# **INSTRUCTIONS**

## **STEP 1 – INFORMAL MARKS REVIEW BY INSTRUCTOR**

1. First discuss the matter with the course instructor responsible for the initial assessment and let the Chief Instructor or course Program Head know of the concern.
2. The instructor will review the mid-term or final exam, assessment, or project/practical work, and check the calculation of the grade and notify the student why the grade was awarded.
3. If there is no satisfactory resolution a student may request a formal Marks Reassessment.

## **STEP 2 – FORMAL REQUEST FOR MARKS REASSESSMENT (SEE TIME LIMITS BELOW)**

1. Complete the Request for Marks Reassessment form with:
  - a. Complete and accurate information
  - b. Clearly stated reasons for the request
  - c. Documents supporting the request (i.e. reports, assignments, quizzes, labs, etc. which would have been returned by the instructor or which can be requested for reassessment purposes).
2. Pay the Reassessment Fee at Student Information and Enrolment Services (SIES) at the Registrar's Office. This fee will be returned if the mark is adjusted in the student's favour.
3. Bring the completed Request for Marks Reassessment form to the office of the Associate Dean responsible for your program. If you are not enrolled in a program, take the form to the Associate Dean responsible for the course. Include the following with your form:
  - a. A copy of the reassessment fee receipt (from SIES)
  - b. All appropriate course work to be considered during the reassessment

**NOTE:** Requests may be denied if any one of these requirements has not been completed.

## **TIME LIMITS**

Formal Request for Marks Reassessment must be received by the Associate Dean's office within five (5) business days after the start of classes in the next term or within twenty (20) business days after the final marks are available, whichever occurs first.

## **EXTENSIONS**

Extensions of time may be given if the student can demonstrate they were unable to contact the instructor for an informal marks review before the deadline, or if departmental circumstances prohibit the student from meeting the deadlines. The Associate Dean will determine a suitable extension and will communicate that decision to the student and to the department.
