Payment via Wire Transfer

Our preferred method of international student payment is through Flywire.

Please note, Flywire does offer wire payment options to send money directly to BCIT. Payments through Flywire provide better tracking details and may considerably reduce the delay in refunds.

If your local currency is not listed or you are unable to process your payment through Flywire, you can request our direct wire information by emailing us at BCIT_FIN_Bank@bcit.ca. **Please include your student number in the subject line.**
