Directions:

Thank you for agreeing to carry out this Peer Review. The results of this review will be used to provide valuable feedback to the RN who will use it to identify any areas where skills and expertise may be further developed.

The review focuses on the RN's knowledge of the field and the RN's interactions with students. Each item is to be assessed according to the following scale:

S	SR	U	
Satisfactory	Satisfactory with Reservations	Unsatisfactory	No Opinion

No Opinion is the appropriate response where you have insufficient data or you are otherwise unable to assess the item. Items indicated by an asterisk are to be left blank if you are not qualified to make an assessment. Please note that reviewer comments are welcome when particularly effective or otherwise noteworthy performance is observed.

Satisfactory with Reservations or **Unsatisfactory** are appropriate responses where you cannot rate the RN as **Satisfactory** on the item. When choosing either of these options, you must clearly explain why a rating of **Satisfactory** could not be given. If no explanation is provided the response will be scored as **No Opinion**.
