Student Outcomes Reporting System (SORS)

This report was run by:

British Columbia Institute of Technology

This report was run on:

05/08/2018

This report shows data from:

Survey name: BC Baccalaureate Graduates Survey (BGS)

Survey year(s): 2015, 2016, 2017

Results are from previous **graduating years 2013 - 2015** and are subject to industry and occupational trends

About the BGS survey:

The BGS survey is conducted annually from September to January, with funding from the ministry responsible for post-secondary education. The eligible cohort for the BGS consists of graduates from B.C.'s public post-secondary institutions who have completed their bachelor's degree programs two years before the survey.

Please note the BGS does not include international students.

Data Definitions:

Information provided through BC Student Outcomes

*** Please take caution when interpreting the results with a response rate less than 30 may not be statistically be valid.**

Eligible Students: Count of total graduates in program.

Respondents: Former students who responded to the BGS survey.

Programs less than 8 respondents are excluded from Summary Outcomes individual program reports.

Response Rate: Percentage of survey respondents to all graduates surveyed.

Age: Break down by age groups (age is at the time of survey). Age grouping changed in 2017.

% Satisfied with Education: Percent of respondents who felt "very", "satisfied", "dissatisfied" or "very dissatisfied" with education received.

% Rated Quality of Instruction: Percentage of respondents who felt quality of instruction was "very good", "good", "poor" or "very poor".

% Have taken further studies since leaving program: Respondents taken any other formal post-secondary education or training

% Type of further education taken: Type of formal post-secondary education or training taken by respondents.

% Were currently studying: Respondents currently enrolled in formal post-secondary education or training at time of survey
