

## BRITISH COLUMBIA INSTITUTE OF TECHNOLOGY INTRAMURAL FUTSAL RULES

### **Section 1: Intramural Policies and Procedures**

Eligibility, protests, forfeits and concedes, conduct, appeal, and attire are covered in details in the BCIT Intramural Policies and Procedures.

### **Section 2: Authority**

The *Sports Programs and Intramurals Coordinator* and or *Official* has the maximum authority to ensure that the given game runs in an appropriate and “proper” manner. This implies that they may deal with any form of unsportsmanlike conduct in any manner that they may deem necessary. This includes, but is not limited to: ejecting players, forfeiting a team, and forfeiting a contest.

### **Section 3: Number of Players**

Each team may register any number of players unless otherwise deemed by the *Sports Programs and Intramurals Coordinator*. A team may play a game with as few as 4 players (and a minimum of 2 self-identifying females for the co-ed division) without defaulting, with a maximum of 5. One player must be designated as goalkeeper. **Players cannot be added to the roster after the conclusion of the regular season.** Special consideration may be obtained from the *Programs and Intramurals Coordinator*.

### **Section 4: Transfers and Additions**

No player, having played for one team, shall play for any other team during the league’s schedule. Special consideration, however, may be given to players on a forfeited team and players on overcrowded teams. All transfers have to be approved by the *Programs and Intramurals Coordinator*. Players that have not played during the regular season are not allowed to play during playoffs. All playoff participants must have played at least two regular season game.

### **Section 5: Game Play**

1. Games will begin at the assigned time. A 10 minute grace period will be given to each team: afterward this time, a forfeit will take place. Teams can play with a minimum of 4 players to start the game.
2. A game consists of two 20 – minute halves, with one 2- minute break in between.
3. A game may be shortened due to time constraints, or cancelled at the discretion of the *Sports Programs and Intramurals Coordinator*. The *Sports Programs and Intramurals Coordinator* will make final on-site decisions.
4. The match is officially started with a kick-off at center.
5. The kick-off must go backwards and the kicker may not touch the ball a second time until it is touched another player.
6. The defending team must be 3 meters away from the kick-off. Once the ball is kicked, the ball is in play and the defenders can move forward.
7. Any violation of the aforementioned rules will result in an indirect free kick for the non-offending team.
8. A team can freely substitute, from their bench, all their players except the goalkeeper throughout the game. Goalkeeper substitutions may only be made at a stoppage of play with the substituting team has possession.
9. No hanging on the net will be permitted.

**Section 6: Boundaries/Inbounding**

1. The light blue lines mark the boundaries. The goalkeepers' crease is marked by the light blue semi-circle.
2. Play is stopped when the entire ball has crossed the boundaries.
3. All inbounding play must be completed within 5 seconds from the time play is ready to continue.
4. Methods for inbounding:
  - A. When the ball has crossed the goal line:
    - If it was last touched by the attacking team a goal clearance is awarded to the defending goalkeeper. The goal clearance must proceed by a distinctly underhand throw from inside the goalkeeper's crease. The ball must touch the ground in the goalkeepers' own half. The goalkeeper may not touch the ball again before it has touched an opponent. A goal may not be scored directly from a goal clearance.
    - If it was last touched by the defending team, a corner kick is awarded to the attacking team. The ball must be kicked from corner of the court. All opponents must be 3 meters from the ball when it is kicked. A goal may be scored directly from a corner kick.
  - B. When the ball has crossed the boundary line:
    - A kick-in is awarded to the opponents of the team that last touched the ball. The ball must be kicked from outside of the touch line. All opponents must be 3 meters from the ball when it is kicked. A goal may not be scored directly from a kick-in.

**Section 7: Offsides**

There are NO offsides

**Section 8: Methods of Scoring**

A goal is scored when the entire ball has passed over the goal line between the goal line posts and under the crossbar, provided it has not been thrown, carried, or intentionally propelled by a hand or arm of the attacking team player. A goal may not be scored directly from a kick-off, a kick-in, a goal clearance, or an indirect free kick. A goal may be scored directly from a direct free kick.

**Section 9: Goalkeeper Play**

1. When the ball crosses the goal line and it was last touched by the attacking team, a full clearance is awarded to the defending goalkeeper. The goal clearance must be preceded by a distinctly underhand throw from inside the goalkeeper's crease. The goalkeeper may not touch the ball again before it has touched an opponent. A goal may not be scored directly from a goal clearance.
2. Any pass back to the goalkeeper CANNOT be played with their hands, including passes made by head or chest.
3. The goalkeeper must stay in his/her crease at all times

**Section 10: Fouls**

Fouls are given for infringement of the above rules as well as for:

1. Physical Obstruction – deliberately blocking the path of an opponent (i.e. a player cannot keep an opponent from getting to the ball while the ball is going out of bounds without attempting to get the ball). A violation will result in an indirect free kick.

2. Verbal Obstruction – unnecessary shouting, calling for the ball without a name, etc. A violation will result in an indirect free kick and a warning.
3. Handling the Ball – hand (or arm) to ball constitutes an infraction, ball to hand (or arm) does not (when a player makes no movement towards the ball or has no intent to play the ball with their hand or arm). A violation will result in an indirect free kick. An intentional handball (as deemed by in-game officials) will result in a yellow card.
4. Ball in air – Playing the ball with the feet where the point of contact with the ball is at or above normal, standing waist-level will result in an indirect free kick awarded to the opposing team. Jumping in the air (or leaving the feet) to control the ball will also result in an indirect free kick being awarded to the opposing team.
5. Play on the ground – If at any time, a player plays a ball while he/she is on their bottom, back, or stomach, play will be blown dead and an indirect free kick will be awarded to the opposing team at the spot of the play.
6. Dangerous Play – slide tackles, high kicks (leaving the feet to make a kick), tripping. A violation will result in a direct free kick and may result in a yellow or red card as deemed necessary by in-game officials.
7. Slides – Absolutely no slides tackles or slides of any kind for any reason. A violation deemed to be dangerous by the in-game officials/referees or Sports Programs and Intramurals Coordinator will result in an automatic yellow card. Goalies may only slide inside the crease to block a ball or to collect a ball. Goalies are **not allowed** to slide tackle (making contact with any opposing player). Other violations will result in an indirect free kick for the opposing team at the spot of the slide.
8. Too Many Players – Too many players on the floor will result in an indirect free kick awarded to the opposing team at the point where the play was stopped.
9. Body Contact – Deliberate body contact and unnecessary roughness are not permitted and will result in a direct or indirect free kick, depending on severity and intent. Body contact also includes the more severe offenses such as holding, tripping, elbowing, charging or kicking an opponent.

### ***Section 11: Free Kick***

There are two types of free kicks: direct and indirect. A goal may not be scored directly from any indirect kick, but must touch another player first. All kicks will be indirect except handball infractions and dangerous fouls, such as charging, tripping, etc. All opposing players must be 3 meters from the ball on both direct and indirect free kicks.

### ***Section 12: Penalty Kick***

A penalty kick is awarded against a team that commits any of the following offences inside its own penalty area: kicks or attempts to kick, strike or attempts to strike, trips, jumps at, charges, pushes, tackles, holds, or spits at an opponent, or handles the ball deliberately. The ball is positioned on the penalty spot, 6 meters away from the goal. The goalkeeper's feet must touch the goals line until the ball is brought into play. If this rule is not followed by the goalie and there is a goal, then the goal counts; if there is not a goal, the shot is taken again. The shooter must be player on the floor at the time the infraction occurred. All other players must stand behind the penalty spot and 3 meters way from the ball until it is kicked. In a non-shoot-out situation, the rebound maybe played. In a shoot-out situation and the rebound may not be played.

### ***Section 13: Tie-breaking Procedure***

In the event of a tie at the end of regulation time, regular season games may end in a tie. During playoffs, however, there will be a 5-minute sudden death overtime. In the event that the playoff game remains tied after overtime, a 5-on-5 shoot-out will be held. A shoot-out consists of 5 players from each team taking shots from the penalty mark. Note: any eligible player participating in that game may participate in the shootout.

Players currently serving penalty time may not participate in the shoot-out and a sub will take their place. The following conditions shall apply:

1. All of the kicks will be taken 6 meters from the goal. All players (except the goalkeeper and the player taking the kick) shall remain at the centerline during the shoot-out.
2. The *Programs and Intramurals Coordinator* will toss a coin. The team who wins the coin toss shall decide which team shoots first.
3. Both teams shall take 5 shots unless the losing team cannot overcome the deficit in the score.
4. If the score is still tied after 5 shots, the shoot-out shall continue until both team have taken an equal number of shots, and one team has scored one goal more than the other has. (In co-ed league, the team must alternate gender between male and female shooters).
5. A different player must take each shot. Only after the first 5 shots will a player be allowed to take a second shot (same with after 10, after 15, etc.).
6. A goalkeeper who is injured during the shoot-out may be replaced by a substitute.
7. Standard penalty kick format will be followed (the goalkeeper must be on the goal line until the ball is kicked, etc.).

#### **Section 14: Carding System**

1. One yellow card = 3 minute penalty from the time play resumes. However, a goal by the team on the "power play" will cancel the remaining penalty time.
2. Two yellow cards = one red card.  
**Note:** Two yellow cards in one game in the same league = one red card.
3. If a yellow card is given and the cause of the penalty results in a player bleeding, the card can turn into a red card.
4. One red card = the player will be ejected from the game and receive an automatic suspension from the next game. The player may be replaced by a substitute after their team has served the 3-minute penalty. A longer suspension may result if deemed necessary by the *Sports Programs and Intramurals Coordinator*. Multiple red cards in one semester will result in longer suspension as deemed necessary by the *Sports Programs and Intramurals Coordinator*.
5. Suspensions must be served in the team's next game. Byes and forfeits by the team in question are not actual games and do not count towards a players' suspension. Suspensions will carry over into the offender's next term of eligibility.
6. A yellow card may be issued to a whole team for rough play, unsportspersonlike conduct, or deliberate delay of game. Further infractions will result in red cards to individual players.
7. A player may be required to leave the field of play temporarily to "cool down", for example: A replacement for the benched player may be made.
8. If a player refused to give their name to the official after they have been carded, the game will be forfeited to the opposing team.
9. If a player gives the official a false name after they have been carded, the team will be forfeited to the opposing team.
10. If more than one player from the same team receives a yellow card, or if a player receives a yellow card while his team is already serving in a yellow card penalty, the second yellow card

offender will automatically sit in the penalty area. Their 3-minute penalty, however, will only commence after the first one has been completed. The offending team will therefore play with 4 players throughout the non-overlapping penalties and the first offender may return to their respective bench area (only during a stoppage of play after they have finished serving their penalty).

11. A team that received red and/or yellow cards (and/or injuries) in any manner that leaves them 2 players simultaneously short will be considered unable to field a full team and thus, must forfeit the contest. Note that, in this situation only, a forfeit will not affect the team's forfeit deposit.

### **Section 15: Captains**

1. Captains are responsible for informing their team of all policies and procedures.
2. Captains must sign the game sheet before the start of the match
3. Captains are responsible to confirm that the correct score is recorded.

### **Section 16: Sportspersonship**

Teams and players are expected to exhibit sportspersonlike conduct throughout every contest. Delay of the game, obscene language or gestures, and arguing with the staff constitutes unsportspersonlike behavior. Players may be penalized, ejected from the game, or possibly suspended from further games depending on the severity of the offense.

The Sportspersonship Program was put in place to ensure a safe and fun experience for all involved. Sportspersonship is a critical aspect of any sport and any level and rewards teams that compete with integrity and credibility. After each game, referees will rank the fair play of each team on a scale of 0-5 by answering the following: "Did the team significantly contribute to the enjoyment of this game in spirit and sportspersonship?"

The idea of the sportspersonship system is to encourage teams to participate knowing that referees and officials will be determining a ranking based on their play. At the end of the season, teams will be disqualified from playoffs if their sportspersonship average is below 4. Should a game official give a score to a team equal to or less than 3, that team will be contacted by the *Sports Programs and Intramurals Coordinator*, Justin Lee. That team will be provided with a brief written statement outlining the reasons why that decision was made. Any consequences from a sportspersonship score will also be explained. The ranking is subject to review by the in-game officials and the Programs and Intramurals Coordinator and a final score for sportspersonship will be determined.

\*\*All sportspersonship scores are %100 subject to review by the Programs and Intramurals Coordinator and may be adjusted accordingly. Teams that make arrangements to circumvent the spirit of the sportsmanship rules will be deemed to have intentionally cheated and will face consequences related to intentional cheating.

Scaling:

- 0 – Poor Sportspersonship (fight, player ejection, etc.) or Default without 2 days' notice
- 1 –
- 2 –
- 3 –
- 4 –
- 5 – Good sportspersonship

The purpose of the Futsal Rules is to provide a guideline which describes the manner in which the games are to be played. The Intramural leagues place a high demand on each individual player being morally bound to abide by the rules. There is a high expectation for individuals to maintain a high level of sportspersonship through responsible behavior. It is assumed that no player will intentionally violate the rules. An intentional foul would be considered cheating and a gross offense against the Sportspersonship values. Highly competitive play is encouraged but never at the expense of mutual respect between players. Such action as taunting, dangerous play, intentional fouling, or other win at all cost behaviors are contrary to the spirit of the game and must be avoided by all players.
