**Student Outcomes Reporting System (SORS)**

This report was run by:  
British Columbia Institute of Technology

This report was run on:  
10/15/2019

This report shows data from:  
Survey name: BC Diploma, Associate Degree, and Certificate Student Outcomes Survey (DACSO)  
Survey year(s): 2017, 2018, 2019  
Results are from previous graduating years 2016 - 2018 and are subject to industry and occupational trends

**About the DACSO survey:**  
The DACSO Survey is conducted annually from January to June, with funding from the ministry responsible for post-secondary education and B.C.'s public post-secondary institutions. The eligible cohort for the DACSO Survey consists of former students from public post-secondary institutions who have completed or nearly completed their diploma, associate degree, or certificate programs 9 to 20 months before the survey. The annual questionnaire is built on a set of core questions based on the major themes of the survey: employment outcomes, further education, ratings of programs, and student satisfaction. Please note the DACSO survey does not include trades foundation, trades-related vocational, apprenticeship, short certificate, baccalaureate, or developmental (Adult Basic Education, English as a Second Language, and Adult Special Education) programs.

**Data Definitions:**  
Information provided through BC Student Outcomes  
* Please take caution when interpreting the results with a response count less than 30, as they may not be statistically valid.  

**Eligible Students:** Count of total graduates in program.  
**Respondents:** Former students who responded to the DACSO survey.  
**Response Rate:** Percentage of survey respondents to all graduates surveyed.  
Programs less than 8 respondents are excluded from Summary Outcomes individual program reports.

**% In Labour Force:** Respondents who were in the labour force. The labour force includes people who were employed as well as those who were looking and available for work at the time of the survey.

**% Employment Rate:**% Those who were working in labour market.

**% Employed in a Job Related Program:** Respondents that were currently employed in an occupation that was either "very" or "somewhat" related to their past training.

**% Of those employed: (in labour force)** Percent of respondents who were currently working in labour force full-time (30 hours or more per week), part-time (less than 30 hours per week), or unemployed and looking for work.

**% How useful were the knowledge and skills you gained in your program in performing your job:** Percent of respondents who felt the knowledge and skills gained from their program were "very", "somewhat", "not very" or "not at all" useful in performing their job.

**% How useful was your program in getting your (main) job:** Percent of respondents who felt their program was "very", "somewhat", "not very" or "not at all" useful in getting their job.

**Average hourly wage of those in training related job (main job):** Mean (average) hourly wage of those in training related job (main full-time or part-time job).

**% Satisfied with Education:** Percent of respondents who felt "very", "satisfied", "dissatisfied" or "very dissatisfied" with education received.

**% How well students were prepared to:** (Questions changed to a 4-point scale in 2015) - Respondents who felt skill development was applicable responded "very helpful" or "helpful", "not very helpful" or "not at all helpful" to the skills listed.

**% Are currently studying:** Percent of respondents that they were currently studying on a full-time or part-time basis.

**% Have taken further studies since leaving program:** Percent of respondents have taken any further studies since the last course at their institution.

**% How well were you prepared for further studies after completing program:** Percent of respondents who felt their further studies were related to their program and felt that they were "very well", "somewhat", "not very" or "not at all" prepared for further study due to the program.
