmberg, a 1998 graduate of BCIT's Robotics and Automation program. Drew perished in a helicopter accident on July 4, 1999 while working in the logging industry.

Sarah Moore, *Aircraft Maintenance Engineering Category M [Maintenance]*

Jordan McIlldoon Memorial Award

An endowed award established by Alan and Angela McIlldoon for students in any eligible Trades program, with a preference for Heavy Duty Equipment.

Juan Cuenca, *Heavy Mechanical Trades Foundation*

Mosaic Forestry Entrance Award

An endowed award established by the Mosaic Forest Management for students in the Forest and Natural Areas Management program.

Karsten Brewka, *Aviation Management and Operations*

New Car Dealers Foundation of BC Awards

An endowed award established for students in the Automotive Technician Foundation Certificate or the Automotive Service Technician & Operations programs.

Nathan Thomson, *Automotive Technician Foundation*

Sarah Wiebe, *Automotive Technician Foundation*

Pacific Foundation of Applied Technology, Les Redford Memorial Entrance Award

An endowed award established by the Pacific Foundation of Applied Technology in memory of Les Redford for students in any eligible program.

Charles Way, *Aircraft Maintenance Engineering Category M [Maintenance]*

Port of Vancouver Entrance Award in Memory of Richard C. Pearce

An annual award established in 2003 in memory of Richard C. Pearce. Port of Vancouver is Canada's largest and busiest port, a dynamic gateway for domestic and international trade and tourism, and a major economic force that strengthens the Canadian economy. They are also a port with a history of commitment to the environment, to their operating communities, and to innovation.

Tully Ivany, *Marine Engineering*

Pratt & Whitney Canada Entrance Award

An endowment established in 2009. Pratt & Whitney Canada is a world leader in the design, manufacture and service of aircraft engines powering business, general aviation and regional aircraft and helicopters. They have pioneered many engine development breakthroughs and continue to write new chapters in aviation. The annual interest provides bursaries and entrance awards to students in one of: Aircraft Maintenance Engineer Category 'M' or 'E' (Avionics), or Aircraft Gas Turbine Technician.

Michelle Abbott, *Aircraft Maintenance Engineer Category 'E' [Electronics]*

Sheng Feng, *Aircraft Maintenance Engineering Category M [Maintenance]*

Richmond Chamber of Commerce Entrance Award

An endowment established in 1995 with matching funds from the Government of British Columbia for a Richmond, BC high school graduate whose permanent residence is in Richmond, and is entering an eligible BCIT Aerospace program.

Chloe Kei, *Aviation Management and Operations*

Saoirse Sankey Memorial Award for Women in Trades

This annual award established in 2015 honours Saoirse's passion for working with metal and her uncompromising commitment to social justice. In entering the trades, Saoirse had the support of family and friends to resist and rise above the challenges of class, gender discrimination and homophobia. Through this award Saoirse's legacy lives on, enabling and inspiring other women to live their lives authentically and courageously.

Sarah Wiebe, *Automotive Technician Foundation*

Scotiabank Aerospace Entrance Award

An endowment established in 2006. Scotiabank provides a broad range of retail, commercial, corporate, investment and international banking services. Their core businesses include Domestic Banking [including Wealth Management], International Banking and Scotia Capital. The interest on this endowment is awarded to a student entering any full-time, eligible aerospace program.

Chloe Kei, *Aviation Management and Operations*

Tracey Horsman Memorial Entrance Award

An endowment established in 2016 in loving memory of Tracey, a graduate of BCIT's Aviation Program (1977). Tracey's training, his ability and his determination regardless of context enabled him to travel the world; his participation as one of five Vancouver Island Helicopter crew members in the only Canadian helicopter assigned to fly disaster assistance to earthquake survivors in Pakistan (2005) exemplifies at its finest the importance of his work. Likewise, in his private life, Tracey gave generously of his time with no expectation of recognition. On behalf of Tracey, his family emphasizes their appreciation to Vancouver Island Helicopters for their contribution to this endowment.

Arwyn Carswell, Aircraft Maintenance Engineering Category M [Maintenance]

Aerospace Entrance Award

An endowed award established for students in the Aerospace programs.

Arwyn Carswell, Aircraft Maintenance Engineering Category M [Maintenance]

Sheng Feng, Aircraft Maintenance Engineering Category M [Maintenance]

ENTRANCE BURSARIES

SCHOOL OF CONSTRUCTION AND THE ENVIRONMENT

Dr. She and Dr. Chan Entrance Bursary

An annual award established in 2023 by Dr. Elaine She and Dr. Andrew Chan for students from Vancouver Technical Secondary, Britannia Secondary and Templeton Secondary schools entering eligible Trades or Diploma programs.

Allan Dam, Mineral Exploration and Mining Technology

Michael Caleb del Mundo, *Master of Applied Science in Building Engineering/Building Science*

BC Land Surveyors Foundation, G.M. Thomson Citizenship Award

Established in 2013, the BC Land Surveyors Foundation, G.M. Thomson Citizenship Award is an annual in-term achievement award for a student in the Bachelor of Science in Geomatics degree program, based on achievement in levels 3 through 6, and citizenship criteria that mirror Mr. Thomson's greatest personal attributes – providing leadership, contributing freely to others, and exceeding reasonable expectations, with selection by the program faculty. The recipient would typically be known to be a helpful mentor and supporter of fellow students, would promote the program, and be generally recognized as a student leader with strong personal character traits.

Denzel Mohamed, *Geomatics Engineering Technology*

BC Land Surveyors Foundation, Gerry Andrews Memorial Award

An endowment established in 1996 and renamed in 2006 in honour of Gerry Andrews, the longest serving survey general in BC [1951-1968]. Gerry was a specialist in the development of air photo intelligence and photogrammetry and had a significant role in developing the Eagle V cameras and in the advance surveys of the Normandy beaches during World War II. He was a teacher, forester, surveyor, engineer, author and artist, and the recipient of both the Order of British Columbia and the Order of Canada.

Thomas Flukiger, *Geomatics Engineering Technology*

BC Land Surveyors Foundation, Ray Chapman Memorial Award

An endowment established in 2007 by the Association of BC Land Surveyors to honour Ray Chapman, BCLS#270, who received his commission after the war in 1946. He served on the Board of Management of the Corporation of BC Land Surveyors, was president in 1963, and was made a life member in 1981. He worked as a BC Land Surveyor for 61 years. Ray's son Bill, also a land surveyor, suggests that if his dad was present today he probably would encourage students to practice the simple rules that go hand-in-hand with the land surveyors' oath – to stay true, be honest to yourself, never deviate from sound survey practice, do not cut corners to save a dollar, finish your jobs, treat your employees fairly, and be sensitive and wise with your clients.

The-kiet Tran, *Bachelor of Science in Geomatics*

Thank you for investing in my future and for encouraging women in architectural and building technology.

- Lauren Ashlee

BC Land Surveyors Foundation, W.N. Papove Sr. Memorial Award

An endowment established in 2007 by the Association of BC Land Surveyors to honour Bill Papove [BCLS #266] who became a BC Land Surveyor in 1941, a Dominion Land Surveyor in 1945, and an Alberta Land Surveyor in 1946. He was also qualified as a Professional Engineer in BC and in Washington State. In his early career he worked on hydro electric projects in BC, Saskatchewan, and the North West Territories. He completed a major survey of the right of way for the Alaska Highway; was involved in the B.C./Alberta/Territories boundaries and the land settlement surveys of the Doukoubour lands in the Kootenays. He was also Chief Surveyor for the Meekong River mapping project in the early 1960's and was on various consulting missions to South America and Africa on behalf of the Federal Government and United Nations agencies. Bill was Chair of the BCIT Surveying Advisory Committee in the early 1970's and was elected a life member of the Association of BC Land Surveyors in 1978. Bill Papove, once on a task, never wavered in his dedication to it.

Yingdi Chen, Geomatics Engineering Technology

BCIT International Student Award

An annual award established by BCIT International for students in any eligible program.

Kuan-Chieh Lu, Architectural and Building Technology

ETRO Construction Award

An annual award established by ETRO Construction for students in Economics and Construction Operations option for Architectural and Building Technology program. ETRO Construction is one of Canada's fastest-growing construction companies, delivering exceptional projects in an ever-changing construction market. Since its inception in 2015, ETRO continues to challenge status quo. Technology, a new generation of construction professionals, and a desire to do things differently forever innovate how we build. We're looking to award brightest, up-and-coming individuals who will be entering construction industry, and have proven themselves as innovators and leaders in their programs.

Rebecca Zhao, Architectural and Building Technology

Fraser River Pile & Dredge [GP] Inc. Award

An endowment established in 2006. Fraser River Pile and Dredge [GP] Inc. [FRPD] was incorporated in Alberta in 2008, and is a successor company to Fraser River Pile Driving Company (founded in 1911). FRPD is Canada's largest marine construction and dredging contractor. They are privately owned with operations mainly in Western Canada and in the Northwest Territories. FRPD completes all types and sizes of marine construction, environmental remediation, dredging, and land foundation projects.

Michael Ashton, Geomatics Engineering Technology

Gary A. Barr and Derek S. Mann Memorial Award

An endowed established in 1975 in memory of Gary Barr, a former student, and Derek Mann, an instructor in Building Technology.

Stephanie Cunliffe, Architectural and Building Technology

George Bedwell Memorial Award

An endowment established in 2006. Fraser River Pile and Dredge (GP) Inc. [FRPD] was incorporated in Alberta in 2008, and is a successor company to Fraser River Pile Driving Company [founded in 1911]. FRPD is Canada's largest marine construction and dredging contractor. They are privately owned with operations mainly in Western Canada and in the Northwest Territories. FRPD completes all types and sizes of marine construction, environmental remediation, dredging, and land foundation projects.

Ryan Scott, *Geomatics Engineering Technology*

HCTF - McCubbing Awards

An annual award established in 2017 in honour of Don McCubbing. Don's legacy of academic and work achievements in fisheries biology and habitat restoration included many innovations in fisheries management. Don strongly believed in educating and training next generation of fisheries biologists. HCTF-McCubbing Scholarships are available for BCIT students pursuing studies in fisheries biology and/or aquatic ecosystem habitat restoration.

Elizabeth Hogg, *Bachelor of Science in Ecological Restoration*

Christy Hunter, *Bachelor of Science in Ecological Restoration*

Rebecca Gray, *Fish, Wildlife and Recreation*

Mia Hargrave, *Fish, Wildlife and Recreation*

H.R. (Bob) Chisholm Memorial Award

An endowment established in 1985 by faculty, friends and colleagues in memory of Bob Chisholm, former department head of Renewable Resources.

Tanya Steinauer, *Forest and Natural Areas Management*

Jim Klipa Memorial Award

An endowed award established in 2001 by family, friends and colleagues of Jim Klipa, a faculty member in BCIT's Architectural and Building Engineering Technology who passed away suddenly September 24, 2001. Jim cared for his students a great deal and received great satisfaction in seeing them succeed at school and later in their careers.

Jillian Ragan, *Architectural and Building Technology*

John Salisbury Memorial Award

An endowed award established in 2011 by Mr. John Salisbury. John was a long-time resident of Pender Harbour, BC on Sunshine Coast. He passed away in September 2011 at age of 85 years. It was education he received at BCIT taking night school courses in mining during 1970s and his great memories of former Mining instructor Moose Manifold that were his prime reasons for establishing John Salisbury endowed award to support students in BCIT's Mineral Exploration and Mining Technology program.

Francisco Montenegro, *Mineral Exploration and Mining Technology*

Kindred Construction Awards

An annual award established in 2014 by Kindred Construction Ltd. Kindred is a leading mid-sized construction management and general contracting firm active throughout the Lower Mainland, Whistler/Sea-to-Sky and Calgary markets. Kindred services commercial, institutional and residential sectors. The team is comprised of passionate, industry leading experts delivering exceptional projects. Kindred provides a fun, collaborative and professional environment with a foundation of continuous learning and a focus on ultimate customer service and satisfaction.

Rebecca Zhao, *Architectural and Building Technology*

Ledcor 60th Anniversary Award

An endowed award established in 2008 to commemorate 60 years of construction excellence. Employee-owned, with a broad portfolio throughout North America, Ledcor Group of Companies was founded in 1947 with roots firmly planted in 'oil patch'. Ledcor expanded geographically and diversified into building and industrial sectors, with six construction divisions - Commercial Building, Heavy Civil, Industrial, Mining, Pipeline and Telecommunications.

Daniel Chen, *Architectural and Building Technology*

Quentin Vandergaag, *Architectural and Building Technology*

Ledcor Construction Limited Awards

An annual award established in 2006 is presented to a student in the Architectural & Building Engineering Technology program who is entering the Economics Construction Operations Option in second year.

Eunjung Kim, *Architectural and Building Technology*

Ledcor Group of Companies, Trevor Korol Memorial Award

An endowed established in 2012 in memory of Trevor Korol, who was a valued employee with Ledcor Group of Companies. Tragically Trevor passed away in a plane crash in March 2008. This endowed award was set up by his colleagues to honour his memory and provides an in-term award to a Civil Engineering student who has displayed academic achievement and involvement /leadership in community and amongst his/her peers.

Nicolas Beaulieu, *Bachelor of Engineering in Civil Engineering*

Joshua Johnson, *Bachelor of Engineering in Civil Engineering*

Izack Ginter, *Bachelor of Engineering in Civil Engineering*

Mark Angelo Award

An endowed award established in 2013 funded principally by Real Estate Foundation of BC, alumni, and friends and colleagues of Mark Angelo in his honour. Mark was a long standing employee of British Columbia Institute of Technology, who retired in 2011 after 37 years of service. purpose of fund is to provide financial support to students who embody ideals that define Mark Angelo-integrity, ethics, good citizenship, concern for our environment and friends and family. In 2025, BCIT conferred Mark Angelo with Honourary Doctorate of Technology.

Braeden Hallam, *Fish, Wildlife and Recreation*

Marshall J. Heinekey Civil Engineering Award

An endowed award established in 1994 by Marshall Heinekey, longtime employee and supporter of BCIT. Mr. Heinekey graduated from BCIT in Civil and Structural Technology in 1975 and spent 30 years in various roles at BCIT. He was an instructor, a director, and Dean. He also took on the role of acting Vice President of Education until his retirement in 2006. During his tenure he helped implement national accreditation for 21 BCIT programs and was instrumental in establishing BCIT's Civil Engineering program as the first Bachelor of Engineering credential at BCIT. His lifelong passion for supporting students is represented by this award.

Karnish Aggarwal, *Bachelor of Engineering in Civil Engineering*

Matson, Peck & Topliss, R.J. Peck Memorial Award

An annual award established in 2005 to honour the memory of company founding member, Robert Peck.

Francis Ang, *Geomatics Engineering Technology*

Midwest Surveys Award

An annual award established in 2007. Midwest Surveys is a professional services firm, specializing in geomatics and engineering in Western Canada. Midwest Surveys prides itself on being a well-established ethical company that delivers value to clients, employees and shareholders.

Marc Schroter, *Bachelor of Science in Geomatics*

Northern Group of British Columbia Land Surveyors Scholarship

An annual award established in 2007. Midwest Surveys is a professional services firm, specializing in geomatics and engineering in Western Canada. Midwest Surveys prides itself on being a well-established ethical company that delivers value to clients, employees and shareholders.

Yi Yung Joo, *Bachelor of Science in Geomatics*

Philip Gardner Memorial Award

This award was established in 2019 in memory of Philip Gardner. Philip was someone who could be described, in construction industry, as a master builder. Philip was hard working, honest and a supreme problem solver, who was passionate about striving for excellence in all that he did. His dedication to his craft of building is exemplified by many people he mentored along way. This award is given to 2nd year BCIT student in Civil & Structural program who best exhibits Philip's traits of leadership, ability to problem solve, is honest and is dedicated to his/her craft.

Patrick Ngo, *Bachelor of Engineering in Civil Engineering*

Jesse Dusange, *Bachelor of Engineering in Civil Engineering*

Jashendeep Mangat, *Bachelor of Engineering in Civil Engineering*

Public Works Inspectors Society Award

An endowed award established in 2014 by the Public Works Inspectors Society to recognize students studying in their field.

Tasha Lory, *Bachelor of Engineering in Civil Engineering*

RDH Building Science Awards

An annual award established in 2014. We have a passion for making buildings better. Whether it's as part of a design team for new construction projects or working with a condominium owner group to plan for renewal of building systems after 30 years of service, our focus is on helping clients make informed decisions that lead to durable and effective buildings.

Sukhjot Kaila, *Architectural and Building Technology*

Jaehyun Yeon, *Architectural and Building Technology*

Richard Charles Child Memorial Award

An endowment established in 1997 by Mrs. Dorothy Sweet, former employee of BCIT, in memory of her husband who was lost at sea aboard the Chelan, April 15, 1954.

Kristina Breit, *Fish, Wildlife and Recreation*

Society for Canadian Women in Science and Technology, Margaret Lowe Benston Memorial Award

An endowed award established in 1986 and renamed in 1991, in honor of Dr. Benston, a founding member and well-known chemist, computer scientist, theorist and activist.

Emma Hill, *Bachelor of Engineering in Civil Engineering*

Steve and Dorothy Sweet Memorial Award

An endowment was established in 2013 by the estate of Mrs. Dorothy Sweet, a former BCIT employee. The annual interest provides a First Year Scholarship and Graduating Award to students in the Fish, Wildlife and Recreation program.

Michael Sutherland, *Fish, Wildlife and Recreation*

Structural Engineers Association of British Columbia Award in Structural Engineering

An annual award established in 2008. The Structural Engineers Association of British Columbia [SEABC] is an association that promotes the interests of structural engineers in BC. Funding for this award is provided by the SEABC Certificate in Structural Engineering program.

Sharnjeet Mann, *Bachelor of Engineering in Civil Engineering*

Taseko Mines Limited Award

An endowment established in 2006. Taseko Mines Limited focused on operating and developing copper and gold mines. Its key assets, all located in BC, are: The Gibraltar Copper-Molybdenum Mine, the advanced stage Prosperity gold-copper project, and the Harmony gold project.

Logan Clegg, *Bachelor of Engineering in Mining & Mineral Resource Engineering*

Terry Mulligan Memorial Award

An endowed award established in 2017, the Terry Mulligan Memorial Award is an achievement award is presented to the second year student in the Mineral Exploration & Mining Technology program or the Mining & Mineral Resource Engineering program who, in the opinion of the faculty, best exemplifies the spirit and passion of Terry Mulligan, past-President & CEO of the Mining Suppliers Association of B.C. [MSABC]. Each year, the award recipient will be an engaging student who will not only have good academic standing but will also have had made a positive contribution to the broader campus life. This student will have a positive outlook on life, good sense of humour and be an example to their peers. MSABC comprises suppliers, contractors and consultants to the B.C. mining industry who are committed to promoting the sustainability of this valuable resource sector.

Logan Clegg, *Bachelor of Engineering in Mining & Mineral Resource Engineering*

Tom Reed Memorial Award

An annual award to a deserving student in civil engineering or the construction management program. Tom Reed worked in the BC road construction industry for 38 years. A self-taught leader, who attended BCIT for professional upgrading, Tom led many of the major improvements to public roadways, bridges and parkways in Metro Vancouver. Tom's commitment to teamwork, performance and excellence was recognized by industry. This annual award is a tribute to Tom's many contributions to BC's construction industry and is intended to support students preparing to start a career in construction.

Thomas van Popta, *Bachelor of Engineering in Civil Engineering*

Truck Loggers Association Award

An annual first year achievement award established in 2013 supporting students in Sustainable Resource Management program.

Joshua Bourassa, *Forest and Natural Areas Management*

Jillian Marshall, *Forest and Natural Areas Management*

UDI Development Industry Award

An endowment established in 2007 by former BCIT board chair Maureen Enser which provides first year achievement awards for students in any eligible, full-time construction related program at BCIT. The Urban Development Institute is a national non-profit association of the development industry and its related professions, concentrating its activities in government relations, professional development & education, and research.

Caleb Dewhurst, *Geomatics Engineering Technology*

Underhill Geomatics Ltd. Award

An endowed award established in 2019 by Underhill Geomatics Ltd. for students in the Geomatics programs.

Samuel Ryder, *Geomatics Engineering Technology*

UWCV Loch Centennial Award

An endowment established in 2007 by the University Women's Club of Vancouver.

Sharnjeet Mann, *Bachelor of Engineering in Civil Engineering*

Vancouver Regional Construction Association Award in Economics/ Construction Operations

An annual awards established in 1969 that became an endowed award in 1995. VRCA began in 1929 and represents general contractors, specialty trade contractors, manufacturers, suppliers and professionals active in construction industry in Lower Mainland and Fraser Valley. VRCA members are involved in all size operations from multi-national corporations to small owner/operator businesses.

Imanjot Kehal, *Architectural and Building Technology*

Camille Pennors, *Architectural and Building Technology*

Wales McLelland Construction Achievement Award

Wales McLelland proudly established this achievement award in 2020. Over its 50 years as a commercial/industrial builder, Wales McLelland has added many BCIT graduates to its team of industry leading experts in construction. This achievement award is a way of furthering advanced education in the construction industry in BC and is awarded to a student who demonstrates a high academic standing in the Architectural and Building Technology program.

Yejoo Eum, *Architectural and Building Technology*

Woodlot 0007 Achievement Award in Forest and Natural Areas Management

An annual award established in 1985. BCIT Forest Society has been managing Woodlot 0007 in Maple Ridge since 1985. Their mandate is to practice sustainable forest management on woodlot for benefit of BCIT students and public at large. This is an active woodlot where normal forestry operations occur, providing training programs and ongoing studies and research.

Katrina Rochon, *Forest and Natural Areas Management*

Jonathan Jakes, *Forest and Natural Areas Management*

Woodlot 0007 Achievement Award in Ecological Restoration

An annual award established in 1985. The BCIT Forest Society has been managing Woodlot 0007 in Maple Ridge since 1985. Their mandate is to practice sustainable forest management on the woodlot for the benefit of BCIT students and the public at large. This is an active woodlot where normal forestry operations occur, providing training programs and ongoing studies and research

Jill Franceschini, *Bachelor of Science in Ecological Restoration*

Woodlot 0007 Achievement Award in Fish, Wildlife and Recreation

An annual award established in 1985. The BCIT Forest Society has been managing Woodlot 0007 in Maple Ridge since 1985. Their mandate is to practice sustainable forest management on the woodlot for the benefit of BCIT students and the public at large. This is an active woodlot where normal forestry operations occur, providing training programs and ongoing studies and research.

Christopher Cail, *Fish, Wildlife and Recreation*

Zoe Longeway-Lewis Memorial Award

An endowed award established in 2015 in memory of Zoe Longeway-Lewis for students in the Fish, Wildlife and Recreation program.

Annie Dales, *Fish, Wildlife and Recreation*

SCHOOL OF ENERGY

ASHRAE, BC Chapter Award

An annual award established in 1989. ASHRAE has a mission of advancing heating, ventilation, air conditioning and refrigeration to serve humanity and promote a sustainable world through research, standards writing, publishing and continuing education.

Eun Soo Kim, *Mechanical Engineering Technology - Mechanical Systems*

BC Hydro Awards

An annual award established in 2008 for students in Engineering programs.

Kui Sang Leung, *Electrical and Computer Engineering Technology - Electrical Power and Industrial Control Option*

Yan Yiu Li, *Electrical and Computer Engineering Technology - Electrical Power and Industrial Control Option*

Quinn Hallett, *Electrical and Computer Engineering Technology - Telecommunications and Networks Option*

BCIT Alumni Association Award

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Ayden Meinhardt, *Mechatronics and Robotics*

BCIT International Student Award

An annual award established by BCIT International for students in any eligible program.

Sirasit Jirasakulpeeti, *Electrical and Computer Engineering Technology - Automation and Instrumentation Option*

BCIT John Watson Student Leadership Award

An endowment established in 1995 by faculty, staff and colleagues in honor of John Watson, BCIT President from 1989-1995.

Damian Stark, *CNC Machinist Technician*

BCIT Legacy of Learning Memorial Award

An endowment established in 2008. The Legacy of Learning Memorial Endowment was established to honour the following faculty, staff and friends of BCIT: Ernie W. Brown [former Dean of the School of Business who passed away in 1979] Andre Gutfrued [second year Administrative Management student who passed away in November 1978] Frank T. Cassetta [BCIT Forestry Instructor who passed away January 14, 1991] Armand Paris [BCIT Mathematics Department instructor who passed away in 1981] James Etches [a mechanic by trade who passed away in 1995. Family, friends and colleagues contributed to the endowment in his memory] Jonathan Andrew Harrold Fisher [a 2007 Piping ELTT student who passed away suddenly March 29, 2009] Ryan Schlyecher [former BCIT Tourism instructor who passed away in 1982] Edward C. Duemo [An employee of CAE Machinery Ltd. Funds were contributed by CAE Machinery Ltd. and its employees to honor Mr. Duemo's years of service] R.B. [Barney] Phillips [Barney Phillips founded Yukon Southern Airlines in the 1930's which became Canadian Pacific Airlines, which subsequently has become integrated into the major Canadian and international airline industry. Funds were contributed in 1988 by his sons Bill and John Phillips in memory of their father.]

Munho Kim, *Industrial Network Cybersecurity*

BCIT Pioneers Club Award

An endowment established in 1996 by the founding staff and faculty of BCIT.

Ankun Zhang, *Electrical and Computer Engineering Technology - Electrical Power and Industrial Control Option*

BGIS Award

An endowed established in 1998 for students in Automation and Instrumentation, Architectural and Building Engineering Technology, and Financial Management.

Jeonghun Kim, *Electrical and Computer Engineering Technology - Automation and Instrumentation Option*

C.I.A.A. – Trant Family Award

An endowment established in 1998 by Peter Trant and his father, the late Geoffrey Trant. Peter retired from BCIT in 2009 after instructing in the TTED Program for 44 years. Geoffrey was a mechanical engineer who became a career education administrator having a strong interest in technical education.

Kaden Powell, *Technology Teacher Education*

Gene Haas Scholarships

An annual award established in 2014. This award is funded by the Gene Haas Foundation and will provide multiple awards and bursaries for students in the CNC Machinist, Machinist Foundation, Mechanical Engineering and Technology Teacher programs.

Carlos Rengifo, *Bachelor of Engineering in Mechanical Engineering*

Wyndham Wiebe, *CNC Machinist Technician*

Guo Tran, *CNC Machinist Technician*

Bosco Wong, *CNC Machinist Technician*

Brayden Smith, *CNC Machinist Technician*

Carlos Cesar Zolotar Lahmeyer Duval, *Mechanical Engineering Technology - Mechanical Design*

Carmon Schmidt, *Technology Teacher Education*

Gordon Yuen Memorial Award

An endowment established in 2007 by the family of Gordon Yuen. He had completed two year's of BCIT's Mechanical Engineering Technology program when he was in a fatal automobile accident in his home town of Port Alberni on July 11, 2007, where he was spending the summer working for the Sprat Lake Marine Patrol. Gordon was a well-known and popular resident of Nisga'a House at BCIT's Maquinna Residence for two years. This award was established by his family in loving memory of their son and brother.

Laryssa Clark, *Mechanical Engineering Technology - Manufacturing*

Heather Mathieson Memorial Award

An endowment established in 2006 by the faculty, family, friends and colleagues in memory of Heather Mathieson. She worked at BCIT for 18 years in the School of Manufacturing, Electronics and Industrial Processes and was greatly respected by all who knew and worked with her. She was diagnosed with and battled breast cancer before passing away in 2005. This fund honors the memory of Heather and her love of academia.

Alvin John Bau, *Electrical and Computer Engineering Technology - Telecommunications and Networks Option*

Jacobs Canada Inc. Award

An annual award established in 1981 and is now funded through an endowment created in 1991. Jacobs is one of the world's largest and most diverse providers of professional technical services. They offer full-spectrum support to industrial, commercial, and government clients across multiple markets. Services include scientific and specialty consulting as well as all aspects of engineering and construction, and operations and maintenance.

Sung-Gyu Sukei Lee, *Mechanical Engineering Technology - Mechanical Design*

Malcolm C. J. Wickson Memorial Award

An endowed award established in 1988 to honour late Malcolm Wickson, former chairman of BCIT Board of Governors.

Deval Malhotra, *Industrial Network Cybersecurity*

Norman Springate Memorial Award

An endowment established in 1991 by Freda Springate in memory of her husband who was head of a plywood and sawmill consulting business working cooperatively with BCIT.

Maninder Kailay, *Chemical and Environmental Technology*

Robert B. Wells and Family Award

An endowed award established by Robert B. Wells, BCIT Alumni Association president, Robert Wells [Administrative Management, 1973] for students in the Bachelor of Engineering in Electrical Engineering and/or Bachelor of Engineering in Mechanical Engineering programs.

Taewoo Kim, *Bachelor of Engineering in Electrical Engineering*,
Christopher Vahi, *Bachelor of Engineering in Mechanical Engineering*

Robert Deverall Chemical and Environmental Technology Scholarship - First Year Achievement Award

An annual award established in 2014. This scholarship is funded by CCIL - Canadian Council of Independent Laboratories to honour Robert (Rob) Deverall who was active in the environmental testing business for over 35 years. He is a graduate of BCIT, so it is his wish that students attending this institution be the recipients of these scholarships.

Cody Chan, *Chemical and Environmental Technology*

Rory McGillivray Memorial Achievement Award

An endowed award established in 2020 by Judith McGillivray in memory of Rory McGillivray for students in the CNC Machinist Technician program.

Gregory Adams, *CNC Machinist Technician*

Solaris Management Consultants Inc. Awards

An annual award established in 2006. Established in 1993, Solaris Management Consultants Inc. is an engineering, procurement and construction management company, servicing the oil & gas and petroleum industries.

Kyle Genereux, *Electrical and Computer Engineering Technology - Electrical Power and Industrial Control Option*

Mackenzie Wong, *Mechanical Engineering Technology - Mechanical Design*

UDI Development Industry Award

An endowment established in 2007 by former BCIT board chair Maureen Enser which provides first year achievement awards for students in any eligible, full-time construction related program at BCIT. The Urban Development Institute is a national non-profit association of the development industry and its related professions, concentrating its activities in government relations, professional development & education, and research.

Quang Dat Nguyen, *Chemical and Environmental Technology*

This award is not just financial assistance; it is a reminder that my aspirations are valid and valued.

- Jose Miguel D. Tiongson

SCHOOL OF HEALTH SCIENCES

ABM Future Leaders Fellowship Award

An annual award established by Applied Biological Materials Inc. for students in the Biotechnology program.

Elena Yu, Honours in Biotechnology

Angela Mazzocato Memorial Award

An endowment established in 1989 by family, friends and colleagues in memory of Angela Mazzocato (nee Collins), former BCIT Nursing instructor who passed away September 23, 1989. Angela had a very positive influence on the education of a great number of student nurses during her 17 years as a faculty member. Her Memorial Fund honours the contributions of a dedicated nurse, educator, colleague and friend.

Ethan Lee, Bachelor of Science in Nursing

Catherine Yip, Bachelor of Science in Nursing

BC Association of Laboratory Physicians Award

An endowment established in 2000. The BCALP represents the business and economic interests of the section of Laboratory Medicine within the British Columbia Medical Association. Their members are medical doctors with specialty certificates in Laboratory Medicine and their expertise includes all aspects of laboratory testing and its application to patient care.

Danica Drummond, Medical Laboratory Science

BC Food Technologists, J. Phillips and J. Hedding Leadership Award

An endowment established in 2009 by Mr. Jerry Hedding and the BC Food Technologists (BCFT), created to recognize the long-standing contributions of Messrs. Phillips and Hedding to BCFT and the BC food industry. First preference for the award is for a student who is a member of and shows leadership with the BC Food Technologists Association.

Lai Man Ma, Food Technology

BCIT Alumni Association Award

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Rhylie Balkwill, Medical Laboratory Science

BCIT Biotechnology Award

An annual award established by BCIT for students in the Biotechnology program.

Leyi Chen, Honours in Biotechnology

BCIT International Student Award

An annual award established by BCIT International for students in any eligible program.

Lai Man Ma, Food Technology

BCIT Medical Radiography Award for Teamwork

An annual award established in 1997 by BCIT and awarded to a graduate on the recommendation of faculty for outstanding achievement in the program.

Oriana Ferrie, Medical Radiography

British Columbia Masonic Foundation Award

An endowed award established in 2002. Freemasonry is a fraternity designed to teach morality and ethics, and train good men to make themselves of service to themselves, their families and their communities.

Chandni Sahota, Nuclear Medicine

CIPHI, BC Branch, Bob Herbison Memorial Award

An endowment established in 1997 to honour Bob Herbison's work as a lifetime member. CIPHI advances the profession, science and the field of environmental public health through certification, advocacy, education, and setting of standards. They protect the health of Canadians and represent environmental public health professionals across Canada.

Tushar Dhingra, Bachelor of Environmental Public Health

Daphne Sabourin Memorial Award for Excellence in Bedside Nursing

An endowment established in 1997 by James Sabourin in memory of his wife who passed away in January 1996 at the age of 72 years. She often commented on the loving care and quality of bedside nursing she received, which helped prompt James to perpetuate her memory by assisting students who have demonstrated high achievement in bedside nursing care during their training at BCIT.

Hannah Hardy, Bachelor of Science in Nursing

Elizabeth D. Mackie Memorial Award

An endowment established in 1996 by Margaret Pringle in memory of her sister. Elizabeth ("Betty") had gone to school at the VGH Nursing School. After passing her finals to become an RN, she was told she had contracted tuberculosis and could not attend her graduation ceremony. She spent two years in hospital and was never able to practice nursing. She married Jim Mackie who was a paraplegic, an athlete and an inventor. When Miss Pringle passed away in 2004 she bequeathed a substantial sum to the endowment. It was very important to Miss Pringle that the recipients demonstrate a caring attitude.

Taylor Stilin, Bachelor of Science in Nursing

Julia Mason, Bachelor of Science in Nursing

Jaqueline Milloy, Bachelor of Science in Nursing

Phoebe Joyce, Bachelor of Science in Nursing

Enns Family Award in Biotechnology

An endowment established in 2006 by Don Enns and his family to support students in the joint UBC/BCIT Bachelor of Science (Honours) degree in Biotechnology. Don is President and CEO of Northern Lipids Inc. and former president of CANTEST Ltd. and LifeSciences BC. He is also a former BCIT Foundation director who wanted to do something for students that would make a lasting difference.

Yuying Jin, Honours in Biotechnology

Fran MacDonald Memorial Award

An endowment established in 2016 in memory of Fran MacDonald.

Colleen Nelligan, Bachelor of Science in Nursing

Joe & Gladys Woolsey and Sam Parrish & Gladys Cranke Memorial Award

An endowment established in 1996 by Lorraine Woolsey, former Program Head, Environmental Health, and her husband Jim in memory of his parents - Joe and Gladys Woolsey - and Sam Parrish and Gladys Cranke who were neighbours and lifelong family friends.

Sopisara Klaimanee, Bachelor of Environmental Public Health

Keith Scott Memorial Award

An endowment established in 1987 with contributions from Medical Laboratory Technicians, clinical staff, family and friends in memory of Keith Ernest Scott. Born Alberta in 1942, Keith passed away in an airplane accident near the Prince George airport on October 2, 1986. His family wishes all recipients of this award the very best in their futures.

Caleb Barrett, Biomedical Engineering Technology

Linda Cope Memorial Award

This endowment was established in 2019 in memory of Linda Cope, a former BCIT alumni (1974). The income from the endowment provides for an annual in-term achievement award which is given to a 2nd year student in the BCIT Medical Laboratory Science Program. This award recognizes a student's academic excellence and all-round achievement. Linda dedicated herself to sharing her knowledge and expertise in transfusion medicine through the training and mentorship of fellow transfusion laboratory technicians throughout her career. She is remembered for her passion to the profession and dedication to technical excellence in blood transfusion. This award honours and recognizes the importance of having well trained and skilled laboratory technicians in our communities.

Alexandria Jubinville, *Medical Laboratory Science*

London Drugs 60th Anniversary Award

An endowment established in 2007. London Drugs is 100 per cent Canadian owned with a focus on local customers' satisfaction. Across Alberta, Saskatchewan, Manitoba and BC, London Drugs' stores employ staff dedicated to providing customers with a superior shopping experience.

Ryback Steve Tan, *Bachelor of Science in Nursing*

Malcolm C. J. Wickson Memorial Award

An endowed award established in 1988 to honour late Malcolm Wickson, former chairman of BCIT Board of Governors.

Yin Lam Tam, *Occupational Health and Safety*

Margaret Sage Nursing Award

An endowed award established by Michael J. Sage in memory of Margaret Sage for a student in the Bachelor of Science in Nursing program.

Leo Miao, *Bachelor of Science in Nursing*

Marion Stevenson Memorial Award

An endowment established in 2010 by former BCIT Foundation Board Member and former CEO of Ritchie Bros. Auctioneers, Peter Blake, and his wife, Dr. Leslie Blake, in honour of Leslie's grandmother. This endowment was inspired by the support that Marion Stevenson provided to her granddaughter Leslie that assisted her in attaining her RN, BSN, Masters in Counselling Psychology and her Masters and PhD in Clinical Psychology.

Shenani Basnayake, *Bachelor of Science in Nursing*

Pacific Blue Cross Kenneth Martin Award

An annual award established in 2015 by Pacific Blue Cross, BC's largest and most trusted provider of health, dental and travel benefits. This award is named in honour of retired CEO, Kenneth Martin, in recognition of his contributions to PBC over his longstanding tenure. This award is provided to students in Health Life Sciences programs who have demonstrated leadership and community involvement.

Calista Galbraith-Hamilton, *Magnetic Resonance Imaging*

*The help does go a long way,
especially when I am going
through post secondary without
help from my parents.*

- Quentin Vandergaag

Stan Richards Memorial Award

An endowment established in 1986 by the late Stan Richards, former BCIT faculty member and Dean of the School of Health Sciences.

Jessica Jang, *Diagnostic Medical Sonography - General & Cardiac Sonography Option*

Sysmex Award in Medical Laboratory Science

An annual award established in 2010 presented to a BCIT Medical Laboratory Science student in the first year who has attained significant achievement in hematology courses MLSC 2114 & 3114. Sysmex is a world leader in the manufacture and distribution of hematology laboratory systems & solutions including automation and information systems.

Nicholas Carl Chan, *Medical Laboratory Science*

William E. Noel Memorial Award

An endowment established in 1982 by Bill Noel, former department head of Medical Imaging, and his wife Pat. Bill was with the Royal Canadian Navy and served in the Pacific during WWII. He was a long-time member of the Burnaby Power and Sale Squadron and actively involved in teaching new boaters. Alumni, friends and colleagues have honoured Bill's memory through donations to the William E. Noel Endowment Fund.

Kendra Lennie, *Medical Radiography*

SCHOOL OF TRANSPORTATION

BCIT Alumni Association Award

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Mario Andres Valencia Gomez, *Aviation Management and Operations*

BCIT International Award

An annual award established by BCIT International for students in any eligible program.

Mario Andres Valencia Gomez, *Aviation Management and Operations*

Captain Kevin Obermeyer Scholarship

An annual award established by Pacific Pilotage Authority in honour of Captain Kevin Obermeyer for students in the Nautical Sciences program.

Blaze Pihl, *Nautical Sciences*

Aidan Marr-Paine, *Nautical Sciences*

Owen Knudsen, *Nautical Sciences*

Jannik Woerz, *Nautical Sciences*

Nautical Professional Education Society of Canada Award

An annual award established by Nautical Professional Education Society for a student in the Nautical Sciences and Marine Engineering programs.

Jackson Marriott, *Nautical Sciences*

Pat Plouffe Memorial Award in Airport Operations

An endowment established in 2004 by family, friends and colleagues in memory of Pat Plouffe, a former employee of Eagle Airfield Ltd. in Ontario and a heavy equipment contractor who did considerable work for the Vancouver International Airport.

Kajal Rathore, *Aviation Management and Operations*

Sunbelt Rentals Achievement Award

An annual award established by Sunbelt Rentals of Canada Inc. for a student in the Heavy Duty Truck Technology program.

Isabella Calissi, Broadcast & Online Journalism

British Columbia Institute for Studies in International Trade Award for Excellence in Studies in International Trade

Asian Development Bank's 24th Annual Meeting of Board of Governors was held in Vancouver from April 14 to 26, 1991, first ever meeting to be held outside of Asia. A local group of leading business executives and cultural leaders founded Asian Development Business Seminar Society [ADBSS] to organize and stage a three-day conference in advance of Board of Governors meeting. The conference was so well put together, subscribed, funded, and supported that it closed with a positive bank balance, with remaining establishing the British Columbia Institute for Studies in International Trade [BCISIT] at BCIT and, later, annual British Columbia Institute for Studies in International Trade [BCISIT] Award for Excellence in International Trade Studies.

- Sirasit Jirasakulpeeti

Jill Vassallo Memorial Award

An endowed award established in 2009 by faculty member Dr. Kevin Wainwright and RG Properties. In 2011, endowed award was renamed in memory of Jill Vassallo, a BCIT Bachelor of Business Administration student and graduate of Marketing Communications [2010]. Jill passed away from Acute Lymphoblastic Leukemia on September 7, 2010, day she would have begun classes in BBA. Jill was just shy of her twentieth birthday. It had been her fourth battle with disease which first emerged at age of four. Known for her organizational and people skills, foundational skills she learned at BCIT helped Jill also learn importance of working with others. And while she enjoyed team management, her ability to be a leader was one of her greatest attributes. Jill lived spontaneously and never let a day go by where she didn't live life to fullest. During her long illness, Jill maintained a blog and kept connected with family, friends and classmates. She was an inspiring individual and this endowed award is dedicated to honour her spirit and her life. "I can laugh at anything and I'm always smiling. Jillian Vassallo".

Bridget Campbell, *Bachelor of Business Administration*

Jim and Isabel Verner Memorial Award

An annual award originally established in 1984 by former faculty member, Jim Verner, in memory of his wife. When Jim passed away in 2004, his family renamed award to honour him as well.

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Radoslaw Panowek, *Bachelor of Technology in Forensic Investigation - Digital Forensics and Cybersecurity*

BCIT Bachelor of Science in Applied Computer Science Academic Award

An annual award established by BCIT for a student in Bachelor of Science in Applied Computer Science program.

Jaskaran Chahal, *Bachelor of Science in Applied Computer Science - Games Development*

BCIT Bachelor of Science in Applied Computer Science Achievement Award

An annual award established by BCIT for a student in Bachelor of Science in Applied Computer Science program.

Jaskaran Chahal, *Bachelor of Science in Applied Computer Science - Games Development*

BCIT Bachelor of Technology Academic Award in Forensic Investigation

An annual award established by BCIT for a student in Bachelor of Technology in Forensic Investigation program.

Navisha Navisha, *Bachelor of Technology in Forensic Investigation - Digital Forensics and Cybersecurity*

BCIT Bachelor of Technology Achievement Award in Forensic Investigation

An annual award established by BCIT for a student in Bachelor of Technology in Forensic Investigation program.

Radoslaw Panowek, *Bachelor of Technology in Forensic Investigation - Digital Forensics and Cybersecurity*

BCIT Computer Information Technology Award

An annual award established by BCIT for a student in Computer Systems Technology program.

Henry Chang, Computer Information Technology

Deborah Lao, Computer Information Technology

BCIT Computer Systems Academic Award in Artificial Intelligence and Machine Learning

An annual award established by BCIT for a student in Computer Systems Technology program.

Lucas Angelozzi, Computer Systems Technology - Artificial Intelligence and Machine Learning

BCIT Computer Systems Academic Award in Client/Server

An annual award established by BCIT for a student in Computer Systems Technology program.

Michael Doswell, Computer Systems - Client Server

BCIT Computer Systems Academic Award in Cloud Computing

An annual award established by BCIT for a student in Computer Systems Technology program.

Gurpinder Kaur, Computer Systems Technology - Cloud Computing

BCIT Computer Systems Academic Award in Data Communications & Internetworking

An annual award established by BCIT for a student in Computer Systems Technology program.

Tak Chun Lok, Computer Systems - Data Communications and Internetworking

BCIT Computer Systems Academic Award in Database

An annual award established by BCIT for a student in Computer Systems Technology program.

Junyoung Lee, Computer Systems Technology - Database

BCIT Computer Systems Academic Award in Information Systems

An annual award established by BCIT for a student in Computer Systems Technology program.

Joe Lin, Computer Systems - Information Systems

BCIT Computer Systems Academic Award in Predictive Analytics

An annual award established by BCIT for a student in Computer Systems Technology program.

Corey McTavish, Computer Systems - Predictive Analytics

BCIT Computer Systems Academic Award in Programming Paradigms

An annual award established by BCIT for a student in Computer Systems Technology program.

Ruben Gill, Computer Systems Technology - Programming Paradigms

Yiwen Wang, Computer Systems - Programming Paradigms

BCIT Computer Systems Academic Award in Technical Programming

An annual award established by BCIT for a student in Computer Systems Technology program.

Alexander Gabl-Beausejour, Computer Systems Technology - Technical Programming

BCIT Computer Systems Academic Award in Web & Mobile

An annual award established by BCIT for a student in Computer Systems Technology program.

Brett Reader, Computer Systems Technology - Combined (Web and Mobile)

BCIT Computer Information Technology Academic Award

An annual award established by BCIT for a student in Computer Systems Technology program.

Henry Chang, Computer Information Technology

Deborah Lao, Computer Information Technology

BCIT Computer Systems Award in Artificial Intelligence and Machine Learning

An annual award established by BCIT for a student in Computer Systems Technology program.

Lucas Angelozzi, Computer Systems Technology - Artificial Intelligence and Machine Learning

BCIT Computer Systems Award in Cloud Computing

An annual award established by BCIT for a student in Computer Systems Technology program.

Gurpinder Kaur, Computer Systems Technology - Cloud Computing

BCIT Computer Systems Award in Data Communications & Internetworking

An annual award established by BCIT for a student in Computer Systems Technology program.

Tak Chun Lok, Computer Systems - Data Communications and Internetworking

Computer Systems Award in Database

An annual award established by BCIT for a student in Computer Systems Technology program.

Junyoung Lee, Computer Systems Technology - Database

BCIT Computer Systems Award in Information Systems

An annual award established by BCIT for a student in Computer Systems Technology program.

Joe Lin, Computer Systems - Information Systems

BCIT Computer Systems Award in Predictive Analytics

An annual award established by BCIT for a student in Computer Systems Technology program.

Corey McTavish, Computer Systems - Predictive Analytics

BCIT Computer Systems Award in Programming Paradigms

An annual award established by BCIT for a student in Computer Systems Technology program.

Ruben Gill, Computer Systems Technology - Programming Paradigms

BCIT Computer Systems Award in Technical Programming

An annual award established by BCIT for a student in Computer Systems Technology program.

Alexander Gabl-Beausejour, Computer Systems Technology - Technical Programming

BCIT Computer Systems Award in Web & Mobile

An annual award established by BCIT for a student in Computer Systems Technology program.

Brett Reader, Computer Systems Technology - Combined (Web and Mobile)

BCIT Computer Systems, Client/Server Award

An annual award established by BCIT for a student in Computer Systems Technology program.

Michael Doswell, Computer Systems - Client Server

BCIT Full Stack Web Development Academic Award

An annual award established by BCIT for a student in Full Stack Web Development program.

Tra my Nguyen, Full Stack Web Development

BCIT International Success Awards

An annual award established by BCIT International for students in any eligible program.

Yiwen Wang, *Computer Systems - Programming Paradigms*

Brian Anderson Memorial Award in Technical Programming

An endowed award established in memory of Brian Anderson to support graduates of Computer Systems Technology - Technical Programming.

Kira Yoon, *Computer Systems Technology - Technical Programming*

Dean's Award

An annual award established by BCIT for a student in any eligible School of Computing and Academic Studies programs.

Monica Bacatan, *Bachelor of Science in Applied Computer Science - Network Security Applications Development*

Min Ji Seo, *Computer Systems - Predictive Analytics*

Muskan Prashant Bhatia, *Front - End Web Developer*

Sophos Canada Award in Computer Systems Technology

An annual award established by BCIT for a student in Computer Systems Technology program.

Blaise Klein, *Computer Systems - Data Communications and Internetworking*

Superion Inc. Award

An annual award established in 2019 by Mike Burton. Mike is the CEO of Superion Inc. which is a Managed IT Services Provider based in Surrey, BC. In presenting this award, he is thrilled to give back, and lend a helping hand to the technical minds that will shape the future. This scholarship is awarded to a student with the greatest overall achievement within the Bachelor's of Technology Computer System's program.

Nicky Cheng, *Bachelor of Science in Applied Computer Science - Games Development*

Toshiba Mobile Computing Award

An endowed award established in 2005 for the Computer Systems Technology program.

Yiwen Wang, *Computer Systems - Programming Paradigms*

Zabierek Award of Innovation

An annual award established in 2022 by Arek & Brian Zabierek. Zabierek Twins graduated from BCIT in 2017 which allowed them to gain practical experience for sales industry, which they quickly took into their own entrepreneurial journey. Zabierek Award of Innovation is awarded to a student who provided most innovation and creativity while maintaining a strong GPA in Professional Sales program.

Tate Laxton-Coglon, *Marketing Management - Professional Sales*

This award strengthens my commitment to design solutions that not only meet today's needs but also protect resources for future generations.

- Karnish Aggarwal

SCHOOL OF CONSTRUCTION AND THE ENVIRONMENT

Architectural Institute of British Columbia Achievement Award

An annual award established in 1966 by Architectural Institute of British Columbia for students in Architecture programs.

Yejoo Eum, *Architectural & Building Technology*

Architectural Institute of British Columbia Achievement Award in Architectural Science

An annual award established in 1966 by Architectural Institute of British Columbia for students in Architectural Science programs.

Seyda Calimli, *Bachelor of Architectural Science*

Architectural Institute of British Columbia Achievement Award in Architecture

An annual award established in 1966 by Architectural Institute of British Columbia for students in Architecture programs.

Dylan Barton, *Architectural & Building Technology*

Architectural Institute of British Columbia Award in Architecture

An annual award established in 1966 by Architectural Institute of British Columbia for students in Architecture programs.

Yejoo Eum, *Architectural & Building Technology*

Architectural Institute of British Columbia Award in Architectural Science

An annual award established in 1966 by Architectural Institute of British Columbia for students in Architectural Science programs.

Arshia Nikseresht-Ahaki, *Bachelor of Architectural Science*

Association of BC Forest Professionals ForesTrust, Wayne Cochrane Memorial Award

An endowed award established in 1999 in memory of Association member Wayne Cochrane. Association of BC Forest Professionals is responsible for registering and regulating British Columbia's professional foresters and forest technologists and is largest professional forestry association in Canada.

Jonathan Jakes, *Forest and Natural Areas Management*

ASTTBC Award

An annual award established in 2001. Applied Science Technologists and Technicians of BC provides awards to students in ASTTBC recognized technology programs through ASTTBC Foundation.

Tristan Gueulette, *Civil Engineering Technology*

ASTTBC Building Designers Award

An annual award established in 2001. Applied Science Technologists and Technicians of BC provides awards to students in ASTTBC recognized technology programs through ASTTBC Foundation.

Daniel Chen, *Architectural & Building Technology*

ASTTBC/TD Insurance Meloche Monnex Award

An annual award established in 2015. Applied Science Technologists and Technicians of BC provides awards to students in ASTTBC recognized technology programs through ASTTBC Foundation. This award is supported by TD Insurance Meloche Monnex in recognition of company's longstanding partnership with ASTTBC.

Thomas Flukiger, *Geomatics Engineering Technology*

BA Blacktop Ltd. Award

An achievement award established in 2005, this award is presented to a graduate of Civil Engineering, based on achievement in Geotechnical courses in terms 3 and 4.

Mahikaa Sharma, *Civil Engineering Technology*

BC Building Envelope Council Education Foundation Graduating Achievement Award

An annual award established by BC Building Envelope Council Foundation for students in Architectural and Building Technology program.

Jaehyun Yeon, Architectural & Building Technology

BC Hydro Awards

An annual award established by BC Hydro in 2008 for students in Engineering programs.

Karnish Aggarwal, Civil Engineering Technology

BCIT Alumni Association Awards

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Samuel Ryder, Geomatics Engineering Technology

BCIT Architecture Academic Award

An annual award established by BCIT for a student in Architecture programs.

Yejoo Eum, Architectural & Building Technology

BCIT Bachelor of Architectural Science Academic Award

An annual award established by BCIT for a student in Bachelor of Architectural Science programs.

Arshia Nikseresht-Ahaki, Bachelor of Architectural Science

BCIT Bachelor of Engineering Achievement Academic Award in Mining and Mineral Resource Engineering

An annual award established by BCIT for a student in Bachelor of Engineering in Mining and Mineral Resource Engineering programs.

Sebastian Torres, Bachelor of Engineering in Mining and Mineral Resource Engineering

BCIT Bachelor of Engineering in Civil Engineering Academic Award

An annual award established by BCIT for a student in Bachelor of Engineering in Civil Engineering programs.

Joshua Johnson, Bachelor of Engineering in Civil Engineering

BCIT Bachelor of Interior Design Academic Award

An annual award established by BCIT for a student in Bachelor of Interior Design programs.

Vicky Trinh, Bachelor of Interior Design

BCIT Bachelor of Interior Design Academic Award

An annual award established by BCIT for a student in Bachelor of Interior Design programs.

Jaala Parkes, Bachelor of Science in Ecological Restoration

BCIT Bachelor of Science Academic Award in Geomatics

An annual award established by BCIT for a student in Bachelor of Science in Geomatics programs.

The-kiet Tran, Bachelor of Science in Geomatics

BCIT Bachelor of Technology Academic Award in Construction Management

An annual award established by BCIT for a student in Bachelor of Technology in Construction Management programs.

Eamonn Bourke, Bachelor of Technology in Construction Management

BCIT Building Science Academic Award

An annual award established by BCIT for a student in Building Science programs.

Jaehyun Yeon, Architectural & Building Technology

BCIT Civil Engineering Technology Academic Award

An annual award established by BCIT for a student in Civil Engineering Technology programs.

Karnish Aggarwal, Civil Engineering Technology

BCIT Economics/Construction Operations Academic Award

An annual award established by BCIT for a student in Economics/Construction Operations programs.

Lauren Ashlee, Architectural & Building Technology

BCIT Fish, Wildlife and Recreation Academic Award

An annual award established by BCIT for a student in Fish, Wildlife and Recreation programs.

Braeden Hallam, Fish, Wildlife and Recreation

BCIT Forest and Natural Areas Management Academic Award

An annual award established by BCIT for a student in Forest and Natural Areas Management programs.

Jonathan Jakes, Forest and Natural Areas Management

BCIT Geomatics Engineering Technology Academic Award

An annual award established by BCIT for a student in Geomatics Engineering Technology programs.

Denzel Mohamed, Geomatics Engineering Technology

BCIT Interior Design Academic Award

An annual award established by BCIT for a student in Interior Design programs.

Hayden Ham, Interior Design

BCIT International Success Awards

An annual award established by BCIT International for students in any eligible program.

Karnish Aggarwal, Civil Engineering Technology

BCIT Mathematics Award

An annual award established in 1978 by BCIT Mathematics Department and funded by School of Computing and Academic Studies, in recognition of graduating student who attains highest overall average in three or more math courses.

Tanya Steinauer, Forest and Natural Areas Management

BCIT Mineral Exploration and Mining Technology Academic Award

An annual award established by BCIT for a student in Mineral Exploration and Mining Technology programs.

Francisco Montenegro, Mineral Exploration and Mining Technology

BCIT Mining & Mineral Exploration Technology Advisory Committee Award

An endowed award established by BCIT for students in Mining & Mineral Exploration Technology program.

Nathan Visscher, Mineral Exploration and Mining Technology

Bennett Land Surveying Ltd. Award

An annual award established in 2005. Bennett Land Surveying Ltd. is legal, engineering and topographic survey firm of B.C. Land Surveyors, and have been active in BC for over 35 years. Their projects range from surveys of individual lots for home owners complex residential and commercial projects.

Samuel Ryder, Geomatics Engineering Technology

Binnie Consulting Ltd., Robert Binnie Memorial Award

An annual award established in 1994 in memory of founder of R.F. Binnie & Associates and then re-established as an endowed award in 2006 for students in Civil Engineering program.

Nicolas Beaulieu, Bachelor of Engineering in Civil Engineering

BlueCity Construction Graduating Achievement Award

An annual award established by BlueCity Construction for students in Carpentry and Construction Management programs.

Izzetcan Guremel, Bachelor of Technology in Construction Management

Burnaby Fish and Game Club, Herbert Karras Award

An endowed award established in 2007 with matching funds from BCIT to honour Club Treasurer Herb Karras for his 40+ years of service and commitment to Club.

Christopher Cail, *Fish, Wildlife and Recreation*

Cansel Graduating Achievement Award for Bachelor of Science in Geomatics

An annual award established by Cansel Survey Equipment Inc. for students in Bachelor of Science in Geomatics program.

The-kiet Tran, *Bachelor of Science in Geomatics*

Cansel Graduating Achievement Award for Diploma Program in Geomatics

An annual award established by Cansel Survey Equipment Inc. for students in Geomatics program.

Denzel Mohamed, *Geomatics Engineering Technology*

Charles J. Duncan Memorial Award Sponsored by Dominion Company and Duncan Family

An endowed award established in 1989 by Duncan family and Dominion Company in memory of Charles Duncan, who was employed by Dominion Company for close to 50 years as a carpenter, as was his father before him. Both worked closely with members of Bentall family.

Jaxon Passeri, *Civil Engineering Technology*

Construction Specifications Canada, Vancouver Chapter Award

An endowed award established in 1992 and amended in 2010 to recognize a graduate in Building-Economics/Construction.

Lauren Ashlee, *Architectural & Building Technology*

Darwin and Sara Lamont Appreciation Award

An annual award established in 2018 by Binnie Consulting Ltd. in honor of Darwin Lamont, a BCIT Alumni dedicated to serving engineering industry and mentoring BCIT graduates during more than 46 years as a Binnie employee. This award is given to a student graduating with a Diploma and recognized by faculty as a deserving student in Civil program.

Leah Lauren, *Civil Engineering Technology*

Dave Hutchinson Leadership Award for Carpentry

Dave Hutchinson Graduating Achievement Award was established to recognize Carpentry students who demonstrate exceptional leadership potential. award honors Mr. Dave Hutchinson's career, which began as a Carpenter Apprentice in 1981 and progressed to roles such as Carpenter Foreman, Superintendent, and General Superintendent over years. At core of this award is importance of mentorship, leadership, and continuous training. Throughout his career, Dave Hutchinson exhibited natural leadership characteristics, which he showcased through his work, sports, mentorship, and community involvement. intent of award is to support and develop future industry leaders, recognizing that skills and experience gained through further training in site management, people management, and other crucial areas can be invaluable for carpenters aspiring to become superintendents and leaders in construction industry. By investing in education and development of talented carpentry students, award aims to nurture next generation of construction professionals who exhibit same leadership qualities that Dave Hutchinson demonstrated throughout his impressive career. This accolade is designed to inspire and foster next generation of carpentry leaders, who will contribute significantly to industry's future.

Luke Carvalho, *Carpentry Framing & Forming Foundation*

Dave Rutherford Leadership Award

An endowed award established in 2017 by John E. Leech in honour of BCIT faculty Dave Rutherford.

Yingdi Chen, *Geomatics Engineering Technology*
Fraser Christian, *Geomatics Engineering Technology*

Dean's Award

An annual award established by BCIT for a student in any eligible School of Construction and the Environment programs.

Arshia Nikseresht-Ahaki, *Bachelor of Architectural Science*
Braeden Hallam, *Fish, Wildlife and Recreation*

Eagle Mapping Grad Award

An annual award established in 2022 by Lloyd J. and Ritva Hume for a student in Geomatics program.

Yi Yung Joo, *Bachelor of Science in Geomatics*
Neil MacQuarrie, *Bachelor of Science in Geomatics*

ETRO Construction Graduating Award

An annual award established by ETRO Construction for students in Economics and Construction Operations option for Architectural and Building Technology program. ETRO Construction is one of Canada's fastest-growing construction companies, delivering exceptional projects in an ever-changing construction market. Since its inception in 2015, ETRO continues to challenge status quo. We're looking to award brightest, up-and-coming individuals who will be entering construction industry, and have proven themselves as innovators and leaders in their programs.

Rebecca Zhao, *Architectural & Building Technology*

Fluor Women in Engineering Achievement Award

An annual award established by Fluor Canada Ltd. for women in Engineering programs.

Tasha Lory, *Civil Engineering Technology*

Future Professionals Award

An endowed award established in 2024 by Engineers and Geoscientists BC for students in Civil Engineering program.

Izack Ginter, *Bachelor of Engineering in Civil Engineering*

Interior Designers Institute of BC Award

An annual award established in 2018. IDIBC Student Award is given annually to a deserving 4th-year student based on their final Capstone Project. criteria for award is demonstration of IDIBC's Vision Statement - To benefit public health, safety and welfare, contribute to enhancement of environment and increase perception, appreciation, and value of design in community.

Lizette Bautista, *Bachelor of Interior Design*

John (Jack) Eric Anderson and Desmond (Dem) William Carrier Achievement Award of J.E. Anderson & Associates

An annual award established by J.E. Anderson & Associates in 2021 in memory of John (Jack) Eric Anderson and Desmond (Dem) William Carrier for students in Geomatics programs.

Samuel Ryder, *Geomatics Engineering Technology*

John Salisbury Memorial Achievement Award

An endowed award established in 2011 by Mr. John Salisbury. John was a long-time resident of Pender Harbour, BC on Sunshine Coast. He passed away in September 2011 at age of 85 years. It was education he received at BCIT taking night school courses in mining during 1970s and his great memories of former Mining instructor Moose Manifold that were his prime reasons for establishing John Salisbury endowed award to support students in BCIT's Mineral Exploration and Mining Technology program.

Francisco Montenegro, *Mineral Exploration and Mining Technology*

John Salisbury Memorial Award

An endowed award established in 2011 by Mr. John Salisbury. John was a long-time resident of Pender Harbour, BC on Sunshine Coast. He passed away in September 2011 at age of 85 years. It was education he received at BCIT taking night school courses in mining during 1970s and his great memories of former Mining instructor Moose Manifold that were his prime reasons for establishing John Salisbury endowed award to support students in BCIT's Mineral Exploration and Mining Technology program.

Francisco Montenegro, *Mineral Exploration and Mining Technology*

Joseph Tonelli Memorial Graduating Achievement Award

An endowed award established in 2024 by the Estate of James Bertalino in memory of Joseph Tonelli for students in Civil Engineering program.

Patrick Ngo, *Bachelor of Engineering in Civil Engineering*

Ledcor 60th Anniversary Award

An endowed award established in 2008 to commemorate 60 years of construction excellence. Employee-owned, with a broad portfolio throughout North America, Ledcor Group of Companies was founded in 1947 with roots firmly planted in 'oil patch'. Ledcor expanded geographically and diversified into building and industrial sectors, with six construction divisions - Commercial Building, Heavy Civil, Industrial, Mining, Pipeline and Telecommunications.

Manraj Randhawa, *Bachelor of Technology in Construction Management*

Lesli Balagno Memorial Award

An annual award established in 2016 by Heffel Balagno Design, Balagno family and in collaboration with Cantu Hardware & Bath, this award is in memory of Lesli Balagno, one of Vancouver's most accomplished and respected interior designers.

Camille Holland, *Interior Design*

Loons Flyfishing Club Award

An endowed award established in 2016 by Loons Flyfishing Club, this award is presented to a graduate of BCIT's Fish, Wildlife and Recreation program.

Alejandro Comas Misawa, *Fish, Wildlife and Recreation*

Lower Mainland British Columbia Land Surveyors Group Award for Bachelor of Science in Geomatics

An annual award established in 2006 by Lower Mainland British Columbia Land Surveyors Group for students in Bachelor of Science in Geomatics program.

The-kiet Tran, *Bachelor of Science in Geomatics*

New Gold-New Afton Mines Graduation Achievement Award

An annual award established by Canadian Mineral Analysts for students in Mining & Mineral Exploration Technology programs.

Francisco Montenegro, *Mineral Exploration and Mining Technology*

Ozmer Catt Memorial Award

An endowed award established in 1997 by family and friends of Ozmer Catt, father of two BCIT faculty members, Danny and Carl Catt. Recipients of award exemplify qualities that Ozmer Catt valued and exhibited - commitment to community service, world peace, conservation of nature, and a sense of adventure.

Luke Shields, *Fish, Wildlife and Recreation*

Phil Henderson Community Service Award

An endowed established in 2006 in honour of Phil Henderson, former manager of BCIT Student Association for seventeen years, in recognition of his extraordinary community service while at BCIT and as a citizen of Burnaby. The award is presented to a graduate who demonstrates exceptional community service at BCIT or community at large. Phil Henderson passed away on May 10, 2008.

Denzel Mohamed, *Geomatics Engineering Technology*

SAG Conference Award Foundation Award in Mining

SAG Conference Award Foundation established three awards to encourage leadership skills and academic achievement in mining and mineral processing. These awards are available to students in Mineral Exploration and Mining Technology Diploma Program, and Mining and Mineral Resource Engineering Degree Program. Alongside their academic accomplishments, recipients have demonstrated their leadership contributions on campus or in community through activities such student government, inter-Institute team challenges, volunteering, and campus societies.

Sebastian Torres, *Bachelor of Engineering in Mining and Mineral Resource Engineering*

Francisco Montenegro, *Mineral Exploration and Mining Technology*

SAG Conference Award Foundation Leadership Award in Mining

SAG Conference Award Foundation established three awards to encourage leadership skills and academic achievement in mining and mineral processing. These awards are available to students in Mineral Exploration and Mining Technology Diploma Program, and Mining and Mineral Resource Engineering Degree Program. Alongside their academic accomplishments, recipients have demonstrated their leadership contributions on campus or in community through activities such student government, inter-Institute team challenges, volunteering, and campus societies.

Pritom nag Prince, *Bachelor of Engineering in Mining and Mineral Resource Engineering*

Vitalii Shkondin, *Mineral Exploration and Mining Technology*

Stantec Award in Construction Management

An annual award established 2000. Stantec community unites more than 15,000 employees working in over 250 locations. We collaborate across disciplines and industries to bring buildings, energy and resource, and infrastructure projects to life.

Hussein Al Bayati, *Bachelor of Technology in Construction Management*

Steve and Dorothy Sweet Memorial Award

An endowed award was established in 2013 by estate of Mrs. Dorothy Sweet, a former BCIT employee. annual interest provides a First Year Scholarship and Graduating Award to students in Fish, Wildlife and Recreation program.

Braeden Hallam, *Fish, Wildlife and Recreation*

Symmetry Lighting Award

An annual award established by Symmetry Lighting for students in Bachelor of Interior Design program.

Samara Klassen, *Bachelor of Interior Design*

Tom Saare Environmental Stewardship Award

An annual award by Ross P. Saare in honour of Tom Saare for students in Fish, Wildlife and Recreation program.

Annie Dales, *Fish, Wildlife and Recreation*

Trimstyle Consulting Inc. Graduating Achievement Award

An annual award established in 2014 to celebrate Trimstyle's tenth year in business in British Columbia, and to add further support to a strong technical program. purpose of this achievement award is to reward a graduating student who has demonstrated greatest GPA transformation between 1st and 2nd year of Architectural Technology program.

Carmen Chun, *Architectural & Building Technology*

Van Gogh Designs Award

An annual award established in 2018 and presented to a top graduate in Interior Design Program.

Travis Cook, *Bachelor of Interior Design*

Vancouver Geotechnical Society Award

An endowed award established in 2018 by Vancouver Geotechnical Society. VGS is a professional society dedicated to improving technical competence and excellence of geotechnical engineering and related geoscience professionals in Lower Mainland and British Columbia. award is given to student with highest achievement in geotechnical engineering courses. Preference is given to a candidate who has taken both courses, CIVIL 7040 and CIVIL 7042.

Ronin Sakamoto, *Bachelor of Engineering in Civil Engineering*

Vancouver Society of Interior Designers Award

An annual award established in 2023 by Vancouver Society of Interior Designers for students in Bachelor of Interior Design program.

Kimberley Turnbull, *Bachelor of Interior Design*

Victor Heath Memorial Award in Fish, Wildlife & Recreation

An annual award established in 2008. Victor Heath was a Department Head who was extremely proud of establishing Forestry Training program at BCIT at its conception prior to it changing/evolving to Fish, Wildlife and Recreation department. He was also one of founding members of Pioneers of BCIT.

Mia Hargrave, *Fish, Wildlife and Recreation*

Wales McLelland Construction Graduating Achievement Award

Wales McLelland proudly established this achievement award in 2020. Over its 50 years as a commercial/industrial builder, Wales McLelland has added many BCIT graduates to its team of industry leading experts in construction. This achievement award is a way of furthering advanced education in construction industry in BC and is awarded to a student who demonstrates a high academic standing in Architectural and Building Technology program.

Lauren Ashlee, *Architectural & Building Technology*

Wendy and Carl Slavin Achievement Award

An endowed award established in 2006 by former Chair of BCIT Foundation Board of Directors, Wendy Slavin.

Rebecca Gray, *Fish, Wildlife and Recreation*

Aaron Learmont Memorial Award

Aaron Learmont Memorial Scholarship is awarded to a promising BCIT student in their graduating year. The recipient is a person who, in addition to meeting a threshold for academic achievement, also embodies Aaron's own ideals: Altruism, Leadership, Self-improvement, Mentorship and Humanitarianism.

Meredith Sadler, *Geographic Information Systems*

BC Building Envelope Council Education Foundation Graduating Achievement Award - Graduate Studies

An annual award established by BC Building Envelope Council Foundation for students in Master of Engineering in Building Science, and Master of Applied Science in Building Science programs.

Maryam Ghaemi Dizaji, *Masters of Applied Science in Building Engineering/Building Science*

Tong Zhou, *Masters of Engineering in Building Science*

GeoConnect Award

An endowed award established by URISA/PIC in 1991 for students in Geographical Information Systems program.

Eliza Montgomery, *Geographic Information Systems*

The graduating award not only gives the backing from the industry to start making an impact, but also helps me financially when I want to pursue the Master's Degree.

- Nicky Cheng

SCHOOL OF ENERGY**Anne Lippert Achievement Award in Honour of BCIT Board of Governors**

An endowment established in 2004 by board member Anne Lippert and other BCIT Board of Governor members as a legacy of their support of BCIT. The annual interest provides academic and achievement awards for graduates of any eligible full-time BCIT program.

Md Muhtashim Jahin, *Industrial Network Cybersecurity*

ASHRAE, BC Chapter Award in Mechanical Systems

An annual award established in 1989. ASHRAE has a mission of advancing heating, ventilation, air conditioning and refrigeration to serve humanity and promote a sustainable world through research, standards writing, publishing and continuing education.

Wisasenee Nilchay, *Mechanical Engineering Technology - Mechanical Systems*

ASTTBC John Leech Technology Leadership Award

An annual award established in 2013. ASTTBC John Leech Technology Leadership Award is presented to a graduating student in any ASTTBC recognized technology program. recipient must have achieved a solid academic record and contributed in a positive way to campus life and/or community at large.

Huy Tran, *Mechanical Engineering Technology - Mechanical Design*

ASTTBC Reg Ridsdale Memorial Award

An annual award established in 2001 by late Donald Bealle, ASCT, to honour memory of 'a mentor and superb teacher' - Electronic Technology Instructor Reg Ridsdale, who died in 1997. Reg Ridsdale developed BCIT program for Electronics Department in 1964, and was department head until his retirement in 1982. Applied Science Technologists & Technicians of BC provides awards to students in ASTTBC recognized technology programs through ASTTBC Foundation.

Quinn Hallett, *Electrical and Computer Engineering Technology - Telecommunications and Networks*

ASTTBC/TD Insurance Meloche Monnex Award

An annual award established in 2015. Applied Science Technologists and Technicians of BC provides awards to students in ASTTBC recognized technology programs through ASTTBC Foundation. This award is supported by TD Insurance Meloche Monnex in recognition of company's longstanding partnership with ASTTBC.

Sukhpreet Singh Heer, *Mechanical Engineering Technology - Manufacturing*

BC Communications Inc. Award

An annual award established in 2007 by BC Communications, the largest and most successful independent Motorola dealership in BC.

Raymond Gabriel, *Digital Communications and Wireless Technologies*

BC Hydro Awards

An annual award established in 2008 for students in Engineering programs.

Kui Sang Leung, *Electrical and Computer Engineering Technology - Electrical Power and Industrial Control.*

Mackenzie Wong, *Mechanical Engineering Technology - Mechanical Design*

BCIT Alumni Association Awards

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Maninder Kailay, *Chemical & Environmental Technology*

BCIT Automation & Instrumentation Technology Academic Award

An annual award established by BCIT for a student in the Automation & Instrumentation Technology program.

Sirasit Jirasakulpeeti, *Electrical and Computer Engineering Technology - Automation and Instrumentation*

BCIT Automation & Instrumentation Technology Academic Award

An annual award established by BCIT for a student in the Automation & Instrumentation Technology program.

Quang Huy Pham, *Electrical and Computer Engineering Technology - Automation and Instrumentation*

BCIT Bachelor of Engineering in Electrical Engineering Academic Award

An annual award established by BCIT for a student in the Bachelor of Engineering in Electrical Engineering program.

Nicholas Scott, *Bachelor of Engineering in Electrical Engineering*

BCIT Bachelor of Engineering in Mechanical Engineering Academic Award

An annual award established by BCIT for a student in the Bachelor of Engineering in Mechanical Engineering program.

Yunseo Min, *Bachelor of Engineering in Mechanical Engineering*

BCIT Bachelor of Technology Academic Award in Electronics

An annual award established by BCIT for a student in eligible Bachelor of Technology programs.

Daniel Loke, *Bachelor of Technology in Electronics*

BCIT Chemical & Environmental Technology Grad Academic Award

An annual award established by BCIT for a student in the Chemical & Environmental Technology program.

Maninder Kailay, *Chemical and Environmental Technology*
Jonathan Zaldivar Guereca, *Chemical and Environmental Technology*

BCIT CNC Machinist Technician Academic Award

An annual award established by BCIT for a student in the CNC Machinist Technician program.

Ryan Cooper, *CNC Machinist Technician*

BCIT Computer Information Systems Administration Academic Award

An annual award established by BCIT for a student in the Computer Information Systems program.

Qiwen Li, *Computer Information Systems Administration*

BCIT Digital Communications and Wireless Technologies Academic Award

An annual award established by BCIT for a student in the Digital Communications and Wireless Technologies program.

Raymond Gabriel, *Digital Communications and Wireless Technologies*

BCIT Electrical Power and Industrial Control Technology Academic Award

An annual award established by BCIT for a student in the Electrical Power and Industrial Control Technology program.

Kui Sang Leung, *Electrical and Computer Engineering Technology - Electrical Power and Industrial Control*

BCIT Electrical Power and Industrial Control Technology Academic Award

An annual award established by BCIT for a student in the Electrical Power and Industrial Control Technology program.

Brendan Ginther, *Electrical and Computer Engineering Technology - Electrical Power and Industrial Control*

BCIT Heating, Ventilation, Air Conditioning and Refrigeration Technician Academic Award

An annual award established by BCIT for a student in the Heating, Ventilation, Air Conditioning and Refrigeration program.

Paulis Langins, *Heating, Ventilation, Air Conditioning and Refrigeration Technician*

BCIT Industrial Instrumentation and Process Controls Technician Academic Award

An annual award established by BCIT for a student in the Industrial Instrumentation and Process Controls Technician program.

Marvin Daniel Bermillo, *Industrial Instrumentation and Process Control Technician*

BCIT Industrial Network Cybersecurity Academic Award

An annual award established by BCIT for a student in the Industrial Network Cybersecurity program.

Deval Malhotra, *Industrial Network Cybersecurity*

BCIT International Success Awards

An annual award established by BCIT International for students in any eligible program.

Deval Malhotra, *Industrial Network Cybersecurity*

BCIT Mechanical Design Academic Award

An annual award established by BCIT for a student in the Mechanical Design program.

Lionel Doulome, *Mechanical Engineering Technology - Mechanical Design*

BCIT Mechanical Manufacturing Academic Award

An annual award established by BCIT for a student in the Mechanical Manufacturing program.

Laryssa Clark, *Mechanical Engineering Technology - Manufacturing*

BCIT Mechanical Systems Academic Award

An annual award established by BCIT for a student in the Mechanical Systems program.

Wisasenee Nilchay, *Mechanical Engineering Technology - Mechanical Systems*

BCIT Mechatronics and Robotics Technology Academic Award

An annual award established by BCIT for a student in the Mechatronics and Robotics Technology program.

Andrew Ellis, *Mechatronics and Robotics*

BCIT Technology Teacher Education Academic Award

An annual award established by BCIT for a student in the Teacher Technology Education program.

Luke Svardfeldt, *Power and Process Engineering*

BCIT Power and Process Engineering Academic Award

An annual award established by BCIT for a student in the Power and Process Engineering program.

Kevin Murphy, *Technology Teacher Education*

BCIT Telecommunications and Networks Technology Academic Award

An annual award established by BCIT for a student in the Telecommunications and Networks Technology program.

Alvin John Bau, *Electrical and Computer Engineering Technology - Telecommunications and Networks*

*Your generosity has been both
impactful and inspiring.*

- Lai Man Ma

David C. Smith Memorial Achievement Award

An endowment was established in 2015 by Wayne Shalagan in memory of David C. Smith to provide an annual graduating achievement award to a student in the CNC Machinist Technician program. David Smith was a Vancouver-based machinist who was passionate about his craft. After running several machine shops in Vancouver, he subsequently set up a small machine shop on his own, performing intricate high quality, specialized machining and related services. He was well known throughout Vancouver and beyond for making specialty parts and solving technical problems associated with rare aircraft and motor vehicles. Mr. Smith was intelligent, hardworking, creative and an extremely capable problem solver. The machinist and related trades were his passion. In addition, he was very generous with his knowledge, skills and time, and believed in sharing these talents and gifts with others. David Smith died December 16, 2013 of ALS (Lou Gehrig's disease). This endowment is intended to help facilitate other machinists to rise to their potential and to contribute as David Smith did.

Patrick Skelton, *CNC Machinist Technician*

Dean's Award

An annual award established by BCIT for a student in any eligible School of Energy programs.

Nicholas Scott, *Bachelor of Engineering in Electrical Engineering*,
Maninder Kailay, *Chemical & Environmental Technology*

E.B. Horsman & Son Ltd. Award

An annual award established in 2017. E.B. Horsman is an electrical supplier, distributor, and wholesaler, who sources, stocks, stores, sells and ships electrical products and provides supply chain management & support services. As an organization that prides itself on making positive contributions to the community, this award will support a student in the Electrical and Computer Engineering Technology program.

Jeonghun Kim, *Electrical and Computer Engineering Technology - Automation and Instrumentation*

Edward Grydziusko Award

An annual award established in 2019 by Pazmac Enterprises in memory of Edward Grydziusko. Edward was very passionate about machining and helping others to become better Machinists. This award is awarded to a student that has excelled in the Machinist's program and has shown leadership and mentoring qualities.

Xiaowei Lu, *CNC Machinist Technician*

Eric Hoffman CMA Award

An annual award established in 2016 by the Canadian Mineral Analysts [CMA] in honour of Eric Hoffman. The CMA was formed in 1969 with a purpose to promote better communication among analysts and those engaged in analytical procedures and the development of methods.

Jonathan Zaldivar Guereca, *Chemical & Environmental Technology*

Fluor Canada Ltd., Allan Fernie Memorial Award in Mechanical Design

An annual award established in 1995 in memory of Allan Fernie, long time employee of Fluor Daniel Wright Ltd.

Sam Ryznar, *Mechanical Engineering Technology - Mechanical Design*

Gene Haas Scholarships

An annual award established in 2014. This award is funded by the Gene Haas Foundation and will provide multiple awards and bursaries for students in the CNC Machinist, Machinist Foundation, Mechanical Engineering and Technology Teacher programs.

Douglas Allan, *CNC Machinist Technician*
Meagan Calara, *CNC Machinist Technician*
Ryan Cooper, *CNC Machinist Technician*
Samer Haddad, *CNC Machinist Technician*,
Brandon Johnson, *CNC Machinist Technician*,
Melad Lazar, *CNC Machinist Technician*

James C. Gordon Memorial Award

An endowment established in 2009 by family, friends and colleagues in memory of James Gordon, who passed away March 20, 2009. Mr. Gordon moved to Canada from the UK in 1975 and, in 1983 formed Gordon Crane & Hoist. He established himself as one of the premier crane engineers in Canada. He pursued and was dedicated to numerous charitable, fraternal and community interests, including Grand Secretary of the Grand Lodge of Free and Accepted Masons of BC and Yukon and Chair of the Vancouver Branch of the Engineering Institute of Canada.

Jacob Lindfield, *Mechanical Engineering Technology - Mechanical Design*

James Tweed CMA Award

An annual award established in 1990 by the Canadian Mineral Analysts [CMA] in memory of James Tweed, a founding member of the organization. The CMA was formed in 1969 with a purpose to promote better communication among analysts and those engaged in analytical procedures and the development of methods.

Cody Chan, *Chemical & Environmental Technology*

Jim Armstrong Award for Graduate Who Proved to be Hardest Working

An annual award established in 2022 by Process Combustion Sales in honour of Jim Armstrong for students in the Industrial Instrumentation and Process Control Technician program.

Kurtis Severin, *Industrial Instrumentation and Process Control Technician*

Jiro Hamaguchi Memorial Award

An endowment established in 1999 by the family in memory of Jiro Hamaguchi, a 1970 graduate of BCIT's Electronic Engineering Technology program.

Quang Huy Pham, *Electrical and Computer Engineering Technology - Automation and Instrumentation*

Jiro Hamaguchi Memorial Award

An endowment established in 1999 by the family in memory of Jiro Hamaguchi, a 1970 graduate of BCIT's Electronic Engineering Technology program.

Alvin John Bau, Electrical and Computer Engineering Technology - Telecommunications and Networks

John Schoonover Memorial Award

An endowed award established in 2009 in memory of John Schoonover for students in the Automation & Instrumentation program.

Sirasit Jirasakulpeeti, Electrical and Computer Engineering Technology - Automation and Instrumentation

John Schoonover Memorial Award

An endowed award established in 2009 in memory of John Schoonover for students in the Automation & Instrumentation program.

Simran Kaur Boparai, Electrical and Computer Engineering Technology - Automation and Instrumentation

Laurie Jack Memorial Award

An endowed award established in 1977 by family, friends and colleagues in memory of Laurie Jack, president of BCIT Student Association in 1971-72. Tragically, he died in an airplane accident in 1975. BCIT Student Association contributes annually to this award that recognizes graduates who have contributed to and enhanced student life at BCIT.

Andrea Obnamia, Mechanical Engineering Technology - Manufacturing

Mackay Marine Canada Overall Achievement Award

An annual award established in 2023 by Mackay Marine Canada for students in the Digital Communications and Wireless Technologies program.

Yat Sun Wan, Digital Communications and Wireless Technologies

Parkland Refining, Jack Brown Memorial Award

An annual award established in 1968 and renamed in 2011 to honour the memory of Jack Brown, a long-time employee as a power engineer.

Maninder Kailay, Chemical & Environmental Technology

Rick and Jordan Gaisford Memorial Award

An annual award established in 2020 by the Gaisford Family and friends. Rick and Jordan Gaisford were BCIT Alumni who shared a passion for computer systems and hardware. This scholarship is awarded to a student in the Computer Information Systems Administration Program who has demonstrated a strong interest and curiosity in technology as chosen by faculty.

Trevor Haramincic, Computer Information Systems Administration

Robert Deverall Chemical and Environmental Technology Scholarship - Graduating Achievement Award

An annual award established in 2014. This scholarship is funded by CCIL - Canadian Council of Independent Laboratories to honour Robert (Rob) Deverall who was active in the environmental testing business for over 35 years. He is a graduate of BCIT, so it is his wish that students attending this institution be the recipients of these scholarships.

Andrea Alexandra Verrocchi Reyes, Chemical & Environmental Technology

Ted Upward Achievement Award in Automation and Instrumentation Technology

An endowment established in 1998 by friends and colleagues of BCIT Instrumentation instructor Ted Upward. The endowment is in honour of his outstanding contributions to the instrumentation community in BC and in appreciation of the enthusiastic manner in which Ted introduced his colleagues to the world of Process Control.

Anmoldeep Singh, Electrical and Computer Engineering Technology - Automation and Instrumentation

Wendy B. McDonald Memorial Awards

An endowment established in 1993 by the late Wendy McDonald, former chairman and CEO of BC Bearing and BCIT Board of Governors member. BC Bearing Engineers Limited is a group of companies offering bearings, power transmission, material handling, electrical and allied industrial products and services to a broad base of industries.

Laryssa Clark, Mechanical Engineering Technology - Manufacturing, Lionel Doulome, Mechanical Engineering Technology - Mechanical Design

Kalan Tasse, Mechatronics and Robotics

SCHOOL OF HEALTH SCIENCES

Alexis Van Lagen Memorial Award

An endowment established in 1992 by the parents, family and friends of infant Alexis Van Lagen. The award is presented to a graduate who has shown an interest in entering Neonatal Specialty Nursing.

Alexis Neufeld, Bachelor of Science in Nursing

McCannel Graduating Award

An annual award established by former BCIT Faculty Anne McCannel for students in the Food Technology program.

Ravneet Kaur Sran, Food Technology

Associate Dean's Award for Excellence in Nursing Practice

An annual award established by BCIT for a student in the Bachelor of Science in Nursing program.

Mackenzie Harrington, Bachelor of Science in Nursing

ASTTBC Biomedical Engineering Technology Award

An annual award established in 2001. Applied Science Technologists and Technicians of BC provides awards to students in ASTTBC recognized technology programs through ASTTBC Foundation.

Mitchell Linley, Biomedical Engineering Technology

ASTTBC/BC Hydro Technology Award at BCIT

An annual award established in 2015. Applied Science Technologists and Technicians of BC provides awards and bursaries to students in ASTTBC recognized technology programs through ASTTBC Foundation. This award is supported by BC Hydro in recognition of company's longstanding partnership with ASTTBC.

Caleb Barrett, Biomedical Engineering Technology

Bachelor of Environmental Public Health Academic Award

An annual award established by BCIT for a student in the Bachelor of Environmental Public Health program.

Ariana Aktary, Bachelor of Environmental Public Health

Bachelor of Science in Nursing Academic Award in Specialty Nursing

An annual award established by BCIT for a student in the Bachelor of Science in Nursing in Specialty Nursing program.

Kristina Hernandez, Bachelor of Science in Specialty Nursing

BC Dairy Association Award

An endowment established in 1972. The BC Dairy Foundation is a not-for-profit organization dedicated to increasing consumption of milk in BC and delivering innovative nutrition education programs.

Abisoye Oni, *Food Technology*

BC Food Technologists Award in Food Technology

An annual award established by BCIT for a student in the Food Technology program.

Lai Man Ma, *Food Technology*,
Ravneet Kaur Sran, *Food Technology*

BCIT Alumni Association Awards

An endowed award established in 1986 by BCIT Alumni for students entering any eligible program.

Kibum Park, *Biomedical Engineering Technology*

BCIT Bachelor of Health Science Academic Award in Magnetic Resonance Imaging

An annual award established by BCIT for a student in the Bachelor of Health Science in Magnetic Resonance Imaging program.

Mariam Sedki, *Bachelor of Health Science in Magnetic Resonance Imaging*

BCIT Bachelor of Health Science Achievement Award in Magnetic Resonance Imaging

An annual award established by BCIT for a student in the Bachelor of Science in Magnetic Resonance program.

Parveen Nijjar, *Bachelor of Health Science in Magnetic Resonance Imaging*

BCIT Bachelor of Science in Nursing Academic Award

An annual award established by BCIT for a student in the Bachelor of Science in Nursing program.

Melissa Lai, *Bachelor of Science in Nursing*
Alexandra Mundie, *Bachelor of Science in Nursing*

BCIT Bachelor of Science in Nursing Achievement Award

An annual award established by BCIT for a student in the Bachelor of Science in Nursing program.

Manisha Batra, *Bachelor of Science in Nursing*

BCIT Bachelor of Science in Nursing Award in Specialty Nursing

An annual award established by BCIT for a student in the Bachelor of Science in Specialty Nursing program.

Kristina Hernandez, *Bachelor of Science in Specialty Nursing*

BCIT Biomedical Engineering Technology Academic Award

An annual award established by BCIT for a student in the Biomedical Engineering Technology program.

Harley Johnson, *Biomedical Engineering Technology*

BCIT Biotechnology Academic Award

An annual award established by BCIT for a student in the Biotechnology program.

Yuqing Jin, *Honours in Biotechnology*

BCIT Biomedical Engineering Technology Award

An annual award established by BCIT for a student in the Biomedical Engineering Technology program.

Harley Johnson, *Biomedical Engineering Technology*

BCIT Biotechnology Faculty Award

An annual award established by BCIT for a student in the Biotechnology program.

Yuqing Jin, *Honours in Biotechnology*

BCIT Clinical Genetics Technology Academic Award

An annual award established by BCIT for a student in the Biomedical Engineering Technology program.

Derek Johnson, *Clinical Genetics Technology*

BCIT Electroneurophysiology Technology Academic Award

An annual award established by BCIT for a student in the Clinical Genetics Technology program.

Nicole Jang, *Electroneurophysiology*

BCIT Food Technology Academic Award

An annual award established by BCIT for a student in the Food Technology program.

Lai Man Ma, *Food Technology*

BCIT Health Sciences Award

An annual award established by BCIT for a student in the eligible School of Health Sciences programs.

Derek Johnson, *Clinical Genetics Technology*
Yan Ho Jonathan Lam, *Occupational Health & Safety*

BCIT International Success Awards

An annual award established by BCIT International for students in any eligible program.

Yan Ho Jonathan Lam, *Occupational Health & Safety*

BCIT Medical Laboratory Science Academic Award

An annual award established by BCIT for a student in the Medical Laboratory Science program.

Yi Chu Zhou, *Medical Laboratory Science*

BCIT Nuclear Medicine Technology Academic Award

An annual award established by BCIT for a student in the Nuclear Medicine program.

Camryn Lougheed, *Nuclear Medicine*

BCIT Occupational Health and Safety Academic Award

An annual award established by BCIT for a student in the Occupational Health and Safety program.

Yan Ho Jonathan Lam, *Occupational Health & Safety*

BCIT School of Computing & Academic Studies Award for Excellence in Communication

An annual award established by BCIT for a student in the eligible School of Computing and Academic Studies programs.

Baden Avelin, *Occupational Health & Safety*

Bernadet Ratsoy Memorial Award

An award established in 2010 in honour of Bernadet Ratsoy, a provincial healthcare leader and former Associate Dean in the School of Health Sciences at BCIT. The award is for a graduate of BCIT's Bachelor of Science in Nursing program, as selected by the program faculty.

Sukhbir Gill, *Bachelor of Science in Nursing*

Bill Leith Memorial Award

An endowment established in 2006. Mr. Leith had been a generous supporter of the BCIT Environmental Health program since 1996.

Janessa Min, *Bachelor of Environmental Public Health*

Brooke Radiology, Ferne Gooding Memorial Award

An annual award established in 1997 in memory of Ferne Gooding, a valued employee of Brooke Radiology Associates. Award recipients must have qualities exhibited by Ms. Gooding [kindness, empathy and being organized, industrious and positive]

Adolfo de Oliveira Gutierrez, *Medical Radiography*

CIPHI, John A. Stringer Memorial Award

An endowment established in 1976 by Mrs. Mabel Stringer in memory of her late husband who was an executive member of the CIPHI and a strong supporter of BCIT's public health inspector program.

So Jeong Bae, *Bachelor of Environmental Public Health*

Dean's Award

An annual award established by BCIT for a student in any eligible School of Health Sciences programs.

Jasmeen Brar, *Bachelor of Science in Radiation Therapy*
Carlo Ferdinand Isaw, *Medical Laboratory Science*

Edna Ladner Memorial Award

An endowment established in 2006 through the estate of Edna Ladner. Edna was an ardent researcher of local history and respected author of a book about pioneer life on the Fraser Delta. As well, her personal account of her mother, who was a nurse who had married into the pioneering Ladner farming and fish-canning dynasty after whom the Delta community is named, has been incorporated into a book that has been used nationally to demonstrate a comparative model of early nursing practices. This award is for graduates who have completed BCIT's "Specialty Nursing, Emergency Nursing - Combined Emergency/Critical Care Option".

Izabella Brehm, *Bachelor of Science in Specialty Nursing*

El Ladha Memorial Specialty Nursing Graduating Achievement Award

An annual award established in 2024 by Zabeen Ladha, in memory of El Ladha. El was a kind, passionate critical care instructor with a keen sense of humour who had an uncanny ability to break down difficult concepts into simple easy to understand language. He thrived on ensuring all his students felt comfortable and heard. His gentle, caring nature is fondly remembered by students, faculty, friends, and family.

Cheryl Lynn Haugen, *Bachelor of Science in Specialty Nursing*

Initio Nuclear Medicine Graduating Achievement Award

An annual award established by Initio Nuclear Medicine for a student in the Nuclear Medicine program.

Lucy Fleming, *Nuclear Medicine*
Semin Lee, *Nuclear Medicine*
Camryn Loughheed, *Nuclear Medicine*

John K. Soutter Food Technology Achievement Award

An endowment established in 1994 by former Food Technology faculty member, John Soutter. John's original contribution of \$3,000 was \$100 for each year he worked at BCIT (1967-1997).

Lai Man Ma, *Food Technology*

Kathy Martin Pediatric Memorial Award

An annual award established by Kathy and Doug Martin for a student in the Bachelor of Science in Nursing program.

Jestine Naus, *Bachelor of Science in Nursing*

LifeLabs Medical Laboratory Services Awards for Clinical Excellence

An annual award established in 1966. LifeLabs provides laboratory testing services, which help physicians and other healthcare providers in the prevention, diagnosis, treatment and monitoring of disease and illness in patients.

Sarah Eisner, *Medical Laboratory Science*

Lily Bruce Summers Memorial Award

An endowment established in 2007 by the family of Lily Bruce Summers. The fund fulfills her wish to be part of the nursing community, where nurses care about and care for others, which is a philosophy she lived by. Also, because Lily felt strongly that living in Canada provided a good life for her and her family, the fund is a way for her to give back to her community and her country. The recipient of this award is encouraged in their pursuit of becoming a part of the nursing community and wished every success.

Lisa Wilson, *Bachelor of Science in Nursing*
Daniel Withers, *Bachelor of Science in Nursing*

Linda Herman Award Emergency Nursing

An endowment established in 2017 by Linda's family, colleagues and friends. Linda was generous of spirit, caring and compassionate and would light a room with her warmth, her humour and her razor-sharp wit. She lived her life aligned with her purpose and would proclaim that she had an amazing career as a nurse, teacher/mentor and health care leader. Linda trained to be a nurse in Chatham Ontario and began her career at Sick Kid's in Toronto. She found her passion in nursing as an Emergency nurse and worked at Langley Memorial, MSA in Abbotsford and St Paul's during the AID's crisis. Linda moved into her first leadership position as Head nurse at St. Paul's and subsequently Lions Gate Hospital. Linda had a provincial impact on hospitals and health care working for the Ministry of Health. Linda finished her career as a health care leader working in quality and improvement, and as a Director at Chilliwack hospital, Maple Ridge hospital and finally at Abbotsford Regional Hospital. One of the highlights of Linda's career was teaching in the Emergency Nursing Diploma program at BCIT. Linda loved to mentor and encourage those who also had the passion for emergency nursing. Before Linda's passing, Linda set the criteria for this annual financial award. The award will be granted to a student in BCIT's Bachelor of Science in Nursing program who has "the passion and the light in their eyes for emergency nursing".

Sarbjot Bhatti, *Bachelor of Science in Nursing*
Alannah Piasecki, *Bachelor of Science in Nursing*

Margaret Neylan Memorial Achievement Award

An annual award established in 2010 in memory of Margaret Neylan, former Department Head of Nursing, then Associate Dean of Nursing at BCIT. Margaret passed away in March 2005. Her life was dedicated to family, health care and education. She pioneered the development of numerous nursing programs and, in retirement, dedicated her time to improving care for seniors.

Amarpreet Randhawa, *Bachelor of Science in Nursing*

Radion Laboratories Ltd. dba Bowers Medical Supply Award

An annual award established in 2004. The Bowers Medical award is presented to a student who has demonstrated consistent academic excellence, personal courage and relentless perseverance. In 1972, BCIT alumnus F.E. [Ted] Bowers founded Bowers Medical. For more than forty years, Bowers Medical has remained a national company that is family owned and operated. As the CEO, Mr. Bowers has always mandated the company to deliver the highest quality of healthcare solutions that best serve his fellow Canadians. Basic values such as dedication, hard work, and intellectual discipline are direct reflections of Mr. Bowers' own personal traits.

Camryn Loughheed, *Nuclear Medicine*

Stemcell Technologies Award

An annual award established in 2017. This graduating achievement award recognizes an outstanding student in the Biotechnology Program. STEMCELL Technologies Inc. is a biotechnology company based in Vancouver that develops specialty cell culture media, cell isolation systems and accessory products for life science research. Driven by science and a passion for quality, STEMCELL supports the advancement of scientific research around the world with our catalogue of more than 2,000 cell biology research tools.

Kevin Deng-Han, *Honours in Biotechnology*
Gopika Makhija, *Honours in Biotechnology*

Sysmex Award in Medical Laboratory Science

An annual award established in 2010 is presented to a BCIT Medical Laboratory Science student in the first year who has attained significant achievement in hematology courses MLSC 2114 & 3114. Sysmex is a world leader in the manufacture and distribution of hematology laboratory systems & solutions including automation and information systems.

Nicoledeep Mann, *Medical Laboratory Science*

Associate Dean's Award for Excellence in Nursing Practice

An annual award established by BCIT for a student in the Bachelor of Science in Nursing program.

Jamie Ello, *Bachelor of Science in Nursing*

SCHOOL OF TRANSPORTATION

Applewood Cares Award

An annual award established by Applewood Auto Group Ltd. for students in the Automotive Service Technician and Operations program.

Raul Ho, *Automotive Service Technician and Operations*
Pieter MacDonald, *Automotive Service Technician and Operations*

BCIT Airline and Flight Operations Academic Award

An annual award established by BCIT for students in the Airline and Flight Operations program.

Nicholas Williams, *Airline and Flight Operations - Commercial Pilot - Fixed Wing*

BCIT Auto Body Repair and Refinishing Technician Foundation Academic Award

An annual award established by BCIT for students in the Auto Body Repair and Refinishing Technician Foundation program.

Wilson Chieng, *Auto Body Repair and Refinishing Technician Foundation*

BCIT Automotive Service Technician and Operations Academic Award

An annual award established by BCIT for students in the Automotive Service Technician and Operations program.

Kobe Kung, *Automotive Service Technician and Operations*

BCIT Aviation Management and Operations Academic Award

An annual award established by BCIT for students in the Aviation Management and Operations program.

Kajal Rathore, *Aviation Management and Operations*

BCIT Bachelor of Technology Academic Award in Technology Management

An annual award established by BCIT for students in the Bachelor of Technology in Technology Management program.

Xueying Wu, *Bachelor of Technology in Technology Management*

BCIT Heavy Duty Truck Technology Academic Award

An annual award established by BCIT for students in the Heavy Duty Truck Technology program.

Jashanjot Singh, *Heavy Duty Truck Technology*

BCIT International Success Awards

An annual award established by BCIT International for students in any eligible program.

Mario Andres Valencia Gomez, *Aviation Management and Operations*

Brett Loftus Memorial Award

An endowment established in 2011 in memory of Brett Loftus who was an exceptional alumnus of the BCIT Airline and Flight Operations Commercial Pilot program and a flight instructor with Pacific Flying Club (PFC) based in Boundary Bay. He was killed July 6, 2011 in a plane crash north of Harrison Lake. As a Flight Instructor with PFC, Brett touched the lives of many BCIT students and staff in an extremely positive way.

Ryan Head, *Airline and Flight Operations - Commercial Pilot - Fixed Wing*

British Columbia Automobile Association Award

An endowment established in 1991. BCAA is one of B.C.'s most trusted organizations, serving one in four households. Operating for over 100 years, BCAA has over 800,000 Members, and provides home, car and travel insurance services, and a variety of road and passenger safety programs, as well as its legendary roadside assistance.

Samuel Karran, *Automotive Service Technician and Operations*

Dean's Award

An annual award established by BCIT for a student in any eligible School of Transportation programs.

Kai Hussein, *Aircraft Gas Turbine Technician*
Nicholas Cooper, *Airline & Flight Operations - Commercial Pilot (Fixed Wing)*
Xueying Wu, *Bachelor of Technology in Technology Management*

Ed Coates Memorial Foundation Graduating Achievement Award

An annual award established by Lordco Parts Ltd. and Ed Coates Memorial Foundation for students in the Automotive programs.

Kekoa Thomas-Gunby, *Auto Body Repair and Refinishing Technician Foundation*
Sunny Lee, *Automotive Service Technician and Operations*

Ed Coates Memorial Foundation Graduating Award

An annual award established by Lordco Parts Ltd. and Ed Coates Memorial Foundation for students in the Automotive programs.

Kobe Kung, *Automotive Service Technician and Operations*

Geoff Smulders Memorial Scholarship

An endowment established in 2005 by the family and friends of Geoff Smulders, who died on April 22, 2005 in an airplane crash caused by mechanical failure. He was working as a pilot for Nav Air Charter, Inc. at the time. Geoff loved flying, sports, and partying. He was not an armchair observer of life - he got out there and lived it.

Meiler Varquez, *Airline and Flight Operations - Commercial Pilot - Fixed Wing*

Hong Mar Memorial Award

An endowment established in 2012 in memory of Hong Mar, one of Canada's pioneering bush pilots who served Canada's northern communities before a plane crash took his life in 1967 at age 44. This scholarship, generously endowed by Dr. Yosef Wosk and family and friends of Mr. Mar, is a tribute to his legacy, and to his fellow bush pilots who devoted their lives to a profession that remains exceptionally dangerous and challenging.

Marissa Levers, *Airline and Flight Operations - Commercial Pilot - Fixed Wing*

Ocean Park Foundation Motive Power Awards

An annual award established by Ocean Park Foundation for students in the Heavy Mechanical Trades Foundation, Heavy Duty Truck Technology and Marine Mechanical Technician Foundation programs.

Paramveer Aujla, Heavy Mechanical Trades Foundation
Manraj Bains, Heavy Mechanical Trades Foundation
Victor Beltran, Heavy Mechanical Trades Foundation
Lawrence Carlson, Heavy Mechanical Trades Foundation
Coral Herbert, Heavy Mechanical Trades Foundation
Wen Ming Ho, Heavy Mechanical Trades Foundation
Jacob Hrvacanin, Heavy Mechanical Trades Foundation
Rahul Jaswal, Heavy Mechanical Trades Foundation
Shaquille Earvin Jubay, Heavy Mechanical Trades Foundation
Nathan Manley, Heavy Mechanical Trades Foundation
Jonathan Methven, Heavy Mechanical Trades Foundation
Joseph Porter, Heavy Mechanical Trades Foundation
Nathan Shrimpton, Heavy Mechanical Trades Foundation
Cole Wilson, Heavy Mechanical Trades Foundation
Pablo Alvarez, Heavy Duty Truck Technology
Fernando Cordero, Heavy Duty Truck Technology
Abraham Martin James, Heavy Duty Truck Technology
Yongho Jeon, Heavy Duty Truck Technology
Josiah Magnusson, Marine Mechanical Technician Foundation
Dylan Ponsioen, Marine Mechanical Technician Foundation
Laura Richardson, Marine Mechanical Technician Foundation
Matthew Tyska, Marine Mechanical Technician Foundation

Sunbelt Rentals Grad Achievement Award

An annual award established by Sunbelt Rentals of Canada Inc. for a student in the Heavy Duty Truck Technology program.

Jose Enrique Jimenez Rojas, Heavy Duty Truck Technology

Wayne Philip Balliet Memorial NAPA Service Technician Award

An award established in 2019 by NAPA Auto Parts on behalf of the Wayne Balliet family. Wayne was a lifelong automotive enthusiast and professional who believed strongly in customer service and education.

Matthew Hodgson, Automotive Service Technician and Operations

Your support is a reminder that people value the trades and want to see students succeed, not just financially, but in building meaningful careers.

- Fernando Cordero
