Student Outcomes Reporting System (SORS)

This report was run by:
British Columbia Institute of Technology

This report was run on:
06/23/2017

This report shows data from:
Survey name: BC Baccalaureate Graduates Survey (BGS)
Survey year(s): 2014, 2015, 2016
Results are from previous graduating years 2012 - 2014 and are subject to industry and occupational trends

About the BGS survey:
The BGS survey is conducted annually from September to January, with funding from the ministry responsible for post-secondary education. The eligible cohort for the BGS consists of graduates from B.C.'s public post-secondary institutions who have completed their bachelor's degree programs two years before the survey. Please note the BGS does not include international students.

Data Definitions:
Information provided through BC Student Outcomes
* Please take caution when interpreting the results with a response rate less than 30 may not be statistically be valid.

Eligible Students: Count of total graduates in program.
Respondents: Former students who responded to the BGS survey.
Programs less than 8 respondents are excluded from Summary Outcomes individual program reports.
Response Rate: Percentage of survey respondents to all graduates surveyed.
% Satisfied with Education: Percent of respondents who felt "very", "satisfied", "dissatisfied" or "very dissatisfied" with education received.
% Rated Quality of Instruction: Percentage of respondents who felt quality of instruction was "very good", "good", "poor" or "very poor".
