## Student Outcomes Reporting System (SORS)

### **This report was run by:**

British Columbia Institute of Technology

### **This report was run on:**

05/08/2018

### **This report shows data from:**

Survey name: BC Baccalaureate Graduates Survey (BGS)

Survey year(s): 2015, 2016, 2017

Results are from previous **graduating years 2013 - 2015** and are subject to industry and occupational trends

### **About the BGS survey:**

The BGS survey is conducted annually from September to January, with funding from the ministry responsible for post-secondary education. The eligible cohort for the BGS consists of graduates from B.C.'s public post-secondary institutions who have completed their bachelor's degree programs two years before the survey.

Please note the BGS does not include international students.

### **Data Definitions:**

Information provided through BC Student Outcomes

**\* Please take caution when interpreting the results with a response rate less than 30 may not be statistically be valid.**

**Eligible Students:** Count of total graduates in program.

**Respondents:** Former students who responded to the BGS survey.

Programs less than 8 respondents are excluded from Summary Outcomes individual program reports.

**Response Rate:** Percentage of survey respondents to all graduates surveyed.

**Age:** Break down by age groups (age is at the time of survey). Age grouping changed in 2017.

**% Satisfied with Education:** Percent of respondents who felt "very", "satisfied", "dissatisfied" or "very dissatisfied" with education received.

**% Rated Quality of Instruction:** Percentage of respondents who felt quality of instruction was "very good", "good", "poor" or "very poor".

**% Have taken further studies since leaving program:** Respondents taken any other formal post-secondary education or training

**% Type of further education taken:** Type of formal post-secondary education or training taken by respondents.

**% Were currently studying:** Respondents currently enrolled in formal post-secondary education or training at time of survey

**% Employed in Labour Force:** Respondents "currently working", "not employed". "not looking" or "not employed but looking" at a paid job or business.

**% Of Employed Respondents Either Employed Full or Part-time:** Respondents currently working in labour force either "full" or "part" time.

**% Currently Training Related Job:** These are occupations that the respondent describes as "very", "somewhat", "not very" or "not at all" related to their studies.

**Gross Median Annual Salary (full-time – main job):** Salary of employed full-time respondents.

**% Main reason why currently not employed:** The main reason why respondents are currently not employed at a paid job or business.

**% Rated Knowledge, Skills & Abilities Acquired During Education Useful in Job:** These are acquired skills and abilities that the respondent describes as "very", "somewhat", "not very", or "not at all" useful in their job.
