Student Outcomes Reporting System (SORS)

This report was run by:
British Columbia Institute of Technology

This report was run on:
05/08/2018

This report shows data from:
Survey name: BC Baccalaureate Graduates Survey (BGS)
Survey year(s): 2015, 2016, 2017
Results are from previous graduating years 2013 - 2015 and are subject to industry and occupational trends

About the BGS survey:
The BGS survey is conducted annually from September to January, with funding from the ministry responsible for post-secondary education. The eligible cohort for the BGS consists of graduates from B.C.’s public post-secondary institutions who have completed their bachelor’s degree programs two years before the survey. Please note the BGS does not include international students.

Data Definitions:
Information provided through BC Student Outcomes
