

Post-Secondary Transition Workshop for Deaf and Hard of Hearing Students in Grades 11 & 12

Have you ever thought...?

How will I pay for school?

What will classes be like?

What kind of support services might be available for me?

What kind of information do I need to provide to the school to get support services?

What kind of support is there for me in the wider community?

What kinds of new responsibilities will I have after high school?

Who do I contact at the college or university to arrange the communication access services?

How do I know what to do, in which order, and by what date?
