# BCIT ENROLMENTS BY SCHOOL

Enrolment data on this page represents an unduplicated headcount of student activity at the level being reported. The possibility of cross-activity, for instance the same student taking a full-time program in the School of Health Sciences and then a part-time course under the School of Computing all in the same year, means the enrolment counts are not additive.

School of Business

	2012-13	2013-14	2014-15	2015-16	2016-17
Full-time Students					
Technology	2,337	2,397	2,414	2,572	2,562
