SAFETY AND SECURITY SERVICES

BCIT is committed to the safety of every member of its community. Here are the safety resources available on a daily basis for students and staff.

- **24-HOUR PATROLS**: Security staff is on patrol at the Burnaby, Downtown, Aerospace, and Great Northern Way campuses 24 hours a day, and from 7 a.m. to 11 p.m. at our Marine Campus.

- **SAFERWALK**: This service is available to anyone at any campus who wishes to be escorted. Give security a call and they will arrange for someone to walk with you to your destination.

- **BLUE EMERGENCY PHONES**: Emergency phones are situated around our campuses. There are also emergency phones located inside campus buildings. These phones allow you to connect to Security immediately.

- **STUDENT BIKE PATROL**: The Student Bike Patrol is an initiative that forms a very valued part of the overall BCIT Campus personal security program.

- **SAFETY WISE APP**: The most convenient source of safety information and emergency communication when you need it most. In addition to its safety features, the app contains detailed maps to help you find your way around campus.
The Safety Wise app provides:

- Push notifications about emergencies or campus closures
- A direct connection to campus security to report an incident or request a Safer Walk
- Comprehensive maps

To get the app, download it to your phone from the App Store or Google Play.

Register for BCIT Alert

BCIT Alert is BCIT’s emergency warning system designed to keep our community connected to key information, and to ensure the continued safety of students and staff at the institute.

The system will only be used in urgent or emergency situations and snow closures to send a short message to your mobile device, email address or voicemail. The exception is an annual test of the system to all registrants. In order to receive these messages, you must register with the service.

We encourage you to register for BCIT Alert, and stay informed. For more information about campus safety and how to prepare for an emergency, visit our website at bcit.ca/safetyandsecurity.
