**Student Outcomes Reporting System (SORS)**

**This report was run by:**
British Columbia Institute of Technology

**This report was run on:**
05/07/2019

**This report shows data from:**
Survey name: BC Baccalaureate Graduates Survey (BGS)
Survey year(s): 2016, 2017, 2018
Results are from previous graduating years 2014 - 2016 and are subject to industry and occupational trends

**About the BGS survey:**
The BGS survey is conducted annually from September to January, with funding from the ministry responsible for post-secondary education. The eligible cohort consists of graduates from B.C.’s public post-secondary institutions who have completed their bachelor’s degree programs two years prior to the survey.

Please note the BGS does not include international students.

**Data Definitions:**
Information provided through BC Student Outcomes

* Please take caution when interpreting the results with a response rate less than 30 may not be statistically be valid.

**Eligible Students:** Count of total graduates in program.

**Respondents:** Former students who responded to the BGS survey.

Programs less than 8 respondents are excluded from Summary Outcomes individual program reports.

**Response Rate:** Percentage of survey respondents to all graduates surveyed.

% **in Labour force:** Respondents in labour force, includes people who were employed as well as those who were looking and available for work at time of survey.

% **Unemployment rate:** Those in labour force who were not working but looking for a job (excludes f/t students looking for f/t work and students unavailable for work).

% **Currently employed at time of survey:** Those who were currently working at a job or business at the time of survey. (Asked of all respondents)

% **Of employed respondents either employed full or part-time:** Respondents currently working in labour force either “full” or “part” time.

% **Of those employed, currently in training related job:** Occupations that respondents describe as “very”, “somewhat”, “not very” or “not at all” related to their studies.

% **Of Funding graduates relied on to pay for their education:** Most important or primary source of funding that respondents relied on to help pay for the educational program they completed.

**Gross median annual salary (full-time – main job):** Salary of employed full-time respondents.

% **Usefulness of acquired knowledge, skills and abilities in work:** These are acquired skills and abilities that the respondent describes as “very”, “somewhat”, “not very”, or “not at all” useful in their job.

% **Of those currently not employed:** The main reason why respondents are currently not employed at a paid job or business.

% **Have taken further studies since leaving program:** Respondents taken any other formal post-secondary education or training.

% **Type of further education taken:** Type of formal post-secondary education or training taken by respondents.

% **Were currently studying:** Respondents currently enrolled in formal post-secondary education or training at time of survey.

**Age:** Break down by age groups (age is at the time of survey). Age grouping changed in 2017.

% **Rate quality of instruction:** Respondents who felt quality of instruction was “very good”, “good”, “poor” or “very poor”.

% **Satisfied with education:** Respondents who felt “very”, “satisfied”, “dissatisfied” or “very dissatisfied” with education received.
