

—
ONE PLACE.
ENDLESS POSSIBILITIES.
BIG INFO

DON'T MISS THESE 30 MINUTE INFORMATION SESSIONS

School of Computing and Academic Studies

Computing
5:15–5:45 pm SE6, Room 233, Telus Theatre

School of Construction and the Environment

Apprentice to CEO
4:30–5:00 pm SE2, Room 270/271
Civil Engineering
6:45–7:15 pm SE6, Room 233 Telus Theatre
Environmental Engineering Technology
5:15–5:45 pm SE2, Room 270/271
Interior Design
4:30–5:00 pm SE6, Room 233 Telus Theatre

School of Health Sciences

Biomedical Engineering
6:00–6:30 pm SE6, Room 233, Telus Theatre
Environmental Health [Public Health Inspection]
6:00–6:30 pm SE2, Room 270/271
Occupational Health & Safety
6:45–7:15 pm SE2, Room 270/271

School of Transportation

Automotive, Motorcycle and Power Equipment
5:30–6:30 pm, NE18, Room 104
Automotive, Motorcycle and Power Equipment
6:30–7:30 pm, NE18, Room 104

PROGRAMS AND SERVICES

STUDENT SERVICES

SW1

Admissions
Advanced Placement
Apprentice Services
Applied Research Liaison Office (ARLO)
Centre for Workplace Education [Co-op]
Counselling
Disability Resource Centre
Indigenous Services
International
International Student Centre
ICES [International Credential and Evaluation Service]
Library/Learning Commons
Program Advising
Recreation Services
Student Financial Aid and Awards
Student Health Services
Student Housing
Student Life

ACADEMIC STUDIES

SE2-213 TOWN SQUARE C

Chemistry
Communication/Professional English
Language Development
Math
Technical Writing
Technology Entry

APPLIED AND NATURAL SCIENCES

Construction and the Environment

SE2 GREAT HALL/CAFETERIA

Building Controls & Energy Management
Ecological Restoration
Environmental Engineering Technology
Forest and Natural Areas Management
Geographic Information Systems
Geomatics
Mineral Exploration and Mining
Mining and Mineral Resource Engineering
Renewable Resources—Fish, Wildlife and Recreation
Sustainable Energy Management

Energy

SE2 GREAT HALL

Chemical and Environmental Technology

Forensic Science and Technology

SE2-213 TOWN SQUARE C

Digital Forensics and Cybersecurity
Crime and Intelligence Analysis
Forensic Science Studies
Forensic Health Sciences
Forensic Investigation of Fraud and Financial Crime

BUSINESS

SE2-212A/212B TOWN SQUARE A/B

Accounting, Finance and Insurance

- Accounting
- Finance
- Financial Planning
- General Insurance and Risk Management

Digital Arts

- 3D Modeling, Art & Animation
- Digital and Web Development
- Graphic Communication Technology
- Graphic and Communication Design
- New Media Design and Web Development

Business Administration

- Graduate Certificate in Business Administration
- Bachelor of Business Administration (BBA)
- Business Management
- Business Management Studies (BMS)
- Human Resources Management

Marketing Management

- Graduate Certificate in Business Analytics
- Entrepreneurship
- Marketing Communications
- Professional Sales
- Tourism

Operations Management

- Business Information Technology Management
- Business Operations Management
- International Business Management
- Supply Chain Management

School of Business International Programs

SE6 FOYER

Broadcast and Media

- Broadcast and Online Journalism
- Radio and Entertainment Arts
- Television and Video Production

COMPUTING AND IT

Computing and Academic Studies

SE2-214 TOWN SQUARE D

Full-time Programs

Bachelor of Technology—Computer Systems [full-time and part-time]
Computer Information Technology [CIT]
Computer Systems Technology [CST]

Fast-track Programs

High-Tech Professional [HTP] Programs

- Network Administration and Security Professional [NASP]
- Office Administrator with Technology [OAT]
- Software Systems Developer [SSD]
- Technology Support Professional [TSP]
- Technical Web Designer [TWD]

Part-time Studies

Computer Systems Certificate [CSC]

Computer Systems Diploma [CST/PTS]

- Applied Software Development
- Web and Mobile Application Development [WMA]
- Advanced .NET Development [.NET]
- Advanced Java Development [AJD]
- Agile Development

Applied Web Development [AWD]

- Web Development Fundamentals

Applied Network Administration and Design [ANAD]

Applied Computer Applications [ACA]

Applied Computer Information Systems [ACIS]

Applied Data Analytics Certificate [ADAC]

Applied Virtual Reality/Augmented Reality [VR/AR]

Energy

SE2 GREAT HALL

CISCO Certified Network Associate/Professional, Part-time Studies

Computer Information Systems Administration

ENGINEERING

Construction and the Environment

SE2 GREAT HALL/CAFETERIA

Architectural and Building Technology
Architectural Science
Building Energy Modeling
Building Science
Civil Engineering
Construction Management
Environmental Engineering Technology

Geographic Information Systems

Geomatics

Interior Design, Kitchen and Bath Design, Residential Interiors

Master of Applied Science—Engineering/Building Science

Master of Engineering—Building Science

Mining and Mineral Resource Engineering

Renewable Energy Electrical Systems Installation & Maintenance [REESIM]

Women in Engineering Club

Energy

SE2 GREAT HALL

Electrical and Computer Engineering Technology

- Automation and Instrumentation
- Electrical Power and Industrial Control
- Telecommunications and Networks

Electrical Engineering

Electronics

Electronics Technician

- Telecommunications Technician
- Wireless Communications Technician

Industrial Instrumentation and Process Controls Technician

Manufacturing

Mechanical Engineering

Mechanical Engineering Technology

- Mechanical Design
- Mechanical Manufacturing
- Mechanical Systems

Mechatronics and Robotics

Power and Process Engineering

Power Engineering

Technology Teacher Education

HEALTH SCIENCES

SW1

Basic Health Sciences

Biomedical Engineering Technology

Cardiac Sciences

Clinical Genetics

Diagnostic Medical Sonography

Electroneurophysiology

Environmental Health Technology

Food Technology

Health Leadership

Magnetic Resonance Imaging

Medical Laboratory Science

Medical Radiography

Nursing

Nuclear Medicine

Occupational Health and Safety

Prosthetics and Orthotics

Radiation Therapy

Specialty Nursing

TRADES AND APPRENTICESHIP

Energy

SE2 GREAT HALL

Computer Numerical Control [CNC] Operator, Part-time Studies

CNC Machinist Technician

Heating, Ventilation, Air Conditioning [HVAC] and Refrigeration Technician

Industrial Instrumentation

Machinist

Millwright

Refrigeration

Construction and the Environment

SE2 GREAT HALL/CAFETERIA

Architectural and Structural CADD and Graphics Technician [Drafting]

Automated Controls Installation and Maintenance [ACIM]

Boilermaking

Carpentry

Construction Electrician

Industrial Electrician

Ironworking

Joinery

Marine Fitter

Metal Fabrication

Piping Trades [Plumbing, Gasfitting, and Steamfitting]

Renewable Energy Electrical Systems Installation and Maintenance [REESIM]

Security Systems Technician

Sheet Metal

Welding

Transportation

SE2 GREAT HALL

Aerospace

Automotive

Automotive Collision Repair and Refinishing

Heavy Equipment

Marine

Motorcycle and Power Equipment

Railway Conductor

Trades Discovery

Technology Management
