

#### Course Evaluation

Your input as a learner is important to us. Please help us maintain the quality and relevance of BCIT Health Sciences part-time course offerings by providing feedback on courses you complete. The course evaluation in the Forms section of this handbook takes approximately 10 minutes to complete.

If your course has a separate evaluation mechanism, or instructor evaluation form, please follow the directions provided for that evaluation. If possible, please also complete the course evaluation in this handbook. Note that BCIT Faculty and Staff Association rules prevent any instructor evaluation feedback to be provided to anyone other than the instructor.

#### Instructions:

Please answer the following questions, using only the *General Purpose Answer Sheet* provided. Mark your answers with a soft lead pencil.

Mark the four-letter course prefix in the "Name" area on the backside of the answer sheet. For example, if the course prefix is BHSC, please write the letters "BHSC" in the boxes and shade the appropriate letters in the columns below the boxes. Then mark the four-digit course number in the "Special Codes" area on the backside of the computer answer sheet. For example, if the course number is 1117, please write the letters "1117" in the boxes and shade the appropriate numbers in the columns below the boxes.

Complete the evaluation questions on the front side of the General purpose Answer Sheet by shading the response selected. Complete all questions indicated in the section "For All Courses", then respond to questions from the section appropriate to your course (Section A – Paper-based Guided Learning Courses, Section B – Classroom Courses, or Section C – Online Courses). Your name and student number are not required.

Please do not fold or staple the answer sheet as it will be scanned by computer. Return the course evaluation answer sheet with the envelope provided for your final examination, or send it directly to:
