

GLOBAL LEADERSHIP

FULL-TIME, GRADUATE CERTIFICATE

bcit.ca/globalleadership

PROGRAM OVERVIEW

The Graduate Certificate in Global Leadership offers a focused curriculum in leadership with an approach that embraces diversity and inclusion. The program is designed to provide you with a systematic understanding of global leadership by starting with a solid foundation of personal leadership skills, expanding leadership theory to organizations, and then applying cultural intelligence to strategic leadership decision-making and implementation. This program aims to improve abilities in critical analysis, problem-solving, effective team design, change management, and cross-cultural communication.

In the Global Leadership program, you will learn to:

- Demonstrate leadership skills to develop and optimize successful global teams.
- Determine successful global strategies that will position an organization to capitalize on opportunities while being responsive to new and emerging situations.
- Cultivate a culture of trust and integrity, influence others, form teams, and build coalitions, in a cross-cultural context.
- Demonstrate effective and culturally-aware communication and negotiation skills both in direct and technology-enabled communications.
- Create clear objectives that identify competitive strategic advantages and integrate motivational strategies for employees in global teams.
