- BCIT Math Trades Pre-entry Test

PROGRAM GRADUATION REQUIREMENTS

I understand my success in this program requires:

- Maintaining a minimum passing grade of 70% for each course.
- Regular attendance of lectures, seminars, laboratory, shop periods and industry visits. Absence of 10% or more of the prescribed course length may result in failure of the course and an incomplete program. Prolonged illness of three or more consecutive days requires a Student Medical Certificate.
- Participating in the work practicum. This program has a two week work practicum, the work practicum is a required component of this program and requires travel in the greater Vancouver and surrounding areas.
- A valid driver's license or a minimum "N" designation as an industry standard and is required to complete the work practicum portion of this program.
