

LIBRARY SERVICES STRATEGIC FRAMEWORK 2023-25

STRATEGIC PILLAR ONE: STUDENT SUPPORT: LEARNING, TEACHING AND INNOVATION

The Library Services team is a leader in open, innovative, experiential and multi-disciplinary teaching, learning and knowledge creation.

GOALS

- Invest in evolving technology to support student success
- Enhance student retention through learning support services
- Provide ongoing access to information and digital learning tools
- Promote and support learning and research through dynamic and relevant collections

STRATEGIC PILLAR TWO: PEOPLE AND SERVICES

In a constantly changing environment, the Library Services team creates and provides innovative and inclusive services to empower the diverse BCIT learning community.

GOALS

- Promote the visibility and value of library staff, services, technology and resources
- Collaborate and partner with Indigenous Initiatives
- Promote and foster equity, diversity and inclusion
- Invest in ongoing training and development of Library Services staff

STRATEGIC PILLAR THREE: DYNAMIC SPACES

Create inspiring, sustainable physical and virtual spaces that are responsive to the changing, diverse and collaborative needs of students and instructors.

- Nurture student well-being and resilience with our services and spaces
- Create inspiring, sustainable physical and virtual spaces
