Don't miss these information sessions	
4:30-4:55 p.m.	International, SW1, Room 1205 Environmental Public Health, NW4, Room 1078
5:00-5:25 p.m.	Marine Programs, SE6, Room 233 Telus Theatre Nuclear Medicine, NW4, Room 1078
5:30-5:55 p.m.	Computing, SW1, Room 1205 Bachelor of Science in Nursing, NW4, Room 1078
6:00-6:25 p.m.	Civil Engineering, SE6, Room 233 Telus Theatre Biomedical Engineering Technology, NW4, Room 1078
6:30-6:55 pm	Occupational Health and Safety, NW4, Room 1078

PROGRAMS AND SERVICES

STUDENT SERVICES

SW1

Accessibility Services
Applied Research Liaison Office (ARLO)
Centre for Workplace Education (Co-op)
Counselling
Indigenous Services
International Applications
International Student Centre
ICES (International Credential Evaluation Service)
Library/Learning Commons
Program Advising
Student Financial Aid and Awards
Student Health Services
Student Life

ACADEMIC STUDIES

SW 1

Chemistry
Communication/Professional English
Language Development
Math
Physics
Technology Entry
Technical Writing
Technical Communication Essentials

APPLIED & NATURAL SCIENCES

Construction and the Environment

SE2 GREAT HALL

Ecological Restoration
Environmental Engineering
Forest and Natural Areas Management
Geographic Information Systems
Geomatics
Mass Timber
Mineral Exploration and Mining Technology
Mining and Mineral Resource Engineering
Renewable Resources—Fish, Wildlife
and Recreation

Energy

SE2 GREAT HALL

Assayer Certification Training, Part-time Studies
Chemical and Environmental Technology

- Analytical Science
- Process Engineering

Smart Grid Systems and Technologies

Forensic Science and Technology

SW1

Biochemistry and Forensic Science
Crime and Intelligence Analysis
Digital Forensics and Cybersecurity
Forensic Science
Forensic Health Sciences

BUSINESS & MEDIA

SE2 TOWN SQUARE A/B

Degrees

- Bachelor of Accounting
- Bachelor of Business Administration

Accounting, Finance, and Insurance

- Accounting (diploma and degree)
- Finance
- Financial Planning
- General Insurance and Risk Management
- Professional Accounting

Digital Arts, Media + Design

- 3D Modeling, Art, and Animation
- Digital Design and Development
- Graphic Communication
Technology Management
- Graphic Design
- New Media Design and Web Development
- Technical Arts

Global Relations

- Business Administration Graduate Certificate
- Field Schools, International Exchange, and
Double Degree Programs
- Global Leadership Graduate Certificate
- Global Business Studies

Business Administration, Human Resources
+ Sustainability

- Business Fundamentals
- Business Management
- Human Resources Management
- Sustainable Business Leadership

Operations Management

- Business Information Technology Management
- Business Operations Management
- Global Trade and Transportation Management

SE6 FOYER

Marketing Management

- Digital Marketing and Brand Strategy
- Entrepreneurship
- Professional Real Estate
- Professional Sales
- Tourism Marketing and Sales

NW4 HEALTH SCIENCES CENTRE

Healthcare Unit Clerk

Medical Office Assistant

SE2 CAFETERIA

Broadcast and Media Communications

- Broadcast and Online Journalism
- Radio Arts and Entertainment
- Television and Video Production

COMPUTING & INFORMATION TECHNOLOGY

Computing and Academic Studies

SW1

Full-time Programs

Bachelor of Science in Applied Computer Science
Computer Information Technology (CIT)
Computer Systems Technology (CST)
Full-Stack Web Development (FSWD)

Fast-track Programs

Technology Professional Programs (TPP)

- Office Administrator with Technology (OAT)
- Software Systems Developer (SSD)
- Front-End Web Development (FWD)
- Technology Support Professional (TSP)

Flexible Learning

Advanced Web Technologies

- Applied Web Development (AWD)

Data Analytics and Business Intelligence

- Applied Computer Information Systems (ACIS)
- Applied Database Administration
and Design (ADAD)
- Applied Data Analytics (ADAC)

Microsoft Office and Application Training

- One Day Workshops
- Applied Computer Applications (ACA)

Networking

- Applied Network Administration and Design
(ANAD)

Software Development:

- Computer Systems Certificate (CSC)
- Computer Systems Diploma (CSTFLEX)
 - Web and Mobile Application Development
(WMA)Applied Software Development (ASD)
 - Advanced .NET Development (.NET)
 - Advanced Java Development (AJD)
 - Agile Development

Energy

SE2 GREAT HALL

Computer Information Systems Administration
Industrial Network Cybersecurity

ENGINEERING

Construction and the Environment

SE2 GREAT HALL / CAFETERIA

Architectural and Building Technology
Architectural Science
Building Science
Civil Engineering
Construction Management
Environmental Engineering
Geographic Information Systems
Geomatics
Master of Applied Science—Engineering/
Building Science

Master of Engineering—Building Science
Mining and Mineral Resource Engineering
Renewable Energy Electrical Systems Installation
& Maintenance (REESIM)

Energy

SE2 GREAT HALL

CISCO Certified Network Associate/Professional,
Part-time Studies
Electrical and Computer Engineering Technology

- Automation and Instrumentation
- Electrical Power and Industrial Control
- Telecommunications and Networks

Electrical Engineering
Electronics
Industrial Instrumentation and Process
Control Technician
Industrial Network Cybersecurity
Mechanical Engineering
Mechanical Engineering Technology

- Mechanical Design
- Mechanical Manufacturing
- Mechanical Systems

Mechatronics and Robotics
Power and Process Engineering
Power Engineering
Smart Grid Systems and Technologies
Technology Teacher Education
Digital Communications and Wireless Technologies

HEALTH SCIENCES

NW4 HEALTH SCIENCES CENTRE

Bachelor of Science in Nursing
Basic Health Sciences
Biomedical Engineering Technology
Cardiology Technology
Cardiovascular Perfusion
Clinical Genetics Technology
Diagnostic Medical Sonography (Ultrasound)
Digital Health
Electroneurophysiology
Environmental Public Health
Food Technology
Health Leadership
Honours in Biotechnology
Magnetic Resonance Imaging (MRI)
Medical Laboratory Science
Medical Radiography (X-ray)
Nuclear Medicine
Occupational Health and Safety
Prosthetics and Orthotics
Radiation Therapy
Simulation and Experiential Learning
Specialty Nursing

TRADES & APPRENTICESHIP

Construction and the Environment

SE2 GREAT HALL / CAFETERIA

Architectural and Structural CADD and
Graphics Technician (Drafting)
Automated Controls Installation and
Maintenance (ACIM)
Boilermaker
Cabinetmaking (Joinery)
Carpentry
Construction Electrician
Industrial Electrician
Ironworker
Marine Fitter
Metal Fabrication
Piping Trades (Plumber, Gasfitter, Steamfitter)
Renewable Energy Electrical Systems
Installation and Maintenance (REESIM)
Security Systems Technician
Sheet Metal
Welding

Energy

SE2 GREAT HALL

Computer Numerical Control (CNC) Operator,
Part-time Studies
CNC Machinist Technician
Heating, Ventilation, Air Conditioning (HVAC)
and Refrigeration Technician
Industrial Instrumentation
Industrial Mechanic (Millwright)
Machinist
Refrigeration
Technology Teacher Education

Transportation

SE2 TOWN SQUARE C/D

Aircraft Gas Turbine Engine
Aircraft Maintenance Engineering
Airline and Flight Operations Commercial Pilot
Automotive Collision, Repair, and Refinishing
Automotive Service Technician and Operations
Automotive Technician
Aviation Management and Operations
Bridge Watch Rating
Diesel Engine Mechanic
Heavy Duty Equipment
Heavy Duty Truck Technology
Heavy Mechanical Trades
Marine Engineering
Marine Mechanical Technician
Motorcycle Technician
Nautical Sciences
Railway Training
Technology Management
Trades Discovery
Transport Trailer Technician
Truck and Transport Mechanic
