

STUDY ABROAD.

Vancouver, Canada

Study Abroad at BCIT

Study, live, and explore Canada's top city on a term abroad in Vancouver.

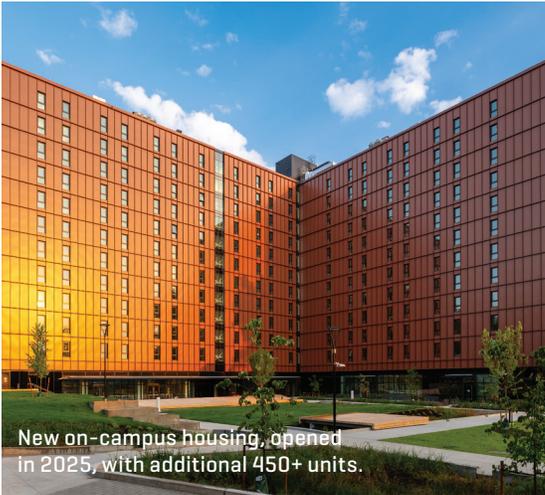

Why Vancouver?

Vancouver has been voted the world's most livable city. Located on the west coast of Canada, the city is surrounded by countless beaches, mountains, and trails to explore year-round. Vancouver is also a rapidly growing centre for innovation and technology, home to major global companies such as Amazon and Microsoft.

Why BCIT?

BCIT provides applied education and industry connections to start or advance your career. You will put theory into practice, learn from industry professionals, be part of a vibrant student community, and live in one of the best cities in the world.

New on-campus housing, opened in 2025, with additional 450+ units.
