

Aerospace Technology Campus

Events take flight at our Aerospace Technology Campus (ATC)—one of BCIT’s five locations. Conveniently situated near the Vancouver International Airport (YVR) in Richmond, the campus has on-site pay parking and is accessible to both YVR and downtown Vancouver by public transit. The campus is serviced by a Translink-operated community shuttle (C92) and is just minutes by shuttle or taxi from Bridgeport Canada Line station. Across the river lies vibrant central Richmond with a vast selection of restaurants and hotels.

CIBC Seminar Room

The CIBC Seminar Room features state-of-the-art audiovisual technology for your higher-end meetings and workshops. This space is available in various set-up styles for up to 80 people and has an attached kitchen. Additional breakout space is available across the hallway.

CIBC Seminar Room

Meeting Room

This multi-purpose room can be set up in a variety of table and chair configurations to best suit your needs. Audiovisual is available. Room can be rented at half- or full-day rates.

Room 160

Pratt & Whitney Canada Hub

Due to the spacious teardrop shape of the building, the main venue features three-storey-high windows at either end — with sunset views at one side and a viewing gallery into the hangar at the other. This unique space is a must-see when planning your next special event and perfect for large receptions, banquets, and trade shows. Combine the Pratt & Whitney Canada Hub with additional meeting space in the CIBC Seminar Room or smaller breakout rooms.

Second-level Balcony and Westjet Gallery

The WestJet Gallery is an impressive addition to your venue booking if you plan on providing a bar, silent auction tables, exclusive networking reception area or VIP space. A perfect backdrop for photo sessions and awards presentations, it is on the second floor overlooking the hub with access to the aircraft hangar's observation balcony through floor-to-ceiling glass doors. When class is in session, the gallery provides the opportunity to view aerospace students in action.

Audiovisual Equipment and Expertise

Please call our sales team for a full list of rates for AV equipment rental and support.

On-Site Food and Beverage Services

Chartwells, the exclusive caterers for Aerospace Technology Campus, are available for all events. Please inquire upon booking.

Accommodation Discounts

Special BCIT rates are available from local hotels for out-of-town attendees. Please inquire upon submitting your booking request.
