Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Employer's Representative

Your employer is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your employer with the necessary information to perform such duties.

| Your Employer's representative is _____ Phone Number: _____ |
|--|

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed Enrolment or Re-enrolment Application form, available from your employer. Your employer then forwards the application to Manulife Financial.

Making Changes

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your employer. Such changes could include:

- change in Dependent Coverage
- change in Beneficiary
- applying for coverage previously waived
- change in Name

The Claims Process

Naming a Beneficiary

Manulife Financial does not accept beneficiary designations for any benefits other than Employee Life Insurance, Employee Optional Life Insurance and Accidental Death and Dismemberment.

This Plan contains a provision removing or restricting the right of the covered person to designate persons to whom or for whose benefit money is to be payable.

How to Submit a Claim

All claim forms, available from your employer, must be correctly completed, dated and signed. Remember, always provide your Group Policy Number, Plan Document Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim. You can also submit claims online at www.manulife.ca.

Your employer can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

You may not commence legal action against the Employer or the Administrator less than 60 days after proof has been filed as outlined under Submitting a Claim. Every action or proceeding against the Employer or the Administrator for the recovery of money payable under the plan is absolutely barred unless commenced within the time set out in the Insurance Act or applicable legislation.

Payment of Extended Health Care and Dental Claims

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, your employer will help explain.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact your employer.

Co-ordination of Extended Health Care and Dental Care Benefits

If you or your dependents are covered for similar benefits under another Plan, this information will be taken into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of covered medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs,
- any other arrangement of coverage for individuals in a group, and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the “Primary Carrier” (i.e., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the “Secondary Carrier” (i.e., responsible for making the payment to cover the remaining eligible expense).

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
- The Plan where the person is covered as an active part-time employee, then
- The Plan where the person is covered as a retiree.

- For Claims incurred by your Dependent Child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse’s Plan will pay benefits for the Dependent Child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse’s Plan will pay benefits for the Dependent Child).
- Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

The Claims Process

- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
- If the person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

Eligibility

You are eligible for Group Benefits if you:

- are a full-time or part-time employee of British Columbia Institute of Technology,

Late Application

An application is considered late when you:

- apply for contributory coverage on any person after having been eligible for more than 31 days, or
- re-apply for coverage on any person whose coverage had earlier been cancelled.

If you apply for Dental benefits more than 31 days after first being eligible, you may become covered upon submission of proof satisfactory to Manulife Financial that eligibility for comparable or more comprehensive coverage under another group plan, under which you or your dependents were covered, ceased not more than 31 days before you applied for replacing coverage under this Plan.

Medical evidence can be submitted by completing the Evidence of Insurability form, available from your employer. Further medical evidence may be requested by Manulife Financial.

Your dependent's coverage will not be effective prior to the date your coverage becomes effective.

Waiver of Premium

If you become Totally Disabled while insured and prior to age 65 and meet the Entitlement Criteria outlined below, your Life Insurance will continue without payment of premium.

Your Group Benefits

Definition of Totally Disabled

Totally Disabled means a restriction or lack of ability due to an illness or injury which prevents you from performing the essential duties of:

- your own occupation, during the Qualifying Period and the 24 months immediately following the Qualifying Period
- any occupation:
 - for which you are qualified, or may reasonably become qualified by training, education or experience, after the 24 months specified above, and
 - for which the current monthly earnings are 75% or more of the current monthly earnings for your own occupation.

The availability of work will not be considered by Manulife Financial in assessing your disability.

If you must hold a government permit or licence to perform the duties of your job, you will not be considered Totally Disabled solely because your permit or licence has been withdrawn or not renewed.

Entitlement Criteria

To be entitled to Waiver of Premium, you must meet the following criteria:

- you must be continuously Totally Disabled throughout the Qualifying Period. If you cease to be Totally Disabled during this period and then become disabled again within 30 days due to the same or related cause, your Qualifying Period will be extended by the number of days during which you ceased to be Totally Disabled, provided the Qualifying Period is satisfied within 365 days of the date of Total Disability
- Manulife Financial must receive satisfactory medical evidence documenting how your illness or injury causes restrictions or lack of ability, such that you are prevented from performing the essential duties of:
 - your own occupation, during the Qualifying Period and the following 24 months, and
 - any occupation:
 - for which you are qualified, or may reasonably become qualified by training, education or experience, after the 24 months specified above, and
 - for which the current monthly earnings are 75% or more of the current monthly earnings for your own occupation
- you must be receiving from a physician, regular, ongoing care and treatment appropriate for your disabling condition, as determined by Manulife Financial

At any time, Manulife Financial may require you to submit to a medical, psychiatric, psychological, functional, educational and/or vocational examination or evaluation by an examiner selected by Manulife Financial.

Termination of Waiver of Premium

Your Waiver of Premium will cease on the earliest of:

- the date you cease to be Totally Disabled, as defined under this benefit
- the date you do not supply Manulife Financial with appropriate medical evidence documenting how your illness or injury causes restrictions or lack of ability, such that you are prevented from performing the essential duties of:
 - your own occupation, during the Qualifying Period and the following 24 months, and
 - any occupation:
 - for which you are qualified, or may reasonably become qualified by training, education or experience, after the 24 months specified above, and
 - for which the current monthly earnings are 75% or more of the current monthly earnings for your own occupation
- the date you are no longer receiving from a physician, regular, ongoing care and treatment appropriate for the disabling condition, as determined by Manulife Financial
- the date you do not attend an examination by an examiner selected by Manulife Financial
- the date of your death
- the date of your 65th birthday

Recurrent Disability

If you become Totally Disabled again from the same or related causes as those for which premiums were previously waived, and such disability recurs within 6 months of cessation of the Waiver of Premium benefit, Manulife Financial will waive the Qualifying Period.

Your amount of insurance on which premiums were previously waived will be reinstated.

If the same disability recurs more than 6 months after cessation of your Waiver of Premium benefit, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of longer than one month.

- Workers' Compensation or similar coverage
- Canada or Quebec Pension Plans, excluding dependent benefits

If necessary, the amount of your benefit will be further reduced so that your total income from all sources does not exceed 85% of your pre-disability gross earnings (net earnings, if your benefit is non-taxable). All sources include those sources stated above and any benefit you are entitled to receive from:

- any group, association or franchise plan
- any retirement or pension plan
- earnings or payments from any employer, excluding the negotiated benefit top-up payment related to the general wage increase paid by your employer

- benefits payable from other sources which began before the commencement of your current Disability will not be taken into account
- benefits payable from other sources will not be adjusted to take into account any difference between the tax status of those benefits and the benefit payable by Manulife Financial
- subsequent changes in benefits from other sources, other than cost of living increases, will be taken into consideration and a new benefit amount may be established
- benefits payable under individual disability income insurance will not be taken into account
- for benefits payable other than on a monthly basis, a monthly equivalent of such benefit will be estimated by Manulife Financial, and
- if you do not apply for a benefit for which you are eligible, the amount of such benefit will be estimated by Manulife Financial and assumed to be paid

Subrogation

If your disability is caused by another person and you have a legal right to recover damages, Manulife Financial will request that you complete a subrogation reimbursement agreement when you submit your Long Term Disability claim.

On settlement or judgement of your legal action, you will be required to reimburse Manulife Financial those amounts you recover which, when added to the disability benefits that Manulife Financial paid to you, exceed 100% of your lost income.

Tax Status

The tax position of any payments you receive under this benefit depends on whether you or your employer pays the cost of the benefit.

If your employer pays a portion or all of the cost, then any disability benefit payments you receive will be taxable. If you pay the full cost of the benefit, then any disability benefit payments you receive will be non-taxable.

Payment of Disability Benefits

Disability benefit payments will be made bi-weekly in arrears. Any payment for a period of less than two weeks will be made at a daily rate of one-thirtieth of your monthly benefit amount.

Rehabilitation Assistance

Once Manulife Financial determines that you are Totally Disabled, if appropriate, and at Manulife Financial's discretion, you may be offered rehabilitation to assist you in returning to gainful employment, either to your pre-disability occupation or to another occupation.

Your Group Benefits

In considering whether Rehabilitation Assistance is appropriate for you, Manulife Financial will take into account:

- the nature, extent and expected duration of your disability
- your level of education, training or experience
- the nature, scope, objectives and cost of a Vocational Plan

- Vocational Plan

A Vocational Plan is a training or job placement program that is expected to facilitate your return to gainful employment.

If it is determined that Rehabilitation Assistance is appropriate for you, in partnership with you, your employer and your doctor, Manulife Financial will provide a structured Vocational Plan that will prepare you for a return to work, either:

- with your employer
- with an alternate employer
- in a self-employed capacity

- Disability Benefits During Rehabilitation

You will continue to be entitled to disability benefits while participating in the Vocational Plan. If you receive any earnings as part of the plan, your disability benefit will be reduced once your total income (your disability benefit plus your earnings) exceeds 100% of your pre-disability gross earnings; net earnings if your benefit is not taxable.

If you cease to participate in the Vocational Plan because of a change in your medical status, Manulife Financial will require medical evidence documenting how your current medical status prevents you from continuing with the Vocational Plan.

If you are not available or do not co-operate or participate in the Vocational Plan, you will no longer be entitled to disability benefits.

Termination of Benefit Payments

Your disability benefit payments will cease on the earliest of:

- the date you cease to be Totally Disabled, as defined under this benefit
- the date you do not supply Manulife Financial with appropriate medical evidence documenting how your illness or injury causes restrictions or lack of ability such that you are prevented from performing the essential duties of:
 - your own occupation, during the Qualifying Period and the following 24 months, and
 - any occupation:
 - for which you are qualified, or may reasonably become qualified, by training, education or experience, after the 24 months specified above, and
 - for which the current monthly earnings are 75% or more of the current monthly earnings for your own occupation

- the date you do not attend an examination by an examiner selected by Manulife Financial
- the date on which benefits have been paid up to the Maximum Benefit Period for this benefit
- the date of your death

Recurrent Disability

If you become Totally Disabled again from the same or related causes within 6 months from the end of the period for which Long Term Disability benefits were paid, Manulife Financial will treat the disability as a continuation of your previous disability.

You will not be required to satisfy the Qualifying Period again. The benefit payable to you will be based on your earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 6 months after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of longer than one month.

Arbitration

If you appeal the denial or termination of a Long Term Disability claim, you must submit to your employer a written notice of appeal. The notice must be submitted to Manulife Financial within 6 months of the date of the denial or termination notice.

You may arrange to have your claim reviewed by a Claims Review Committee composed of three Physicians: one designated by you, one by your employer and a third agreed upon by the appointees. The expenses incurred by a Claims Review Committee will be paid by your employer.

Where you have disputed the decision of Manulife Financial and are awaiting the outcome of a review or an appeal, you will be considered to be on a leave of absence without pay during the portion of time you are not receiving pay or benefit allowance. During this time, coverage will be continued.

Should the majority decision of the Claims Review Committee find in your favour, Manulife Financial shall continue your payment of benefits.

If the above provision is in conflict with the applicable law of your province of residence, the provision shall be deemed amended to conform with the minimum requirements of that law.

Waiver of Premium

The premium for your Long Term Disability benefit will be waived during any period you are entitled to receive Long Term Disability benefit payments.

Submitting a Claim

To submit a claim, you must complete the Long Term Disability claim form which is available from your Plan Administrator. Your attending physician must also complete a portion of this form.

A completed claim form must be submitted to Manulife Financial within 6 months from the month following the end of the Qualifying Period.
